Any Lien referred to in this Agreement or any of the other Credit Documents as having been created in favor of Agent, any agreement entered into by Agent pursuant to this Agreement or any of the other Credit Documents, any payment made by or to or funds received by Agent pursuant to or as contemplated by any of the Credit Documents, or any other act taken or omitted to be taken by Agent shall, unless otherwise expressly provided, be created, entered into, made or received, or taken or omitted for its benefit and the benefit or account of Lenders.

2. Grant of Security Interest. As collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations, Grantor hereby assigns, pledges and grants, subject to existing licenses to use Patents or Trademarks granted by Grantor in the ordinary course of business, to Agent, a security interest in and Lien upon all of the following property now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the "Collateral"):

- (i) all Trademarks;
- (ii) all Trademark Licenses;
- (iii) all Patents;

- (iv) all Patent Licenses;
- (v) all General Intangibles connected with the use of or symbolized by the Trademarks and Patents; and
- (vi) to the extent not otherwise included, all Proceeds and products of any and all of the foregoing;

Notwithstanding anything to the contrary set forth above, the types or items of Collateral described shall not include any rights or interests in any General Intangibles, Patent License or Trademark License, as such, if under the terms of such General Intangibles, Patent License or Trademark License, or Applicable Law with respect thereto, the valid grant of a security interest or Lien therein to Agent is prohibited and such prohibition has not been or is not waived or the consent of the other party to such General Intangible, Patent License or Trademark License has not been or is not otherwise obtained or under Applicable Law such prohibition cannot be waived, provided, that, the foregoing exclusion shall in no way be construed (a) to apply if any such prohibition is unenforceable under Section 9-408 of the UCC or other Applicable Law or (b) so as to limit, impair or otherwise affect Agent's unconditional continuing security interests in and Liens upon any rights or interests of Grantor in or to monies due or to become due under any such Patent License or Trademark License.

3. Grantor Remains Liable; Limitations on Agent's and Lenders' Obligations.

Anything herein to the contrary notwithstanding, (a) Grantor shall remain liable under the Patent Licenses and Trademark Licenses to the extent set forth therein to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by Agent of any of the rights hereunder shall not release Grantor from any of its duties or obligations under the Patent Licenses and Trademark Licenses, and (c) neither Agent nor any Lender shall have any obligation or liability under the Patent Licenses and Trademark Licenses by reason of this Agreement, nor shall Agent or any Lender be obligated to perform any of the obligations or duties of Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

4. Representations and Warranties. Grantor hereby represents and warrants as to itself and the Collateral as follows:

(a) Title; No Other Liens. Except for Permitted Liens, Grantor is (or, in the case of after-acquired Collateral, will be) the sole, legal and beneficial owner of the entire right, title and interest in and to the Trademarks set forth on Schedule I hereto and the Patents set forth in Schedule II hereto free and clear of any and all Liens. No security agreement, financing statement or other public notice similar in effect with respect to all or any part of the Collateral is on file or of record in any public office (including the United States Patent and Trademark Office), except such as may have been filed in favor of Agent, pursuant to this Agreement or which are permitted pursuant to the Credit Documents.

(b) Perfected First Priority Liens.

(i) This Agreement is effective to create, as collateral security for the Obligations, valid and enforceable Liens on the Collateral in favor of Agent, except as enforceability may be affected by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws

relating to or affecting creditor's rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

(ii) Except with regard to Liens (if any) on Specified Assets, upon the completion of the Filings, the Liens created pursuant to this Agreement will constitute valid Liens on and perfected security interests in the Collateral in favor of Agent and will be prior to all other Liens of all other Persons (other than those Permitted Liens which are permitted to have priority pursuant to the Credit Documents), and enforceable as such as against all other Persons other than Ordinary Course Buyers, and except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law) or by an implied covenant of good faith and fair dealing. As used in this Section 4(b)(ii), the following terms shall have the following meanings:

"Filings": the filing or recording of the Financing Statements, this Patent and Trademark Security Agreement with the U.S. Patent and Trademark Office, and any filings after the date hereof in any other jurisdiction as may be necessary under any Applicable Law.

