EXHIBIT A

TRADEMARK MORTGAGE AGREEMENT

THIS AGREEMENT is entered into as of January 19, 1994, by and between PSIH CORPORATION., a California corporation ("Debtor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION ("Bank").

RECITALS

WHEREAS, Bank has extended or will hereafter extend credit to Debtor, and to secure its obligations to Bank, Debtor has executed various agreements, including without limitation, that certain Continuing Security Agreement (Rights to Payment and Inventory) dated January 19, 1994 covering among other items, various proprietary rights and trademarks (which security agreement, together with any and all amendments and modifications thereto from time to time entered into, and any security agreements at any time hereafter executed in replacement and/or in substitution thereof and/or in addition thereto, shall be referred to herein as the "Security Agreement"); and

WHEREAS, Debtor and Bank wish to further clarify and declare their respective rights and obligations with regard to certain collateral in an instrument to be recorded with the United States Patent and Trademark Office and elsewhere.

NOW, THEREFORE, for valuable consideration, receipt of which is hereby acknowledged, Debtor and Bank hereby agree as follows:

1. Security Interests. Pursuant to the Security Agreement and subject to and upon the additional terms, covenants and conditions hereof, Debtor hereby grants, assigns, mortgages and transfers to Bank a continuing security interest, subject to no other security interest, mortgage, lien, encumbrance or adverse claim, of any nature whatsoever, in and to Debtor's entire right, title and interest in and to the following (hereinafter individually and collectively called the "Property"):

(a) all trademarks, service marks, trade names, proprietary labels and logos in which Debtor now has or at any time hereafter acquires an interest, together with the goodwill of the business relating thereto; and

(b) the right to sue, in Bank's name or joined with Debtor, for past, present or future infringements of rights in any such trademarks, service marks, trade names, proprietary labels and logos.

The Property shall include without limitation: (i) all trademarks, service marks and trade names, proprietary labels and logos described in Exhibit A attached hereto, and (ii) all reissues and/or extensions of any of the Property. The trademark and other proprietary rights assigned to Bank as security

hereunder shall be held by Bank for the full term for which said rights are granted, and for the term or terms of each and every extension thereof, as fully as the same would have been held by Debtor if this Agreement had not been executed, subject to Bank's obligation to release Bank's security interest in the Property upon satisfaction in full of all obligations of Borrower to Bank secured thereby.

2. Obligations Secured. The security interest established by this Agreement secures payment of all indebtedness and performance of all obligations which may now or at any time hereafter be owed by Debtor to Bank, including without limitation, all obligations now existing or arising under or in connection with the Security Agreement, and/or in connection with any promissory note and/or loan agreement now or after any time hereafter executed by Debtor with Bank, including but not limited to that certain Credit Agreement between Debtor and Bank dated as of January 19, 1994, and all amendments, modifications and extensions thereto, and substitutions or replacements therefor which may from time to time be entered into between Debtor and Bank (the "Loan Agreement").

3. Perfection of Security Interest. Debtor hereby covenants and agrees to prepare, execute, acknowledge, deliver and record or file such instruments and documents and to do and perform all other acts and things which may be necessary or which Bank deems necessary or appropriate to perfect and vest in favor of Bank a valid security interest of first priority in the Property. Concurrently with the filing of any trademark application or the acquisition of any interest in or to any trademark hereafter, Debtor shall duly execute, acknowledge and record in the United States Patent and Trademark Office a Trademark Mortgage Agreement substantially in the form of this Agreement; provided that Exhibit A to each such Trademark Mortgage Agreement shall describe (with such particularity as may be required by said Patent and Trademark Office or other applicable governmental authorities or agencies from time to time) only the additional trademarks and applications which have not been previously recorded as subject to Bank's security interest. Notwithstanding, and in addition to, the foregoing, Debtor hereby authorizes Bank to modify this Agreement by amending Exhibit A from time to time to include any or all future trademarks in which Debtor now has or at any time hereafter acquires an interest.

4. Warranties. In addition to the representations and warranties made by Debtor in the Security Agreement, Debtor represents and warrants that:

(a) the Property listed on Exhibit A represents all of the trademarks, service marks, trade names, proprietary labels and logos and applications therefor, in which Debtor has any rights and in which Debtor has applied for any rights as of the date of this Agreement; and

TRADEMARK

REEL 139 FRAME 160

(b) the information set forth in Exhibit A hereto is entirely correct.

5. Covenants. Debtor hereby covenants and agrees to cooperate with Bank in whatever manner may be necessary or which Bank may deem necessary or appropriate so that Bank may enjoy its rights and interests hereunder to the fullest extent. Such cooperation shall include without limitation:

(a) prompt preparation and execution (at Debtor's expense) of all petitions, oaths, specifications, declarations or other papers that may be necessary or which Bank may deem necessary or appropriate for prosecuting any trademark or other Property applications or applications for the reissuance of any trademark or other Property in which Bank acquires a security interest hereunder and for prosecuting interference proceedings involving any such Property applications pertaining to any such Property; and

(b) prompt assistance and cooperation (at Debtor's expense) in the prosecuting of any legal actions or other proceedings involving any Property or application pertaining to any Property in which Bank acquires a security interest hereunder, including without limitation, oppositions, cancellation proceedings, priority contests, public use proceedings and court actions alleging infringement or any other cause of action.

6. Defense of Property; Indemnity. Debtor hereby covenants and agrees promptly upon request of Bank to defend the Property and Bank's rights and interests therein and to promptly notify Bank of any event, occurrence or legal action which affects the Property or the rights of the parties in relation thereto. Debtor acknowledges that Bank may, but shall have no obligation whatsoever to, commence any legal action or other proceeding to defend the Property or to contest the use by any other party of the Property or any portion thereof. Debtor shall unconditionally indemnify Bank and hold Bank harmless from and against all claims, causes of action, damages, liability, costs and expenses, including reasonable attorneys' fees, that Bank may be subject to in connection with this Agreement except those arising out of the gross negligence or willful misconduct of Bank, including without limitation, Property infringement suits that may be brought against Bank.

7. Defaults. Upon the failure of Debtor to pay when due any sums owing to Bank or upon occurrence of any Event of Default as defined in the Security Agreement, the Loan Agreement and/or any contract or instrument pursuant to which Debtor may at any time hereafter incur any liabilities, indebtedness or other obligations to Bank, subject to applicable cure provisions, if any, Bank shall have the rights and remedies available to a secured party under law and/or expressly provided in the Security Agreement, the Loan Agreement and/or any such other contract or

instrument. In addition, Bank shall have the right to sue for past infringement of the Property and to collect all damages and profits for past infringements.

8. Relation to Security Agreement. This Agreement is a supplement to the Security Agreement, and Bank's rights and remedies, and Debtor's obligations and waivers, under the Security Agreement, and the interpretive principles stated in the Security Agreement shall be applicable hereunder; provided however, that this Agreement and the Security Agreement shall be construed together so as to grant Bank the greatest rights and remedies with regard to the Property; and provided further, that Bank's rights and remedies hereunder may be expressly modified by amendments to the Security Agreement from time to time.

9. Successors; Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, heirs, successors and assigns; provided however, that Debtor may not assign this Agreement or any interest herein without the prior written consent of Bank.

10. Enforceability. If any provision of this Agreement shall for any reason be unenforceable in any respect, such enforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such unenforceable provisions had not been contained herein.

11. Governing Law. Except to the extent that Federal law preempts, this Agreement shall be governed by and construed in accordance with the laws of the State of California.

IN WITNESS WHEREOF, Debtor and Bank hereby execute and acknowledge this Agreement as of the day and year first above written.
