GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, INTEGRA TELECOM HOLDINGS, INC. (the "Grantor") with principal offices at 1201 NE Lloyd Boulevard, Suite 500, Portland, OR 97232-1202, hereby grants to DEUTSCHE BANK TRUST COMPANY AMERICAS, as Collateral Agent, with principal offices at 60 Wall Street, New York, New York 10005, (the "Grantee"), a security interest in (i) all of the Grantor's rights, title and interest in and to the United States trademarks and all trademark applications (the "Trademarks") set forth on Schedule A attached hereto, in each case together with (ii) all Proceeds (as such term is defined in the Security Agreement referred to below) and products of the Trademarks, (iii) the goodwill of the businesses with which the Trademarks are associated, and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same.

THIS GRANT is made to secure the satisfactory performance and payment of all the Obligations of the Grantor, as such term is defined in the First-Lien Security Agreement among the Grantor, the other assignors from time to time party thereto and the Grantee, dated as of August 31, 2007 (as the same may be further amended, modified, restated, and/or supplemented from time to time, the "Security Agreement"). Upon the occurrence of the Termination Date (as defined in the Security Agreement), the Grantee shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Trademarks acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement and is not intended to increase the rights of the Grantee pursuant to the Security Agreement or the obligations of the Grantee beyond the rights and obligations contained in the Security Agreement. The rights and remedies of the Grantee

with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble, have the meanings provided or provided by reference in the Security Agreement.

This Grant may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