"Financing Statements": the financing statements prepared by Agent naming Grantor as debtor and Agent as secured party filed on or about the date hereof in the jurisdictions as may be necessary under Applicable Law.

"Ordinary Course Buyers": with respect to goods only, buyers in the ordinary course of business to the extent provided in Section 9-320 and 9-321 of the UCC as in effect from time to time in the relevant jurisdiction, (ii) with respect to General Intangibles only, licenses in the ordinary course of business to the extent provided in Section 9-321 of the UCC, and (iii) any other Person who is entitled to take free of the Lien pursuant to the UCC or under Applicable Law.

"Specified Assets": Collateral for which the perfection of Liens thereon requires filings in or other actions under the laws of jurisdictions outside the United States of America, any State, territory or dependency thereof or the District of Columbia.

(c) Consents. No consent of any party (other than Grantor) to any Patent License or Trademark License constituting Collateral is required, or purports to be required, to be obtained by or on behalf of Grantor in connection with the execution, delivery and performance of this Agreement that has not been obtained. Each Patent License and Trademark License constituting Collateral is in full force and effect and constitutes a valid

and legally enforceable obligation of Grantor and (to the knowledge of Grantor) each other party thereto except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditor's rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law) and except to the extent the failure of any such Patent License or Trademark License constituting Collateral to be in full force and effect or valid or legally enforceable could not be reasonably expected, in the aggregate, to have a Material Adverse Effect on the value of the Collateral. Except as set forth on Schedules I and II hereto, no consent or authorization of, filing with or other act by or in respect of any Governmental Authority is required in connection with the execution, delivery, performance, validity or enforceability of any of the Patent Licenses or Trademark Licenses constituting Collateral by any party thereto other than those which have been duly obtained, made or performed and are in full force and effect and those the failure of which to make or obtain could not be reasonably expected, in the aggregate, to have a Material Adverse Effect on the value of the Collateral. Except as set forth on Schedules I and II hereto, neither Grantor nor (to the knowledge of Grantor) any other party to any Patent License or Trademark License constituting Collateral is in default in the performance or observance of any of the terms thereof, except for such defaults as could not reasonably be expected, in the aggregate, to have a Material Adverse Effect on the value of the Collateral. The right, title and interest of Grantor in, to and under each Patent License and Trademark License constituting Collateral are not subject to any defense, offset, counterclaim or claim which could be reasonably expected, either individually or in the aggregate, to have a Material Adverse Effect on the value of the Collateral.

(d) Schedules I and II are Complete; All Filings Have Been Made. Set forth in Schedules I and II is a complete and accurate list of the Trademarks and Patents owned by Grantor as of the date hereof. Grantor has made all necessary filings and recordings to protect and maintain its interest in the Trademarks and Patents set forth in Schedules I and II, including all necessary filings and recordings, and payments of all maintenance fees, in the United States Patent and Trademark Office to the extent such Trademarks and Patents are material to Grantor's business. Set forth in Schedules I and II is a complete and accurate list of all of the material Trademark Licenses and material Patent Licenses owned by Grantor as of the date hereof.

(e) The Trademarks and Trademark Licenses are Subsisting and Not Adjudged Invalid. As of the date hereof, each trademark registration and trademark application of Grantor set forth in Schedule I is subsisting as of the date hereof and has not been adjudged invalid, unregistrable or unenforceable, in whole or in part, and, to the best of Grantor's knowledge, is valid, registrable and enforceable. As of the date hereof, each of the Trademark Licenses set forth in Schedule I is validly subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Grantor's knowledge, is valid and enforceable. As of the date hereof, Grantor has notified Agent in writing of all uses of any item of Trademark Collateral material to Grantor's business of which Grantor is aware which could reasonably be expected to lead to such item becoming invalid or unenforceable, including unauthorized uses by third parties and uses which were not supported by the goodwill of the business connected with such Collateral.

