Notice of Grant of Security Interest in Trademarks

NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (the "Notice"), dated as of July 31, 2008, pursuant to the Security Agreement (as defined hereafter), made by MSLO Emeril Acquisition Sub LLC (the "Grantor") in favor of Bank of America, N.A., in its capacity as collateral agent (in such capacity, together with any successor collateral agent, the "Collateral Agent") pursuant to the Security Agreement.

WHEREAS, Grantor owns the trademarks and service marks set forth on Schedule 1 attached hereto, including the associated registrations and applications for registration set forth in Schedule 1 attached hereto (collectively, the "Trademarks");

WHEREAS, Grantor is party to a Security Agreement dated as of July 31, 2008 (as amended, amended and restated or otherwise modified from time to time, the "Security Agreement") in favor of the Collateral Agent pursuant to which the Grantor is required to execute and deliver this Notice;

WHEREAS, pursuant to the Security Agreement, Grantor assigned, pledged and granted to the Collateral Agent, for the benefit of the Secured Parties (as defined in the Security Agreement), a security interest in, and lien on, certain intellectual property owned or hereafter acquired by the Grantor, including the Trademarks and the goodwill of the business symbolized by the Trademarks and all products and proceeds of the foregoing (collectively, the "Trademark Collateral"); and

WHEREAS, pursuant to the Security Agreement, Grantor agreed to execute and deliver to the Collateral Agent this Notice for purposes of filing the same with the United States Patent and Trademark Office (the "PTO") to confirm, evidence and perfect the security interest in the Trademark Collateral granted pursuant to the Security Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and subject to the terms and conditions of the Security Agreement, Grantor hereby assigns, pledges and grants to the Collateral Agent a security interest in, and lien on, the Trademark Collateral, to the extent now owned or hereafter acquired (but excluding any United States intent-to-use trademark application prior to the filing and acceptance of a statement of use or an amendment to allege use in connection therewith to the extent that a valid security interest may not be taken on such an intent-to-use trademark application under applicable law).

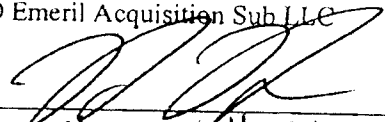

Grantor hereby acknowledges the sufficiency and completeness of this Notice to create the security interest in the Trademark Collateral and to grant the same to the Collateral Agent, and Grantor hereby requests the PTO to file and record the same together with the annexed Schedule 1.

Grantor and the Collateral Agent hereby acknowledge and agree that the security interest in the Trademark Collateral may only be terminated in accordance with the terms of the Security Agreement.

IN WITNESS WHEREOF, the undersigned has caused this Notice to be duly executed and delivered as of the date first above written.
