3. Agent's Waivers. Agent shall have no obligation or responsibility to protect or defend the General Intangibles or the right to use thereof, and the Grantor shall, at its own expense, take such actions as may be necessary to protect, defend and maintain the same. The Grantor shall forthwith advise Agent in writing of material infringements or unauthorized uses of the General Intangibles detected by the Grantor. Upon the occurrence and continuation of an Event of Default that is continuing, or if the Grantor fails to comply with the foregoing, Agent may but shall not be required to take reasonable action deemed appropriate by it to protect, defend and maintain the General Intangibles. Any such actions may be taken by Agent in the Grantor's name to the extent permitted by law, and the Grantor hereby agrees, upon demand, to reimburse Agent for costs and expenses incurred in taking any such action.

4. Subsequently Acquired General Intangibles. If, before the Obligations are paid and satisfied in full, the Grantor acquires, develops or otherwise obtains rights to any General Intangibles of the types described in Section 1 hereof, the provisions of this Agreement shall automatically apply thereto and the Grantor shall give Agent prompt notice thereof in writing. The Grantor authorizes Agent to modify this Agreement by amending any applicable Schedule to include any subsequently acquired or developed General Intangibles.

5. Subsequent Assurances. The Grantor further agrees and covenants that it will, at its own expense, execute all papers and perform such other acts as may be reasonably necessary to give Agent the full benefit of this Agreement.

6. Representations, Warranties and Covenants. The Grantor hereby represents, warrants and covenants as follows:

(a) The patents, copyrights, trademark, trade names and service marks, and applications therefor, set forth in the Schedules hereto constitute all of the patents, copyrights, trademarks, trade names and service marks, and applications therefor, owned by the Grantor on the date hereof.

(b) Except for the security interest granted Agent hereby, the Grantor is and will continue to be the owner of all of the General Intangibles free and clear of any adverse claim, security interest, license or encumbrance of any person other than Agent and Permitted Liens (as defined in the Credit Agreement).

(c) The Grantor has the full right and power to execute this Agreement and grant the mortgage, pledge and security interests in its General Intangibles made hereby.

(d) Except as set forth on the attached Schedules, the Grantor has made no currently or prospectively effective assignment, transfer, license or agreement in

conflict herewith or constituting a present or prospective assignment or transfer of or encumbrance on any of the General Intangibles.

(e) Except financing statements filed or to be filed in respect to the security interest under this Agreement and other financing statements in favor of Agent or those financing statements filed with respect to Permitted Liens, there is no financing statement or other document or instrument now signed or on file in any public office covering any part of the General Intangibles, and so long as any of the Obligations remain outstanding, and all financial arrangements between or the Grantor and Agent or any other Benefited Party shall not have been terminated, the Grantor will not execute, and there will not be on file in any public office, any such financing statement or other document or instruments.

(f) All information furnished to Agent concerning the General Intangibles and proceeds thereof, or otherwise for the purpose of obtaining credit or an extension of credit, is or will be at the time the same is furnished, accurate and correct in all material respects.

(g) To the extent any of the General Intangibles constitutes, incorporates or is used in connection with any software programs or computer based applications, Grantor agrees to deliver to Agent a copy (on diskette or other tangible medium satisfactory to Agent) of the source code for such software and/or computer applications, other than software or computer applications of general application for which Grantor does not have the source code, upon request and at no charge to Agent.

7. Prosecution of General Intangibles. Until this Agreement terminates as provided in Section 1 hereof, the Grantor shall diligently file and prosecute any continuations, continuations-in-part, applications for reissue, applications for certificate of correction, affidavits of use, proofs of use, renewals and like matters, as are in the Grantor's best business interests, and the Grantor shall bear the entire cost of all such filings and proceedings. The Grantor agrees to retain a licensed patent attorney or an experienced copyright and trademark attorney, as appropriate, for the filing and prosecution of all such applications and other proceedings.

8. Payments of Fees. Except in connection with an abandonment or forfeiture permitted by Section 9 hereof, the Grantor agrees to pay when due all fees, including license fees, taxes and other expenses which shall be incurred or which shall accrue with respect to any of the patents or patent applications, trademark registrations, trade name registrations, or trademark applications, service mark registrations and service mark applications, trade names, copyright registrations, copyright applications and know-how within the General Intangibles.

