TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of June 25, 2008, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of Barclays Bank PLC ("Barclays"), as Collateral Agent (in such capacity, the "Collateral Agent") for the Lenders (as defined in the Credit Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of June 25, 2008 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Learning Care Group (US) No. 2 Inc., a Delaware corporation (the "Borrower"), Learning Care Group (US) Inc., a Delaware corporation ("Holdings"), the Lenders, Barclays Capital, as lead arranger and sole book runner, Wells Fargo Bank N.A., as syndication agent, Siemens Financial Services, as documentation agent, and Barclays Bank PLC, as administrative agent, Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor (other than the Borrower) has agreed, pursuant to a Guarantee and Collateral Agreement dated as of June 25, 2008 in favor of the Collateral Agent (the "Guarantee and Collateral Agreement"), to guarantee the Obligations (as defined in the Guarantee and Collateral Agreement) of the Borrower; and

WHEREAS, all of the Grantors are party to the Guarantee and Collateral Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the promises and to induce the Lenders and the Collateral Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Collateral Agent, for the ratable benefit of the Agents and the Lenders, as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guarantee and Collateral Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby grants to the Collateral Agent, for the ratable benefit of the Agents and Lenders and any affiliates of any Lender to which the Hedge Agreement Obligations are owing, a security interest in, all of the following property now owned or at any time hereafter acquired or created by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title and interest (the "Trademark Collateral"):

(a) (i) all trademarks, trade names, trade dress, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, logos and other source or business identifiers, and all goodwill associated therewith now existing or hereafter adopted, whether or not registered, all registrations thereof, and all applications,

extensions or renewals therefor, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, including, without limitation, any of the foregoing referred to in Schedule 1 hereto, and (ii) the right to obtain all renewals thereof (the "Trademarks"); and

(b) all rights to sue at law or in equity or otherwise recover for any infringement or other impairment of such Trademarks, including the right to receive all proceeds and damages therefrom, including, without limitation license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect thereto; provided

(c) the Trademark Collateral shall not include any "intent-to-use" trademark or service mark application filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. §1051, prior to the filing and acceptance under Section 1(c) or 1(d) of the Lanham Act of a "Statement of Use" or an "Amendment to Allege Use" with respect thereto, to the extent, if any, and solely during the period, if any, in which the grant of a security interest therein would impair the validity or enforceability of any registration that might issue from such intent-to-use application under applicable federal law.

Section 3. Guarantee and Collateral Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted pursuant to the Guarantee and Collateral Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, but subject to the terms of the Guarantee and Collateral Agreement, such Grantor shall retain full and complete responsibility for the prosecution, defense, enforcement or any other similar actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

LEARNING CARE GROUP (US) INC.,
