NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees with Administrative Agent as follows:

Section 1. Defined Terms. Unless otherwise defined herein, all capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and, if not therein defined, in the Credit Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby grants to Administrative Agent a security interest in and continuing lien on all of such Grantor's right, title and interest in, to and under the following, whether now owned or existing or hereafter acquired or arising and wherever located (all of which being hereinafter collectively referred to as the "Trademark Collateral"):

- (a) all United States and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers and general intangibles of a like nature, all registrations and applications for any of the foregoing including, but not limited to: (i) the registrations and applications referred to in Schedule I attached hereto, (ii) all renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, (iv) the right to sue for past, present and future

(b) any and all agreements, licenses and covenants providing for the granting of any right in or to Trademarks or otherwise providing for a covenant not to sue or governing co-existence (whether such Grantor is licensee or licensor thereunder) including, without limitation, each agreement referred to in Schedule I attached hereto;

(c) all Collateral Records, Collateral Support and Supporting Obligations relating to any of the foregoing; and

(d) all Proceeds, products, accessions, rents and profits of or in respect of any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall (a) the Trademark Collateral consisting of Trademark Licenses include or the security interest granted hereunder attach to any lease, license, contract or agreement to which such Grantor is a party, and any of its rights or interest thereunder, if and to the extent that a security interest is prohibited by or in violation of (i) any law, rule or regulation applicable to such Grantor, or (ii) a term, provision or condition of any such lease, license, contract, property right or agreement (unless such law, rule, regulation, term, provision or condition would be rendered ineffective with respect to the creation of the security interest hereunder pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the UCC (or any successor provision or provisions) of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity); provided, however, that the Trademark Collateral consisting of Trademark Licenses shall include (and such security interest shall attach) immediately at such time as the contractual or legal prohibition shall no longer be applicable and to the extent severable, shall attach immediately to any portion of such lease, license, contract or agreement not subject to the prohibitions specified in (i) or (ii) above; provided, further, that the exclusions referred to in clause (a) of this Section shall not include any Proceeds of any such lease, license, contract or agreement; or (b) the Trademark Collateral include or the security interest granted hereunder attach to any applications for trademarks and service marks filed in the U.S. Patent and Trademark Office pursuant to 15 U.S.C. § 1051 Section 1(b), to the extent that the grant of a security interest therein would impair the validity or enforceability of such application or any registration that issues from such intent-to-use trademark or service mark application, unless and until evidence of use of the mark in interstate commerce is submitted to the U.S. Patent and Trademark Office pursuant to 15 U.S.C. § 1051 Section 1(c) or 1(d), at which point the Trademark Collateral shall include, and the security interest granted hereunder shall attach to, such application.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Administrative Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.
