**FIRST AMENDMENT AND RATIFICATION OF TRADEMARK SECURITY  
AGREEMENT AND COLLATERAL ASSIGNMENT**

THIS FIRST AMENDMENT AND RATIFICATION OF TRADEMARK SECURITY AGREEMENT AND COLLATERAL ASSIGNMENT (this "*Amendment*") is made and entered into this 13<sup>th</sup> day of July 2007 by and among ABP CORPORATION (f/k/a ABP Acquisition Holdings Corporation) ("*Borrower*"), CAPITALSOURCE FINANCE LLC, as administrative agent for the benefit of the lenders from time to time party to the Credit Agreement (hereinafter defined) ("*Lenders*") (in such capacity, "*Agent*"). Capitalized terms used but not defined in this Amendment shall have the meanings given to them in the Trademark Security Agreement (hereinafter defined).

WHEREAS, Borrower and Agent are parties to that certain Trademark Security Agreement and Collateral Assignment dated as of July 15, 2005 (as amended to date and as may be further amended, restated, modified and/or supplemented from time to time, the "*Trademark Security Agreement*");

WHEREAS, the Trademark Security Agreement was entered into in connection with that certain Credit Agreement dated as of July 15, 2005 by and between Borrower, Agent and Lenders (as amended to date, the "*Initial Credit Agreement*");

WHEREAS, Borrower has requested that the Initial Credit Agreement be amended, restated and replaced by that certain Amended and Restated Credit Agreement dated as of even date hereof (as hereafter amended, restated, modified and/or supplemented from time to time, the "*Credit Agreement*");

WHEREAS, Agent and Lenders have agreed to amend, restate and replace the Initial Credit Agreement with the Credit Agreement, provided that, among other conditions, Borrower agrees to amend and ratify the Trademark Security Agreement in accordance with the provisions hereof; and

WHEREAS, Borrower agrees to the foregoing and acknowledges and confirms that (a) this Amendment is intended to be an inducement to Agent and Lenders to execute, deliver and perform the Credit Agreement and (b) Agent and Lenders are relying upon this Amendment in executing the Credit Agreement.

NOW, THEREFORE, in consideration of (i) the facts set forth hereinabove (which are hereby incorporated into and made a part of this Amendment), (ii) the mutual covenants and agreements contained herein, and (iii) for other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Amendments to Trademark Security Agreement.**

(a) All references in the Trademark Security Agreement to "Credit Agreement" (other than the references to "Credit Agreement" set forth in the recitals to the Trademark Security Agreement) shall mean "Credit Agreement" as defined herein.

(b) All references in the Trademark Security Agreement to "Obligations" shall mean "Obligations" as defined in the Credit Agreement.

(c) All references in the Trademark Security Agreement to "Loan Documents" shall mean "Loan Documents" as defined in the Credit Agreement.

(d) Schedule 1 to the Trademark Security Agreement is hereby deleted in its entirety and Schedule 1 attached hereto is substituted in lieu thereof.

2. **Ratification.** Borrower hereby ratifies, confirms and approves the Trademark Security Agreement, as amended hereby, and acknowledges that it is unconditionally liable to Agent and Lenders for the obligations of the Borrower thereunder.

3. **Continuous Nature of Representations and Warranties.** Borrower hereby represents that each representation and warranty made by it in the Trademark Security Agreement remains accurate, complete and not misleading in any material respect on the date hereof except, in each case, for representations and warranties that explicitly relate to an earlier date (and, in such case, Borrower represents that such representation and warranty is accurate, complete and not misleading in any material respect as of such earlier date).

4. **Miscellaneous.**

(a) The execution, delivery and effectiveness of this Amendment shall not, except as expressly provided herein, be deemed to be an amendment or modification of, or operate as a waiver of, any provision of the Trademark Security Agreement or any right, power or remedy thereunder, nor constitute a waiver of any provision of the Trademark Security Agreement or any other document, instrument and/or agreement executed or delivered in connection therewith. This Amendment shall not preclude the future exercise of any right, remedy, power or privilege available to the parties whether under the Trademark Security Agreement, at law or otherwise. All the terms, conditions, and provisions of the Trademark Security Agreement as amended and modified by this Amendment shall continue in full force and effect.

(b) This Amendment may be executed in any number of counterparts (including by facsimile), and by the different parties hereto or thereto on the same or separate counterparts, each of which shall be deemed to be an original instrument but all of which together shall constitute one and the same agreement. Each party agrees that it will be bound by its own facsimile signature and that it accepts the facsimile signature of each other party. The descriptive headings of the various sections of this Amendment are inserted for convenience of reference only and shall not be deemed to affect the meaning or construction of any of the provisions hereof or thereof. Whenever the context and construction so require, all words herein and in the Trademark Security Agreement in the singular number herein shall be deemed to have been used in the plural, and vice versa, and the masculine gender shall include the feminine and neuter and the neuter shall include the masculine and feminine.

(c) This Amendment and the Trademark Security Agreement may not be changed, amended, restated, waived, supplemented, discharged, canceled, terminated or otherwise modified orally or by any course of dealing or in any manner other than as provided in the Trademark Security Agreement. This Amendment shall be considered part of the Trademark Security Agreement.

(d) This Amendment and the Trademark Security Agreement constitute the final, entire agreement and understanding between the parties with respect to the subject matter hereof and thereof, may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements between the parties, shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto and thereto and supersede all other prior agreements and understandings, if any, relating to the subject matter hereof and thereof. There are no unwritten oral agreements between the parties with respect to the subject matter hereof and thereof.

(e) The validity of this Amendment, its construction, interpretation and enforcement, and the rights of the parties hereunder, shall be determined under, governed by, and construed in accordance with the choice of law provisions set forth in the Trademark Security Agreement.

**[THE SPACE REMAINING ON THIS PAGE IS LEFT BLANK INTENTIONALLY.]**

**IN WITNESS WHEREOF**, each of the parties hereto has executed this Amendment by its respective duly authorized officer as of the date first written above.
