**TERMINATION AND RELEASE OF SECURITY INTEREST
IN INTELLECTUAL PROPERTY COLLATERAL**

TERMINATION AND RELEASE, dated as of January 4, 2008, from Wells Fargo Bank, N.A., as collateral agent (in such capacity, the "Collateral Agent") for the Secured Parties (as defined in the Collateral Agreement referred to below), to Del Laboratories, Inc., a Delaware corporation (the "Company"), and each of the other entities listed on Annex A hereto (collectively with the Company, the "Grantors"). Capitalized terms used herein without definition are used as defined in the Collateral Agreement, dated as of October 28, 2005, by the Company, certain of its Subsidiaries, in favor of the Collateral Agent (the "Collateral Agreement").

WITNESSETH:

WHEREAS, the Grantors and the Collateral Agent entered into the Collateral Agreement in connection with the issuance of USD \$185,000,000 aggregate principal amount of Senior Secured Floating Rate Notes by the Company pursuant to the terms of the Indenture, dated as of October 28, 2005, between the Grantors and Wells Fargo Bank, N.A., as trustee (the "Indenture").

WHEREAS, under the terms of the Collateral Agreement, the Grantors granted a security interest (the "Security Interest") to the Collateral Agent, for the ratable benefit of the Secured Parties, in and to certain Intellectual Property Collateral (as defined below);

WHEREAS, in connection with the execution of the Guarantee and Collateral Agreement and the grant of the Security Interest, the Grantors agreed to execute that certain Intellectual Property Security Agreement, dated as of October 28, 2005 (the "IP Security Agreement"), in favor of the Collateral Agent; and

WHEREAS, as of the date hereof, the Company discharges the Indenture and the Collateral Agent desires to terminate and release the entirety of its Security Interest in the Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration including the satisfaction of all obligations, indebtedness and liabilities secured by the Intellectual Property Collateral pursuant to the Indenture, the Collateral Agreement and the IP Security Agreement, the receipt and adequacy of which are hereby acknowledged, and upon the terms set forth in this Termination and Release, the Collateral Agent hereby agrees as follows:

SECTION 1. Intellectual Property Collateral. The term "Intellectual Property Collateral," as used herein, shall mean:

(a) (i) all United States trademarks, service marks, trade names, domain names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, and all registrations of and applications to register the foregoing (except for "intent-to-use" applications for trademark or service mark

registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed, to the extent that any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act) and any new renewals thereof, including each registration and application identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and dilutions thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements and dilutions thereof), and (iv) all other rights of any kind whatsoever accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the “Trademarks”);

(b) (i) all United States patents, patent applications and patentable inventions, including, without limitation, each issued patent and patent application identified on Schedule 1, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon and all other rights of any kind whatsoever accruing thereunder or pertaining thereto (collectively, the “Patents”);

(c) (i) all United States copyrights, whether or not the underlying works of authorship have been published, and all copyright registrations and copyright applications, and any renewals or extensions thereof, including each registration identified on Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever accruing thereunder or pertaining thereto (collectively, the “Copyrights”); and

(d) any and all proceeds of the foregoing.

SECTION 2. Release of Security Interest. The Collateral Agent hereby unconditionally, irrevocably and absolutely releases, terminates, and forever discharges its Security Interest in the Intellectual Property Collateral and any right, title or interest of the Collateral Agent in or to such Intellectual Property Collateral shall hereby cease and become void.

SECTION 3. Further Assurances. Each of the Grantors shall be, and hereby is, authorized to file such release, satisfaction and discharge documents necessary to effect a complete release of the Collateral Agent’s security interest in the Intellectual Property Collateral, and the Collateral Agent shall, where applicable, execute and deliver to the Grantors all further releases and other documents (including without limitation Uniform

Commercial Code termination statements) as may be reasonably requested and prepared from time to time by the Grantors and as are reasonably acceptable to the Collateral Agent as to form and substance, and take all other actions necessary or reasonably desirable for the release of such Security Interest.

SECTION 4. Recordation. The Collateral Agent authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Termination and Release.

SECTION 5. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Governing Law. This Termination and Release shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

IN WITNESS WHEREOF, the undersigned has executed this Termination and Release by its duly authorized officer as of the date first above written.
