## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of July 2, 2007 (as amended, supplemented or otherwise modified from time to time, the "Intellectual Property Security Agreement"), is made by United Site Services, Inc., a Massachusetts corporation (the "Grantor"), in favor of Credit Suisse, Cayman Islands Branch ("Credit Suisse"), as collateral agent (in such capacity and together with its successors, the "Collateral Agent") for the Secured Parties (as defined in the Guarantee and Collateral Agreement referred to below).

Reference is made to (a) the Revolving Credit Agreement dated as of June 29, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "Revolving Credit Agreement"), among USS Intermediate, Inc., a Delaware corporation ("Holdings"), the Grantor, the lenders party thereto (the "RC Lenders") and Credit Suisse, as administrative agent for the RC Lenders and as Collateral Agent and (b) the Term Loan Credit Agreement dated as of June 29, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "TL Credit Agreement" and, together with the Revolving Credit Agreement, the "Credit Agreements"), among USS Intermediate, Inc., a Delaware corporation ("Holdings"), the Grantor, the lenders party thereto (the "TL Lenders" and, together with the RC Lenders, the "Lenders") and Credit Suisse, as administrative agent for the TL Lenders and as Collateral Agent. Capitalized terms used and not defined herein have the meanings given such terms in the Revolving Credit Agreement as in effect on the date hereof.

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Grantor under the Credit Agreements that the Grantor shall have executed and delivered that certain Guarantee, Collateral and Intercreditor Agreement, dated as of June 29, 2006, in favor of the Collateral Agent (as amended, supplemented, replaced or otherwise modified from time to time, the "Guarantee and Collateral Agreement").

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantor has granted a first priority security interest in certain property, including, without limitation, certain Intellectual Property of the Grantor to the Collateral Agent for the ratable benefit of the Secured Parties, and has agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Grant of Security. The Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in and to all of its right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of its Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the "Trademarks");

(b) (i) all patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified in Schedule 1, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(c) (i) all copyrights, whether or not the underlying works of authorship have been published, including, but not limited to copyrights in software and databases all Mask Works (as defined in 17 U.S.C. 901 of the Copyright Act) and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, mask works and mask work applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the rights to print, publish and distribute any of the foregoing, (iv) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto ("Copyrights");

(d) (i) all licenses or agreements, whether written or oral, providing for the grant by or to the Grantor of: (A) any right to use any Trademark, (B) any right to manufacture, use, import, export, distribute, offer for sale or sell any invention covered in whole or in part by a Patent, and (C) any right under any Copyright including, without limitation, the grant of rights to

manufacture, distribute, exploit and sell materials derived from any Copyright including, without limitation, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations of any of the foregoing, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto; and

(e) any and all proceeds of the foregoing;

provided that the Intellectual Property Collateral shall not include (i) any application to register Trademarks in the U.S. Patent and Trademark Office based upon the Grantor's "intent to use" such Trademark (but only if the grant of security interest to such intent-to-use Trademark violates 15 U.S.C. § 1060(a)) unless and until a "Statement of Use" or "Amendment to Allege Use" is filed in the U.S. Patent and Trademark Office with respect thereto, at which point the Intellectual Property Collateral shall include, and the security interest granted hereunder shall attach to, such application or (ii) any lease, license, contract, property right or agreement to which the Grantor is a party or any of its rights or interests thereunder if and only for so long as the grant of a security interest hereunder shall constitute or result in a breach, termination or default under any such lease, license, contract, property right or agreement (other than to the extent that any such term would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC of any relevant jurisdiction or any other applicable law or principles of equity) (an "Excluded Asset"); provided, however, that any portion of any such lease, license, contract, property right or agreement shall cease to constitute an Excluded Asset pursuant to this clause at the time and to the extent that the grant of a security interest therein does not result in any of the consequences specified above.

SECTION 2. Recordation. The Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement and the Credit Agreements. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set

forth in the Guarantee and Collateral Agreement and the Credit Agreements, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Guarantee and Collateral Agreement or either Credit Agreement, the provisions of the Guarantee and Collateral Agreement or such Credit Agreement shall govern.

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first above written.