(f) The Patent and Patent Licenses are Subsisting and Not Adjudged Invalid. As of the date hereof, each patent and patent application of Grantor set forth in Schedule II is

subsisting and has not been adjudged invalid, unpatentable or unenforceable, in whole or in part, and, to the best of Grantor's knowledge, is valid, patentable and enforceable. As of the date hereof, each of the Patent Licenses set forth in Schedule II is validly subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Grantor's knowledge, is valid and enforceable. As of the date hereof, Grantor has notified Agent in writing of all uses of any item of Patent Collateral material to Grantor's business of which Grantor is aware which could reasonably be expected to lead to such item becoming invalid or unenforceable.

(g) No Previous Assignments or Releases. As of the date hereof, Grantor has not made a previous assignment, sale, transfer or agreement constituting a present or future assignment, sale, transfer or encumbrance of any of the Collateral, except with respect to exclusive licenses granted in the ordinary course of business or as permitted by this Agreement or the Credit Documents. As of the date hereof, Grantor has not granted any license, shop right, release, covenant not to sue, or non-assertion assurance to any Person with respect to any part of the Collateral except in the ordinary course of business.

(h) Proper Statutory Notice. Grantor has marked its products with the trademark registration symbol ®, the numbers of all appropriate patents, the common law trademark symbol J, or the designation "patent pending," as the case may be, to the extent that it is reasonably and commercially practicable.

(i) No Knowledge of Claims Likely to Arise. Except for the Trademark Licenses and Patent Licenses listed in Schedules I and II hereto, Grantor has no knowledge of the existence of any right or any claim (other than as provided by this Agreement or the Credit Documents) that is likely to be made under or against any item of Collateral contained on Schedules I and II which would have a Material Adverse Effect.

(j) No Knowledge of Existing or Threatened Claims. No claim has been made and is continuing or, to the best of Grantor's knowledge, threatened that the use by Grantor of any item of Collateral is invalid or unenforceable or that the use by Grantor of any Collateral does or may violate the rights of any Person, which would have a Material Adverse Effect. To the best of Grantor's knowledge, there is currently no infringement or unauthorized use of any item of Collateral contained on Schedules I and II which would have a Material Adverse Effect.

5. Covenants. Grantor covenants and agrees with Agent and Lenders and, with respect to Section 5(a) hereof, Agent covenants and agrees with Grantor, that, from and after the date of this Agreement until the payment in full of the Obligations (except for contingent Obligations of any Obligor under indemnifications that survive termination of the Commitments) and the termination of all the Commitments:

(a) Further Documentation: Pledge of Instruments and Chattel Paper. At any time and from time to time, upon the written request of Agent or Grantor, as the case may be, and at the sole expense of Grantor, Grantor or Agent, as the case may be, will promptly and duly execute and deliver such further instruments and documents and take such further action as Agent or Grantor may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including the filing of any financing or continuation statements under the UCC in effect in any jurisdiction with

respect to the Liens created hereby. Grantor also hereby authorizes Agent to prepare and file any such financing or continuation statement without the signature of Grantor to the extent permitted by Applicable Law. Agent agrees to notify Grantor and Grantor agrees to notify Agent of any financing or continuation statement filed by it pursuant to this Section 5(a), provided that any failure to give any such notice shall not affect the validity or effectiveness of any such filing.

(b) Indemnification and Expenses. Grantor agrees to pay, and to save harmless and defend Agent and Lenders from, any and all liabilities and reasonable costs and expenses (including reasonable legal fees and expenses) (i) with respect to, or resulting from, any delay by Grantor in complying with any requirement of Applicable Law with respect to any of the Collateral, or (ii) in connection with any of the transactions contemplated by this Agreement, provided that such indemnity shall not, as to Agent or any Lender, be available to the extent that such liabilities, costs and expenses resulted from the gross negligence or willful misconduct of Agent or any Lender. In any suit, proceeding or action brought by Agent or any Lender under any of the Collateral for any sum owing thereunder, or to enforce any of the Collateral, Grantor will save, indemnify and keep harmless and defend Agent and such Lender from and against all expense, loss or damage suffered by reason of any defense or counterclaim raised in any such suit, proceeding or action.

