TRADEMARK SECURITY AGREEMENT dated as of December 24, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement"), made by each of the signatories hereto (collectively, the "Grantors"), in favor of Ares Capital Corporation ("ARCC") as administrative agent (in such capacity and together with its successors, the "Administrative Agent") for (i) the banks and other financial institutions or entities (the "Lenders") from time to time parties to the Credit Agreement, dated as of December 24, 2007 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Universal Lubricants, LLC (the "Borrower"), certain subsidiaries of the Borrower and ARCC and (ii) the other Secured Parties.

WITNESSETH:

WHEREAS, Grantors are party to a Guarantee and Collateral Agreement dated as of December 24, 2007 (the "Guarantee and Collateral Agreement") between each of the Grantors and the other grantors party thereto and the Administrative Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit Agreement, the Grantors hereby agree with the Administrative Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms have the meaning given to them in the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral.

(a) Each Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties, a security interest in all the following property of such Grantor, in each case, wherever located and now owned or at any time hereafter acquired by such Grantor or in which such Grantor has or at any time in the future may acquire any right, title and interest (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration, or otherwise) of such Grantor's Obligations:

(i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, designs and other source or business identifiers, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country, union of countries, or any political subdivision of any of the foregoing, or otherwise, and all common-law rights related thereto, including any of the foregoing listed on Schedule I hereto;

(ii) the right to, and to obtain, all renewals thereof;

(iii) the goodwill of the business symbolized by the foregoing;

(iv) other source or business identifiers, designs and general intangibles of a like nature;

(v) the right to sue for past, present and future infringements or dilution of any of the foregoing or for any injury to goodwill, and all proceeds of the foregoing, including royalties,

income, payments, claims, damages and proceeds of suit ((i) through (v), collectively, the "Trademarks"); and

(vi) any agreement, whether written or oral, providing for the grant by or to any Grantor of any right in, to or under by Trademark, including any of the foregoing referred to in Schedule I hereto (collectively, the "Trademark Licenses"); provided that notwithstanding any other provision set forth in this Section 2, this Trademark Security Agreement shall not, at any time, constitute a grant of a security interest in any property that is, at such time: (i) an Excluded Asset or (ii) an application to register a Trademark in the U.S. Patent and Trademark Office based on a Grantor's "intent to use" such Trademark, provided that at such time a Statement of Use or Amendment to Allege Use is filed therein such Trademark application shall be considered automatically included in the Trademark Collateral.

(b) Notwithstanding anything herein to the contrary, (i) each Grantor shall remain liable for all obligations under and in respect of the Trademark Collateral and nothing contained herein is intended or shall be a delegation of duties to the Administrative Agent or any other Secured Party, (ii) each Grantor shall remain liable under and each of the agreements included in the Trademark Collateral, including any Receivables, any Contracts and any other agreements relating to Trademark Collateral, to perform all of the obligations undertaken by it thereunder all in accordance with and pursuant to the terms and provisions thereof and neither the Administrative Agent nor any other Secured Party shall have any obligation or liability under any of such agreements by reason of or arising out of this Agreement or any other document related hereto, nor shall the Administrative Agent or any other Secured Party have any obligation to make any inquiry as to the nature or sufficiency of any payment received by it or have any obligation to take any action to collect or enforce any rights under any agreement included in the Trademark Collateral, including any agreements relating to any Receivables, any Contracts or any other agreements relating to Trademark Collateral and (iii) the exercise by the Administrative Agent of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Trademark Collateral, including any agreements relating to any Receivables, any Contracts and any other agreements relating to Trademark Collateral.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Guarantee and Collateral Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement and the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the provisions of the Guarantee and Collateral Agreement shall control.

SECTION 4. Applicable Law. This Trademark Security Agreement shall be construed in accordance with and governed by, the laws of the State of New York.
