As of the date hereof, no Person has made a written claim to the Company that the use of the Trademark Collateral or the subject matter described therein infringes the rights of any Person where such infringement could reasonably be expected to result in a Material Adverse Effect.

(e) Powers. The Company has the power and authority to pledge and to grant to the Collateral Agent, security interests in all right, title, and interest of the Company in and to the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. The Company covenants that so long as this agreement shall be in effect, the Company shall:

(a) Promptly upon the Company's knowledge thereof give the Collateral Agent written notice of the occurrence of any event that could reasonably be expected to have a material adverse effect on any of the Trademarks or the Trademark Collateral which is material to its business, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which the Company is a licensee;

(b) On a continuing basis, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places, all such instruments and documents, including appropriate financing and continuation statements and security agreements, and take all such action as may be necessary or advisable or may be requested by the Collateral Agent to

carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interests granted or purported to be granted hereby, to ensure the Company's compliance with this Agreement or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to the Trademark Collateral. Without limiting the generality of the foregoing sentence, the Company:

(i) hereby authorizes the Collateral Agent in its Permitted Discretion if the Company refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by the Collateral Agent, to modify this Agreement without first obtaining the Company's approval of or signature to such modification by amending Schedule A hereof to include a reference to any right, title or interest in any existing Trademark or any Trademark acquired or developed by the Company after the execution hereof, or to delete any reference to any right, title or interest in any Trademark in which the Company no longer has or claims any right, title or interest; and

(ii) hereby authorizes the Collateral Agent, in its Permitted Discretion, to file one or more financing or continuation statements, if the Company refuses to execute and deliver, or fails timely to execute and deliver, any such amendment thereto it is requested to execute and deliver by the Collateral Agent, in each case, relative to all or any portion of the Trademark Collateral, without the signature of the Company where permitted by law;

(c) Comply, in all material respects, with all applicable statutory and regulatory requirements in connection with any and all material Trademark Collateral and give such notice of Trademark, prosecute such material claims, and do all other acts and take all other measures which, in the Company's reasonable business judgment, may be necessary or desirable to preserve, protect and maintain such material Trademark Collateral and all of the Company's rights therein. Future Rights . For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until the Collateral Agent shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when the Company shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of this Agreement shall automatically apply thereto. the Company shall do all things deemed necessary or advisable by the Collateral Agent in the exercise of its discretion to ensure the validity, perfection, priority and enforceability of the security interests of the Collateral Agent in such future acquired Trademark Collateral. If the Company refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by the Collateral Agent in connection herewith, the Company hereby authorizes the Collateral Agent to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on the Company's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed. Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Events of Default. The occurrence of any "Event of Default" under the Purchase Agreement shall constitute an Event of Default hereunder.

8. Remedies. From and after the occurrence and during the continuation of an Event of Default, but subject to the terms of the Intercreditor Agreement, the Collateral Agent shall have all rights and remedies available to it under the Purchase Agreement and the other Note Documents and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. The Company hereby agrees that such rights and remedies include the right of the Collateral Agent as a secured party to sell or otherwise dispose of its Collateral after default, pursuant to the Code. The Company hereby agrees that the Collateral Agent shall at all times have such royalty-free licenses, to the extent permitted by law and the Note Documents, for any Trademark Collateral that is necessary to permit the exercise of any of the Collateral Agent's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of the Company in which the Collateral Agent has a security interest, including the Collateral Agent's rights to sell inventory, tooling or packaging which is acquired by the Company (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, but subject to the terms of the Intercreditor Agreement, the Collateral Agent shall have the right but shall in no way be obligated to bring suit, or to take such other action as the Collateral Agent, in the exercise of its discretion, deems necessary or advisable, in the name of the Company or the Collateral Agent, to enforce or protect any of the Trademark Collateral, in which event the Company shall, at the request of the Collateral Agent, do any and all lawful acts and execute any and all documents required by the Collateral Agent necessary to such enforcement. To the extent that the Collateral Agent shall elect not to bring suit to enforce such Trademark Collateral, the Company, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

9. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by the Company and the Collateral Agent and their respective successors and assigns.

10. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Purchase Agreement.

11. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, except to the extent that the validity or perfection of the security interests hereunder in respect of the Trademark Collateral are governed by federal law, in which case such choice of New York law shall not be deemed to deprive the Collateral Agent of such rights and remedies as may be available under federal law.

12. Entire Agreement; Amendment. This Agreement and the other Note Documents, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties to this Agreement. Notwithstanding the foregoing, the Collateral Agent may reexecute this

Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

13. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

14. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

15. Purchase Agreement. The Company acknowledges that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Purchase Agreement and the other Note Documents and all such rights and remedies are cumulative.

16. No Inconsistent Requirements. The Company acknowledges that this Agreement and the other Note Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and the Company agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms. Termination Upon the payment and performance in full in cash of the Secured Obligations, including the cash collateralization, expiration, or cancellation of all Secured Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Purchase Agreement, this Agreement shall terminate, and the Collateral Agent shall execute and deliver such documents and instruments and take such further action reasonably requested by the Company, at the Company's expense, as shall be necessary to evidence termination of the security interest granted by the Company to the Collateral Agent hereunder.

18. Duties of the Collateral Agent. Notwithstanding any provision contained in this Agreement, the Collateral Agent shall not have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to the Company or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by the Collateral Agent hereunder or in connection herewith, the Collateral Agent shall not have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement,  
as of the date first above written.