(c) Maintenance of Records. (i) Grantor will keep and maintain at its own cost and expense reasonably satisfactory and complete records of the Collateral, and shall mark such records to evidence this Agreement and the Liens and the security interests created hereby. For Agent's and Lenders' further security, Agent shall have a security interest in all of Grantor's books and records pertaining to the Collateral, and Grantor shall permit Agent or its representatives to review such books and records upon reasonable advance notice during normal business hours at the location where such books and records are kept and at the reasonable request of Agent.

(d) Right of Inspection. Upon reasonable advance notice to Grantor and at reasonable intervals, or at any time and from time to time after the occurrence and during the continuance of an Event of Default, Agent and Lenders and their respective representatives (i) shall have the right during normal business hours to visit Grantor's plants and facilities which manufacture, inspect or store products sold under any of the Patents or the Trademarks and to inspect the products and quality control records relating thereto, and (ii) shall have reasonable access during normal business hours to all the books, correspondence and records of Grantor, and Agent and Lenders and their respective representatives may examine the same, and to the extent reasonable take extracts therefrom and make photocopies thereof, and Grantor agrees to render to Agent and Lenders, at Grantor's reasonable cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto.

(e) Compliance with Laws, etc. Grantor will comply in all material respects with all requirements of Applicable Law with respect to the Collateral or any part thereof, except to the extent that the failure to so comply could not be reasonably expected to have a Material Adverse Effect in the aggregate on Agent's or Lenders' rights hereunder, the priority of their Liens on the Collateral or the value of the Collateral.

(f) Further Identification of Collateral. Grantor will furnish to Agent and Lenders from time to time such statements and schedules further identifying and describing

the Collateral, and such other reports in connection with the Collateral, as Agent may reasonably request, all in reasonable detail.

(g) Security Interest in Any Newly Acquired Collateral. Grantor agrees that, should it obtain an ownership interest in any Trademark, Patent, Trademark License or Patent License, which is not now a part of the Collateral, (i) the provisions of Section 2 shall automatically apply thereto, (ii) any such Trademark, Patent, Trademark License and Patent License shall automatically become part of the Collateral, and (iii) with respect to any ownership interest in any Trademark, Patent, Trademark License or Patent License that Grantor should obtain which Grantor reasonably deems is material to its business, it shall give notice thereof to Agent and Lenders in writing, in reasonable detail, at their respective addresses set forth in the Credit Agreement within 45 days after the end of the calendar quarter in which such ownership interest is obtained. Grantor authorizes Agent to modify this Agreement by amending Schedules I and II (and will cooperate reasonably with Agent in effecting any such amendment) to include on Schedule I any Trademark and Trademark License and on Schedule II any Patent or Patent License of which it receives notice under this Section.

(h) Maintenance of the Trademark Collateral. Grantor agrees to take all necessary steps, including in the United States Patent and Trademark Office or in any court, to (i) maintain each trademark registration and each Trademark License identified on Schedule I hereto, and (ii) pursue each trademark application now or hereafter identified in Schedule I hereto, including the filing of responses to office actions issued by the United States Patent and Trademark Office, the filing of applications for renewal, the filing of affidavits under Sections 8 and 15 of the United States Trademark Act, and the participation in opposition, cancellation, infringement and misappropriation proceedings, except, in each case in which Grantor has reasonably determined that any of the foregoing is not of material economic value to it. Grantor agrees to take corresponding steps with respect to each new or acquired trademark registration, trademark application or any rights obtained under any Trademark License, in each case, which it is now or later becomes entitled, except in each case in which Grantor has reasonably determined that any of the foregoing is not of material economic value to it. Any expenses incurred in connection with such activities shall be borne by Grantor. In furtherance of Grantor's agreement to maintain the trademark registrations, Grantor agrees to maintain the quality of the products associated with the Trademark Collateral at a level consistent with the quality at the time of this Agreement, and upon the request of Agent, will provide Agent with quarterly certificates to that effect, executed by an officer of Grantor.

