### W I T N E S S E T H:

WHEREAS, the Pledgors, among others, are party to a Security Agreement of even date herewith (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the applicable Secured Parties, to enter into the Credit Agreement, the Pledgors hereby agree with the Collateral Agent as follows:

SECTION 1. Grant of Security Interest in Trademark Collateral. Each Pledgor hereby pledges and grants, as collateral security for the payment and performance in full of all such Pledgor’s Secured Obligations, to the Collateral Agent for the benefit of the Secured Parties, a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Pledgor, wherever located, and whether now existing or hereafter existing or acquired from time to time:

(a) all trademarks, service marks, slogans, logos, collective marks, certification marks, trade dress, uniform resource locators (URL’s), domain names, corporate names, trade names, fictitious business names, logos, and other source or business identifiers, designs and general intangibles of a like nature, of such Pledgor, whether registered or unregistered, owned by or assigned to such Pledgor and all registrations and applications for the foregoing and all common-law rights related thereto, and all common law rights corresponding thereto throughout the world including but not limited to registrations and applications for any of the foregoing listed in Schedule I attached hereto, together with any and all (i) goodwill symbolized by the foregoing, (ii) rights and privileges arising under applicable law with respect to such Pledgor’s use of any of the foregoing, (iii) extensions and renewals of the foregoing, (iv) income, fees, royalties, damages and payments now and hereafter due and/or payable thereunder and with respect thereto, including without limitation licenses, royalties, income, and damages, claims and payments for

past, present or future infringements thereof, (v) rights corresponding thereto throughout the world and (vi) rights to sue for past, present and future infringements thereof or for any injury to goodwill, in each case other than any trademark applications filed in the United States Patent and Trademark Office on the basis of such Pledgor's "intent-to-use" such trademark, unless and until acceptable evidence of use of the trademark has been filed with the United States Patent and Trademark Office pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. 1051, et seq.), whereupon such trademark application will be deemed automatically included in the Collateral, to the extent that granting the Security Interest in such Trademark application prior to such filing would adversely affect the enforceability or validity of such Trademark application;

(b) all goodwill associated with such Trademarks;

(c) all Intellectual Property Licenses of such Pledgor relating to Trademarks; and

(d) to the extent not covered by the foregoing, all proceeds and products of each of the foregoing and all accessions to, substitutions and replacements for, and rents, profits and products of, each of the foregoing, any and all proceeds of any insurance, indemnity, warranty or guaranty payable to such Pledgor from time to time with respect to any of the foregoing.

SECTION 2. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and the Pledgors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 3. Termination. Upon the payment in full of the Secured Obligations, the expiration or sooner termination of the Commitments of the Lenders to make any Loan under the Credit Agreement and the termination of the Security Agreement, the Collateral Agent shall, upon the request and at the sole cost and expense of the Pledgors, assign, transfer and deliver to the Pledgors, against receipt and without recourse to or warranty by the Collateral Agent except as to the fact that the Collateral Agent have not encumbered the released assets, an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in such of the Trademarks under this Trademark Security Agreement or any part thereof to be released (in the case of a release) as may be in possession of the Collateral Agent and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Trademark, proper documents and instruments (including UCC-3 termination financing statements or releases) acknowledging the termination hereof or the release of such Trademarks, as the case may be.

SECTION 4. Governing Law. This Trademark Security Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party

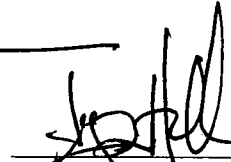

hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.
