## TRADEMARK SECURITY AGREEMENT

This **Trademark Security Agreement** (as the same may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, this "Agreement"), dated as of August 17, 2007, is entered into by **Laureate Education, Inc.** and **Canter and Associates, LLC** (d/b/a Canter & Associates, Inc.) (each, a "Grantor," collectively, "Grantors") in favor of **Goldman Sachs Credit Partners L.P.**, as Collateral Agent for the Secured Parties (together with any successors and assigns thereto in such capacity, the "Collateral Agent").

**WHEREAS**, the lenders or other financial institutions or entities party thereto from time to time, Collateral Agent, and certain other parties as named therein have entered into that certain Credit Agreement, dated as of August 17, 2007 (as the same may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, the "Credit Agreement");

**WHEREAS**, it is a condition under the Credit Agreement that the Grantors shall have executed and delivered that certain Security Agreement, dated as of August 17, 2007, in favor of the Collateral Agent (as the same may be amended, restated, supplemented or otherwise modified, refinanced or replaced from time to time, the "Security Agreement");

**WHEREAS**, under the terms of the Security Agreement, the Grantors have granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantors to the Collateral Agent for the ratable benefit of the Secured Parties, and have agreed as a condition thereof to execute this Agreement for recording with the United States Patent and Trademark Office;

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantors hereby agree with the Collateral Agent, for the ratable benefit of the Secured Parties, as follows:

SECTION 1. Defined Terms. Capitalized terms not otherwise defined herein have the meanings set forth in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby bargains, sells, conveys, assigns, sets over, mortgages, pledges, hypothecates and transfers to the Collateral Agent, for the ratable benefit of the Secured Parties, and grants to the Collateral Agent, for the ratable benefit of the Secured Parties, a lien on and security interest in, all of its right, title and interest in, to and under all of the following property now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations:

(a) all of the following now owned or hereafter acquired by such Grantor: (i) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof (if any), and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I hereto (ii) all goodwill associated therewith or symbolized thereby, (iii) all other assets, rights and interests that uniquely reflect or embody such goodwill, and (iv) all rights, priorities and privileges

relating to the foregoing, including all rights to sue at law or in equity for any past, present or future infringement, dilution or other impairment thereof, including the right to receive all Proceeds therefrom, provided, however, that the foregoing shall not include any "intent-to-use" application prior to the filing of and acceptance by the United States Patent and Trademark Office of a "Statement of Use" or "Amendment to Allege Use" with respect thereto to the extent, if any, that solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration issuing from such "intent-to-use" application under applicable federal law.

SECTION 3. Security Agreement. The security interest granted hereby is granted in connection with the security interest granted to the Collateral Agent for the ratable benefit of the Secured Parties under the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

SECTION 4. Recordation. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement.

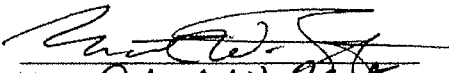

SECTION 5. Applicable Law. This Agreement and the rights and obligations of the parties hereunder shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