(i) Maintenance of the Patent Collateral. Grantor agrees to take all necessary steps, including in the United States Patent and Trademark Office or in any court, to (i) maintain each patent and each Patent License identified on Schedule II hereto, and (ii) pursue each patent application, now or hereafter identified in Schedule II hereto, including the filing of divisional, continuation, continuation-in-part and substitute applications, the filing of applications for reissue, renewal or extensions, the payment of maintenance fees, and the participation in interference, reexamination, opposition, infringement and misappropriation proceedings, except, in each case in which Grantor has reasonably determined that any of the foregoing is not of material economic value to it. Grantor agrees to take corresponding steps with respect to each new or acquired patent, patent application, or any rights obtained under any Patent License, in each case, which it is now or later becomes entitled, except in each

case in which Grantor has reasonably determined that any of the foregoing is not of material economic value to it. Any expenses incurred in connection with such activities shall be borne by Grantor.

(j) Grantor Shall Not Abandon any Collateral. Grantor shall not abandon any trademark registration, patent or any pending trademark or patent application, without the written consent of Agent, unless Grantor shall have previously determined that such use or the pursuit or maintenance of such trademark registration, patent or pending trademark or patent application is not of material economic value to it, in which case, Grantor will, at least annually, give notice of any such abandonment to Agent and Lenders in writing, in reasonable detail, at their respective addresses set forth in the Credit Agreement.

(k) Infringement of Any Collateral. In the event that Grantor becomes aware that any item of the Collateral which Grantor has reasonably determined to be material to its business is infringed or misappropriated by a third party, Grantor shall promptly notify Agent and Lenders promptly and in writing, in reasonable detail, at their respective addresses set forth in the Credit Agreement, and shall take such actions as Grantor or Agent deems reasonably appropriate under the circumstances to protect such Collateral, including suing for infringement or misappropriation and for an injunction against such infringement or misappropriation. Any expense incurred in connection with such activities shall be borne by Grantor. Grantor will advise Agent and Lenders promptly and in writing, in reasonable detail, at their respective addresses set forth in the Credit Agreement, of any adverse determination or the institution of any proceeding (including the institution of any proceeding in the United States Patent and Trademark Office or any court) regarding any item of the Collateral which has a Material Adverse Effect.

(l) Use of Statutory Notice. Grantor shall mark its products with the trademark registration symbol ®, the numbers of all appropriate patents, the common law trademark symbol J, or the designation "patent pending," as the case may be, to the extent that it is reasonably and commercially practicable.

(m) Limitation on Liens on Collateral. Grantor will not create, incur or permit to exist, will defend the Collateral against, and will take such other action as is reasonably necessary to remove, any Lien or material adverse claim on or to any of the Collateral, other than exclusive licenses granted in the Ordinary Course of Business and the Liens created by this Agreement and other than as permitted pursuant to the Credit Documents, and will defend the right, title and interest of Agent and Lenders in and to any of the Collateral against the claims and demands of all Persons whomsoever.

(n) Limitations on Dispositions of Collateral. Without the prior written consent of Agent, Grantor will not sell, assign, transfer, exchange or otherwise dispose of, or grant any option with respect to, the Collateral, or attempt, offer or contract to do so, except with respect to exclusive licenses in the Ordinary Course of Business or as permitted by this Agreement or the Credit Documents.

(o) Notices. Grantor will advise Agent and Lenders promptly, in reasonable detail, at their respective addresses set forth in the Credit Agreement, (i) of any Lien (other than Permitted Liens) on, or material adverse claim asserted against any of the Collateral and (ii) of the occurrence of any other event which could reasonably be expected in the aggregate

to have a Material Adverse Effect on the aggregate value of the Collateral or the Liens created hereunder.

