SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.02 of the Credit Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment or performance, as the case may be, in full of the Obligations (other than contingent obligations), each Grantor, pursuant to the Security Agreement, did and hereby does, to the extent required by the Security Agreement, grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all of its right, title or interest in or to any and all of the following assets and properties (to the extent that they are part of the Collateral) now owned or at any time hereafter acquired by such Grantor and wherever located or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral");

- (b) all goodwill associated with or symbolized by the Trademarks;
- (c) all assets, rights and interests that uniquely reflect or embody the Trademarks;
