## RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY

This Release of Security Interest in Intellectual Property ("**Release**") is dated as of October 30, 2007. Reference is hereby made to the US Trademark Security Agreement (as amended, restated, supplemented or otherwise modified and in effect from time to time, the "**US Grant**"), dated as of February 11, 2005 between Minacs Worldwide Inc. ("**MWI**") (sometimes referred to as the "**Assignor**") and GE Canada Finance Holding Company (the "**Assignee**") for itself and in its capacity as agent for the lending institutions (hereinafter, collectively, the "**Banks**") party to that certain Loan Agreement, dated as of February 11, 2005, as amended, among, *inter alia*, the Assignor, the Assignee and the Banks.

The US Grant was recorded against MWI with the United States Patent and Trademark Office on February 17, 2005 [Reel 3039/0041].

Assignee hereby notifies, acknowledges to and agrees with Assignor that the security interest granted by Assignor in the collateral set forth in the US Grant (the "**Intellectual Property Collateral**") including, without limitation, in the Trademark Collateral (as defined in the US Grant) listed on the attached Schedule A, is terminated and released, and that Assignee hereby releases and forever discharges all of its right, title and interest of any kind or nature granted, assigned or conveyed pursuant to the US Grant in the Intellectual Property Collateral.

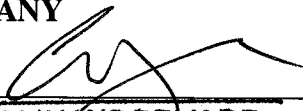

Assignee hereby releases all of its liens, pledges, security interests, charges and other encumbrances of whatever nature (collectively, "**Encumbrances**") against Assignor created under the US Grant.

Assignee hereby agrees, at the Assignor's sole cost and expense, to take such further actions and to execute and deliver such further documents as Assignor may reasonably request to effect and evidence this Release, including, without limitation, the execution and delivery of any filings, statements, amendments, recordations or other instruments required to maintain the applications or registrations of the Intellectual Property Collateral and record the chain of title accordingly with the United States Patent and Trademark Office, subject, in each case to Assignor's prior payment in full to Assignee of its costs and expenses (including reasonable fees and disbursements of counsel) incurred in connection therewith; provided, however, that Assignee shall not be required to take any action which Assignee reasonably determines could expose Assignee to liability or which is contrary to applicable law.

[Remainder of this page intentionally left blank]

**IN WITNESS WHEREOF**, Assignee has caused this Release of Security Interest in Intellectual Property to be duly executed and delivered by its duly authorized officer as of the date first above written.