6. Agent's Appointment as Attorney-in-Fact.

(a) Powers. Grantor hereby irrevocably constitutes and appoints Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of Grantor and in the name of Grantor or in its own name, from time to time in Agent's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, Grantor hereby gives Agent the power and right, on behalf of Grantor, without notice to or assent by Grantor, to do the following at any time when any Event of Default shall have occurred and be continuing, and to the extent permitted by Applicable Law:

(i) to execute and deliver any and all agreements, instruments, documents, and papers as Agent may reasonably request to evidence Agent's security interest in any of the Collateral;

(ii) in the name of Grantor or its own name, or otherwise, to take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any General Intangible constituting Collateral or with respect to any other Collateral and to file any claim or to take any other action or institute any proceeding in any court of law or equity or otherwise deemed appropriate by Agent for the purpose of collecting any and all such moneys due under any such General Intangible or with respect to any such other Collateral whenever payable;

(iii) to pay or discharge Liens placed on the Collateral, other than Permitted Liens; and

(iv) (A) to direct any party liable for any payment with respect to any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Agent or as Agent shall direct; (B) to ask for, or demand, collect, receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any of the Collateral; (C) to sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) to commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any thereof and to enforce any other right in respect of any Collateral; (E) to defend any suit, action or proceeding brought against Grantor with respect to any of the Collateral; (F) to settle, compromise or adjust any suit, action or proceeding described in clause (E) above and, in connection therewith, to give such discharges or releases as Agent may deem appropriate; (G) subject to any pre-existing rights or licenses, to assign any Patent or Trademark (along with the goodwill

of the business to which any such Patent or Trademark pertains), for such term or terms, on such conditions, and in such manner, as Agent shall in its sole discretion determine; and (H) generally, to sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Agent were the absolute owner thereof for all purposes, and to do, at Agent's option and Grantor's expense, at any time, or from time to time, all acts and things which Agent deems necessary to protect, preserve or realize upon the Collateral and Agent's Liens thereon and to effect the intent of this Agreement, all as fully and effectively as Grantor might do. Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable until payment in full of the Obligations (except for contingent Obligations of any Obligor under indemnifications that survive termination of the Commitments) and the termination of all the Commitments.

(b) Other Powers. Grantor also authorizes Agent, from time to time if an Event of Default shall have occurred and be continuing, to execute, in connection with any sale provided for in Section 10 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) No Duty on the Part of Agent or Lenders. The powers conferred on Agent and Lenders hereunder are solely to protect Agent's and Lenders' interests in the Collateral and shall not impose any duty upon Agent or any Lender to exercise any such powers. Agent and Lenders shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

7. Performance by Agent of Grantor's Obligations. If Grantor fails to perform or comply with any of its agreements contained herein and Agent, as provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, the reasonable expenses of Agent incurred in connection with such performance or compliance, together with interest thereon at the Default Rate shall be payable by Grantor to Agent on demand and shall constitute Obligations secured hereby.

8. Proceeds. It is agreed that if an Event of Default shall occur and be continuing, (a) all Proceeds of any Collateral received by Grantor consisting of cash, checks and other near-cash items shall be held by Grantor in trust for Agent and Lenders, segregated from other funds of Grantor, and at the request of Agent shall, forthwith upon receipt by Grantor, be turned over to Agent in the exact form received by Grantor (duly indorsed by Grantor to Agent, if required by Agent), and (b) any and all such Proceeds received by Agent (whether from Grantor or otherwise) may, in the sole discretion of Agent, be held by Agent, as collateral security for the Obligations (whether matured or unmatured), and then or at any time thereafter may be applied by Agent against, the Obligations then due and owing. Any balance of such Proceeds remaining after the payment in full of the Obligations (except for contingent Obligations of any Obligor under indemnifications that survive termination of the Commitments) and owing, the termination of the Commitments, shall be paid over to Grantor or to whomsoever may be lawfully entitled to receive the same.

