**TRADEMARK SECURITY AGREEMENT** dated as of January 22, 2008 (this "*Agreement*"), among **BUFFETS, INC.**, a Minnesota corporation, as a debtor and debtor in possession under Chapter 11 of the Bankruptcy Code (the "*Borrower*"), **BUFFETS HOLDINGS, INC.**, a Delaware corporation, as a debtor and a debtor in possession under Chapter 11 of the Bankruptcy Code ("*Holdings*"), the subsidiaries of the Borrower listed on Schedule I hereto (the "*Subsidiary Parties*") and Credit Suisse, as Collateral Agent (in such capacity, the "*Collateral Agent*").

Reference is made to (a) the Guarantee and Collateral Agreement dated as of January 22, 2008 (as amended, supplemented or otherwise modified from time to time, the "*Guarantee and Collateral Agreement*"), among Holdings, the Borrower, the subsidiaries of the Borrower from time to time party thereto and the Collateral Agent and (b) the Secured Super-Priority Debtor in Possession Credit Agreement dated as if January 22, 2008 (as amended, restated, supplemented or otherwise modified from time to time, the "*Credit Agreement*"), among Holdings, the Borrower, the Lenders party thereto and Credit Suisse, as administrative agent and collateral agent. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Holdings and the Subsidiary Parties are affiliates of the Borrower, will derive substantial direct and indirect benefit from the making of the extensions of credit under the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Guarantee and Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Guarantee and Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor, pursuant to the Guarantee and Collateral Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "*Trademark Collateral*"):

(a) trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office (or any successor office) or any similar offices in any State of the United States or any other country or any political subdivision

thereof, and all extensions or renewals thereof, including those listed on Schedule II (the "*Trademarks*");

(b) the right to sue or otherwise recover for any and all past, present and future infringements and dilutions thereof,

(c) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements and dilutions thereof), and

(d) all other rights of any kind whatsoever accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above, provided that the grant of the security interest hereunder shall not include any application for a Trademark that would be deemed invalidated, canceled or abandoned due to the grant and/or enforcement of such security interest unless and until such time that the grant and/or enforcement of the security interest will not affect the status or validity of such Trademark.

SECTION 3. Recordation. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner of Patents and Trademarks record this Agreement.

SECTION 4. Guarantee and Collateral Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Guarantee and Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Applicable Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

BUFFETS, INC.
