WITNESSETH:

WHEREAS, pursuant to that certain Loan and Security Agreement dated as of the date hereof by and among Assignor, Werner Technologies, Inc., and New Werner Holding Co., Inc., as Obligors, the financial institutions party thereto from time to time as lenders (collectively, the "Lenders") and Assignee (including all annexes, exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the "Loan Agreement"), the Lenders have agreed to provide a credit facility to Assignor to finance part of the acquisition of substantially all of the assets of Werner Holdings Co. and certain of its affiliates, as debtors-in-possession (collectively, the "Target Company") in a sale pursuant to Section 363 of the Bankruptcy code (the "Sale Transaction"), to pay transaction fees and expenses and to finance their mutual and collective business enterprise and ongoing working capital needs, on the terms and conditions set forth in the Loan Agreement;

WHEREAS, pursuant to the Loan Agreement, to secure the prompt payment and performance of all Obligations, Assignor granted to Assignee, for the benefit of Secured Parties, a continuing security interest and Lien upon the Trademark Collateral (as hereinafter defined) of Assignor; and

WHEREAS, pursuant to the Loan Agreement, Assignor is required to execute and deliver to Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, for good and valuable consideration hereby acknowledged, the parties hereby agree as follows:

1. **DEFINED TERMS.** All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement. Additionally, the following terms shall have the following respective meanings:

Trademarks: all of the following of a Person: (a) all trademarks, trade names, corporate names, business names, trade styles, service marks, logos, internet domain names and other source or business identifiers (whether registered or unregistered), all registrations thereof, and all applications in connection therewith, including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state or territory thereof, or any other country or any political subdivision thereof; (b) all reissues, extensions or renewals thereof; and (c) all goodwill connected with the use of and symbolized by any of the foregoing.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.