9. **Events of Default.** It is understood and agreed that an event of default shall be deemed to have occurred under this Agreement, and Agent shall be entitled to take such actions as are elsewhere provided herein, in the event that an Event of Default under and (as defined in) the Credit Agreement or any of the other Credit Documents shall have occurred.

10. **Remedies.** If an Event of Default shall occur and be continuing, Agent may (and upon written instructions to do so from the Required Lenders, shall) exercise any and all rights and remedies of a secured party under the UCC, together with every right and remedy available to Agent under any other Applicable Law, and, to the extent permitted by Applicable Law, all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations. Without limiting the generality of the foregoing, Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances, to the extent permitted by Applicable Law, forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and may forthwith sell, lease, assign, give option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), whether on Grantor's premises or elsewhere, but subject to any pre-existing rights or licenses, in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of Agent or any Lender or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Agent or any Lender shall have the right, to the extent permitted by Applicable Law, upon any such sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Grantor, which right or equity is hereby waived or released. Grantor further agrees, at Agent's request, upon the occurrence and during the continuance of an Event of Default, to assemble the Collateral and make it available to Agent at places which Agent shall reasonably select, whether at Grantor's premises or elsewhere. Alternatively, Agent may peaceably by its own means or with judicial assistance enter Grantor's premises and take possession of the Collateral or dispose of the Collateral on Grantor's premises without resistance or interference by Grantor. In the event of any sale, assignment, or other disposition of any of the Collateral, the goodwill of the business connected with and symbolized by any Trademark Collateral subject to such disposition shall be included, and Grantor shall supply to Agent or its designee Grantor's know-how and expertise relating to the Collateral subject to such disposition, and Grantor's notebooks, studies, reports, records, documents and things embodying the same or relating to the inventions, processes or ideas covered by, and to the manufacture of any products under or in connection with, the Collateral subject to such disposition, and Grantor's customer's lists, studies and surveys and other records and documents relating to the distribution, marketing, advertising and sale of products relating to the Collateral subject to such disposition. Agent shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale, after deducting all reasonable costs and expenses of every kind incurred therein or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of Agent and Lenders hereunder, including reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations then due and owing, and only after such application and after the payment by Agent of any other amount required by any provision of Applicable Law, need Agent account for the surplus, if any, to Grantor. To the extent permitted by Applicable Law, Grantor waives all claims, damages and demands it may acquire against Agent or any Lender arising out of the repossession, retention or sale of the Collateral, other than any such claims, damages and demands that may arise from the gross negligence or willful misconduct of any of them. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be

deemed reasonable and proper if given at least 10 days before such sale or other disposition. Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient to pay the then outstanding Obligations, including the reasonable fees and disbursements of any attorneys employed by Agent or any Lender to collect such deficiency.

11. **Limitation on Duties Regarding Preservation of Collateral.** Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as Agent deals with similar property for its own account. Neither Agent nor any Lender, nor any of their respective directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of Grantor or any other Person.

12. **Waivers.** In addition to the other waivers contained herein and in any other Credit Document, Grantor hereby expressly waives, to the extent permitted by Applicable Law: demand, protest, notice of protest, notice of default or dishonor, notice of payments and nonpayments, or of any default, release, compromise, settlement, extension or renewal of all commercial paper, instruments or guaranties at any time held by Agent or any of Lenders on which Grantor may in any way be liable; notice or hearing in connection with, and the requirement to post a bond as a condition to, the issuance of an immediate writ of possession with respect to any of the Collateral; any requirement that Agent or any of Lenders protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Obligor or any other Person or any Collateral, including any rights any Obligor may otherwise have under the New York General Obligations Law; and notice of any action taken by Agent unless expressly required by this Agreement, any other Credit Document or by Applicable Law.

