INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of February 19, 2008 (this "**Agreement**") by and between ADDITECH, INC. ("**Grantor**") and ETV CAPITAL S.A., as agent for the Lenders ("**Grantee**").

RECITALS

A. Grantee and Bridge Bank, National Association (individually each a "**Lender**" and collectively "**Lenders**") have agreed to make certain advances of money and to extend certain financial accommodations (the "**Loans**") to Grantor in the amounts and manner set forth in that certain Venture Loan and Security Agreement of even date herewith (as the same may be amended, modified or supplemented from time to time, the "**Loan Agreement**"; terms defined therein being used herein as therein defined) by and between Grantor, Grantee, in its capacity as Administrative Agent thereunder, and Lenders. Each Lender is willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to Grantee a security interest in certain Copyrights, Trademarks and Patents of Grantor (the "**Intellectual Property Collateral**") to secure the obligations of Grantor under the Loan Agreement.

B. Pursuant to the terms of the Loan Agreement, Grantor has granted to Grantee, for the ratable benefit of each Lender and Grantee, in its capacity as Administrative Agent thereunder, a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral, including without limitation the "Intellectual Property Collateral".

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of Grantor's obligations under the Loan Agreement, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure Grantor's obligations under the Loan Agreement, Grantor hereby grants and pledges to Grantee, for itself and as agent for the Lenders, a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions, continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Grantee, for itself and as agent for the Lenders, under the Loan Agreement. The rights and remedies of Grantee with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or

hereafter available to Grantee as a matter of law or equity. Each right, power and remedy of Grantee provided for herein or in the Loan Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Grantee of any one or more of the rights, powers or remedies provided for in this Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Grantee, of any or all other rights, powers or remedies.

Upon the indefeasible payment and performance in full of the Obligations and the Administrative Agent's Obligations in accordance with their terms, this Agreement shall terminate, and upon written notice given to the Grantee, the Grantee will, at Grantor's expense, execute and deliver to the Grantor all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and re-vest in the Grantor the entire right, title and interest to the Intellectual Property Collateral as fully as if this Agreement had not been made.

As used herein, the following terms shall have the following meanings:

"Copyrights" are all copyright rights, applications or registrations and like protections in each work or authorship or derivative work, whether published or not (whether or not it is a trade secret) now or later existing, created, acquired or held.

"Patents" are patents, patent applications and like protections, including improvements, divisions, continuations, renewals, reissues, extensions and continuations in part of the same.

"Trademarks" are trademark and service mark rights, registered or not, applications to register and registrations and like protections, and the entire goodwill of the business of Grantor connected with the trademarks.

[SIGNATURES APPEAR ON THE FOLLOWING PAGE]
