TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of this 30th day of September, 2008 by PC CATERING, LLC, an Indiana limited liability company (the "Grantor"), in favor of RBS CITIZENS, N.A., a national banking association (the "Bank").

RECITALS

A. The Grantor, certain of its affiliates and the Bank have entered into a Loan and Security Agreement dated as of the date hereof (the "**Loan Agreement**") and other related loan documents of even date herewith (collectively, with the Loan Agreement, the "**Loan Agreements**"), pursuant to which such the Bank has agreed to make loans to, and issue or participate in letters of credit for the account of, Grantor and/or its affiliates.

B. Pursuant to the Loan Agreement, the Grantor is required to execute and deliver this Agreement.

C. Pursuant to the terms of the Loan Agreement, Grantor has granted to the Bank a security interest in substantially all the assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of all amounts owing by the Grantor and its affiliates under the Loan Agreements.

In consideration of the mutual agreements set forth herein and in the Loan Agreement, the Grantor does hereby grant to the Bank a continuing security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof and all goodwill associated therewith;
- (2) each trademark license, including, without limitation, each trademark license listed on Schedule 1 annexed hereto, together with all goodwill associated therewith; and
- (3) all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement of any trademark, including, without limitation, any trademark referred to in Schedule 1 annexed hereto, any trademark issued pursuant to a trademark application referred to in Schedule 1 and any trademark licensed under any trademark license listed on Schedule 1 annexed hereto (items 1 through 3 being herein collectively referred to as the "Trademark Collateral").

This security interest is granted in conjunction with the security interests granted to the Bank pursuant to the Loan Agreement and subject to limitations set forth therein. The Grantor hereby acknowledges and affirms that the rights and remedies of the Bank with respect to the security interest in the Trademark Collateral and the Patent Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. Capitalized terms used but not defined herein have the respective meanings ascribed thereto in the Loan Agreement.

[signature page follows]

(Signature Page to Trademark Security Agreement)

The Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer thereunto as of the date first set forth above.
