Re: Recordation of Assignment – KO-NUT RN 69456

To the Trademark Assignment Division:

We write, on behalf of Ventura Foods, LLC, the current owner of the above listed registration, to request that the following assignment be recorded against RN 69,456 for the mark KO-NUT.

Conveying party	Receiving party	Nature of conveyance	Date of conveyance	Reel/Frame
Baltimore Spice, Inc.	Chase Commercial Corporation	Assignment	12/05/1988	0632 / 0142 (filed 12/12/1988)

This Assignment was previously filed with the U.S. Patent and Trademark Office for recordation against KO-NUT (RN 69,456). (See Reel / Frame 0632 / 0142, filed December 12, 1988). However, due to a typographical error, the KO-NUT registration number was improperly identified on the Assignment schedule as “RN 691,436” rather than RN 69,456. Due to this typographical error, the Baltimore Spice to Chase Commercial Assignment was not recorded against the KO-NUT registration (RN 69,456).

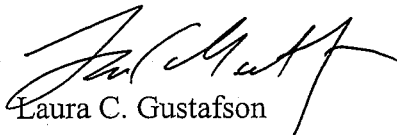

The Assignment clearly intended to reference the KO-NUT registration, as is evidenced by the schedule, which clearly and accurately identifies the mark, KO-NUT, and the proper registration date - 6/16/1908. The original assignor, Baltimore Spice, and assignee, Chase Commercial Corporation, are unavailable to correct to the assignment. However, Ventura Foods, LLC, the current, uncontested owner of the

KO-NUT registration, affirms that the this assignment should be recorded against KO-NUT RN 69, 456.

Accordingly, in order to perfect the chain of title and ensure that all relevant assignments are properly recorded against the KO-NUT registration (RN 69,456), Ventura Foods seeks recordation of this Assignment against this registration.

Sincerely,

Laura C. Gustafson
