I, a Cayman company limited by shares, Seller has agreed to sell, convey, assign and transfer (either directly or through one or more of its Affiliates) to Buyer, or an Affiliate of Buyer designated by Buyer, and Buyer has agreed to purchase, acquire and accept (either directly or through one or more of its Affiliates) from Seller, certain trademarks, service marks, trade dress, logos, together with the goodwill associated with any of the foregoing, and all applications, registrations and renewals therefor, used, or held for use, exclusively in connection with the Business (other than those that are Excluded Assets) and those listed on Schedule A annexed hereto, in each case owned or held by Assignor (hereinafter referred to as the “Trademarks”). Each capitalized term used and not defined in this Trademark Assignment shall have the meaning assigned to it in the Asset Purchase Agreement;

**WHEREAS**, pursuant to the Asset Purchase Agreement, Buyer (or an Affiliate of Buyer) has or will purchase certain assets related to the Business and to which the Trademarks pertain; and

**WHEREAS**, in accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor’s worldwide right, title and interest in, to and under such Trademarks.

**NOW, THEREFORE**, Assignor, for good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor’s worldwide right, title and interest in, to and under the Trademarks, and all the rights appurtenant thereto, together with the goodwill associated therewith and which is symbolized thereby, all common law rights, all rights to sue for any past, present or future infringement or unauthorized use of any Trademarks and to recover all damages therefrom for its own use and behalf and for the use and behalf of its successors and assigns or other legal representatives, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Trademark Assignment not been made.

For a period of up to 18 months after the Principal Closing Date, Assignor agrees to provide reasonable assistance to Assignee in connection with the execution of documents and provision of information necessary for Assignee to draft and record required assignment documents pertaining to the Trademarks at Assignee’s own cost and discretion. After such period Assignor shall have no further obligation hereunder.

Except to the extent that U.S. federal law preempts state law with respect to the matters covered hereby, this Trademark Assignment shall be governed by and construed in accordance with the laws of the State of New York without giving effect to the principles of conflicts of laws thereof.