13. **Powers Coupled with an Interest.** All authorizations and agencies herein contained with respect to the Collateral are powers coupled with an interest and are irrevocable until payment in full of the Obligations (except for contingent Obligations of any Obligor under indemnifications that survive termination of the Commitments) and the termination of the Commitments.

14. **Severability.** Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

15. **Section Headings.** The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

16. **No Waiver; Cumulative Remedies.** Neither Agent nor any Lender shall by any act (except by a written instrument pursuant to Section 17 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Agent or any Lender, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other

right, power or privilege. A waiver by Agent or any Lender of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy which Agent or such Lender would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any rights or remedies provided by law.

17. Amendments in Writing; No Waiver; Cumulative Remedies; Successors and Assigns. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by Grantor and Agent. This Agreement shall be binding upon the successors and assigns of Grantor and shall inure to the benefit of Agent and Lenders and their respective successors and assigns, except that Grantor may not assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of Agent.

18. Notices. All notices, requests and demands to or upon the respective parties hereto shall be made in accordance with Section 15.9 of the Credit Agreement, and if to Grantor shall be sent to:

19. Authority of Agent. Grantor acknowledges that the rights and responsibilities of Agent under this Agreement with respect to any action taken by Agent or the exercise or non-exercise by Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as among Agent and Lenders, be governed by the Credit Documents and by such other agreements with respect thereto as may exist from time to time among them, but, as between Agent and Grantor, Agent shall be conclusively presumed to be acting as agent for Lenders with full and valid authority so to act or refrain from acting, and Grantor shall not be under any obligation to make any inquiry respecting such authority.

20. GOVERNING LAW. THE VALIDITY, CONSTRUCTION AND INTERPRETATION OF THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PRINCIPLES THEREOF, OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW); PROVIDED, HOWEVER, THAT IF ANY COLLATERAL SHALL BE LOCATED IN ANY JURISDICTION OTHER THAN NEW YORK, THE LAWS OF SUCH JURISDICTION SHALL GOVERN THE METHOD, MANNER AND PROCEDURE FOR FORECLOSURE OF AGENT'S LIEN UPON COLLATERAL AND THE ENFORCEMENT OF AGENT'S OTHER REMEDIES OF COLLATERAL TO THE EXTENT THAT THE LAWS OF SUCH JURISDICTION ARE DIFFERENT FROM OR INCONSISTENT WITH THE LAWS OF THE STATE OF NEW YORK. NOTWITHSTANDING THE FOREGOING PROVISION FOR THE NOTICE AND SALE OF COLLATERAL UNDER THE LAW OF THE SITUS, IT IS THE PARTIES' INTENTION THAT NEW YORK LAW CONTROLS THE OBLIGATIONS OF GRANTOR UNDER THE CREDIT DOCUMENTS AND THE ENFORCEMENT OF THE SAME.

21. Release of Collateral and Termination.

(a) At such time as the payment in full of the Obligations (except for contingent Obligations of any Obligor under indemnifications that survive termination of the Commitments) and the termination of all the Commitments shall have occurred, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of Agent and Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to Grantor. Upon request of Grantor following any such termination, Agent shall deliver (at the sole cost and expense of Grantor) to Grantor any Collateral held by Agent hereunder, and execute and deliver (at the sole cost and expense of Grantor) to Grantor such documents as Grantor shall reasonably request to evidence such termination.

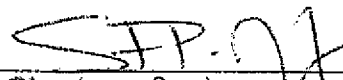

(b) If any of the Collateral shall be sold, transferred or otherwise disposed of by Grantor in a transaction permitted by the Credit Agreement, then Agent shall execute and deliver to Grantor (at the sole cost and expense of Grantor) all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral.

22. Incorporation of Provisions of Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement entered into between Grantor and Agent and dated the date hereof, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Nothing in this Agreement shall defer or impair the attachment or perfection of any security interest in any collateral covered by the Security Agreement that would attach or be perfected pursuant to the terms thereof without action by Grantor or any other Person.
