**ASSIGNMENT AND ASSUMPTION OF
INTELLECTUAL PROPERTY AGREEMENT**

This ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY AGREEMENT (this "Agreement") is dated as of September 1, 2007 (the "Effective Date") by and between TAYLOR WELD, an individual ("Assignor"), and WHEEL PROS, INC., a Delaware corporation ("Assignee").

WITNESSETH:

WHEREAS, Assignor and Assignee have executed and delivered a Purchase Agreement dated as of the Effective Date (the "Purchase Agreement") pursuant to which, among other things, Assignor has agreed to sell to Assignee, and Assignee has agreed to purchase from Assignor, certain assets of Assignor relating to the Seller Business (as defined in the Purchase Agreement) and to enter into certain other arrangements;

WHEREAS, Assignor has adopted, used, currently is using, and is the owner of all right, title and interest in and to the Intellectual Property (as defined in the Purchase Agreement), including, but not limited to, that set forth on Exhibit A of the Purchase Agreement, which is incorporated herein by reference; and

WHEREAS, in connection with the transactions contemplated by the Purchase Agreement, Assignee and Assignor desire that all of Assignor's right, title and interest in and to the Intellectual Property be assigned and transferred to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the other agreements and covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby irrevocably acknowledged, the parties hereto agree as follows:

1. Assignment of Intellectual Property Rights.

1.1 Assignment. Assignor hereby assigns, sells, conveys, delivers and transfers to Assignee all of his legal or beneficial right, title and interest in and to any and all Intellectual Property, together with the goodwill of the Seller Business connected with the use thereof (as applicable) and symbolized thereby and together with all claims for damages by reason of past infringement thereof, with the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and legal representatives.

1.2 Further Assurances.

(a) Assignor hereby agrees to execute all appropriate, necessary and customary forms and use his best efforts to assist Assignee, at Assignee's request from time to time (the reasonable cost and expense of which shall be paid by Assignee unless such action results from a breach of the Purchase Agreement or this Agreement by Assignor), to secure the rights assigned hereby and to obtain and/or transfer copyright, trademark or service mark and patent registrations (and applications therefor), and similar governmental grants confirming or enhancing said rights. Assignor will transfer all files and papers relating to such applications and registrations to Assignee within ten (10) business days of the execution of this Agreement.

(b) Assignor agrees to provide the appropriate authorizations to, and to execute the appropriate forms for, the applicable registration organization, or to Assignee if appropriate, and will use

EXHIBIT A