9. No Abandonment or Forfeiture. Except where (i) abandonment or forfeiture would be in the best business interests of the Grantor, or (ii) Agent has consented thereto in writing (which consent shall not unreasonably be withheld), the Grantor shall not allow any trademark, trade name, service mark, or any application for trademark, trade name or service mark included within the General Intangibles to become abandoned, forfeited or dedicated to the public without the express written approval of Agent. If any pending or hereafter filed trademark, trade name, service mark or application for registration thereof, including renewal applications, has been finally rejected by the United States Patent and Trademark Office or any foreign patent or trademark office, the Grantor may abandon the same after sixty (60) days prior written notice to Agent, which may thereafter at its own expense pursue administrative or judicial appeals. The Grantor shall cooperate in any such appeal.

10. Agent's Right to Preserve Collateral. Agent may, at its option, after the occurrence of an Event of Default that is continuing, but without obligation to do so, discharge taxes, liens, or security interests or other encumbrances at any time levied or placed upon those General Intangibles which are comprised of patents, trademarks, trade names or service marks, or registrations thereof owned or used by the Grantor (the "Relevant General Intangibles"), or pay for maintenance or otherwise preserve the Relevant General Intangibles, or pay any other reasonable fees, reasonable attorneys' fees or other expenses necessary to preserve and protect the rights conveyed, mortgaged and secured by the security interests hereby granted with respect to the Relevant General Intangibles. The Grantor hereby agrees, upon demand, to reimburse Agent for all payments made by it under this Section 10.

11. Stand-By License. The Grantor hereby grants to Agent an irrevocable perpetual and royalty-free license, effective upon the occurrence of an Event of Default that is continuing, to use or grant licenses relating to the General Intangibles, in Agent's reasonable discretion, for any of the following purposes: operating the Grantor's business, completing any work in progress of the Grantor, using or processing any inventory of the Grantor, repairing any goods manufactured by the Grantor, selling or marketing any goods of the Grantor or any goods manufactured from inventory or work in Progress of the Grantor, and any other purpose reasonably related to Agent's interests in the General Intangibles for the realization of the value thereof. The irrevocable license granted by this Section 11 shall be effective from the date hereof until all of the Obligations have been paid in full, the Lenders' commitments to lend shall have been terminated, all Permitted Swap Agreements and Letters of Credit shall have been terminated or expired and all other financial arrangements between the Grantor and Agent and/or any other Benefited Party shall have been terminated.

12. Control and Management. Agent shall permit the Grantor to control and manage the General Intangibles in the operation of its business including rights of

manufacture, use and sale granted by said General Intangibles, to enforce rights under the General Intangibles, and to receive and use the income, revenue and profits arising from said General Intangibles and the proceeds thereof in the same manner and with the same effect as if this Agreement had not been made so long as the Grantor has paid and satisfied when due the Obligations secured by this Agreement, no Event of Default has occurred and is continuing and Agent has not notified the Grantor that Agent intends to control and manage the General Intangibles, enforce rights under the General Intangibles, and to receive and use the income, revenue and profits arising from said General Intangibles and the proceeds thereof. The present grant to Agent of a lien, security interest and mortgage notwithstanding, the parties acknowledge that the Grantor is and shall remain the owner of the General Intangibles with full power to grant licenses, but any such license shall be approved by Agent in writing and be and remain subject to the terms and conditions hereof and the superior rights of Agent.

13. Marshalling, Etc. Agent shall not be required to make any demand upon or pursue or exhaust any of its rights or remedies against the Grantor or others with respect to the payment of the Obligations, and shall not be required to marshal the General Intangibles or any other collateral granted as security for the Obligations or to resort to the General Intangibles on any other collateral granted as security for the Obligations in any particular order and all of the rights of the Agent hereunder shall be cumulative. To the extent that it lawfully may, the Grantor hereby waives and relinquishes the benefit and advantage of, and does hereby covenant not to assert against Agent, any valuation, stay, appraisal, extension or redemption laws now existing or which may hereafter exist which, but for this provision, might be applicable to any sale made under the judgment, order or decree of any court, or privately under the power of sale conferred by this Agreement or in respect of the General Intangibles. To the extent it lawfully may, without limiting the generality of the foregoing, the Grantor hereby agrees that it will not invoke or utilize any law which might cause delay in, or impede, the enforcement of Agent's rights under this Agreement, and hereby waives the same.

14. Application of Proceeds. The proceeds of all sales and collections hereunder, the application of which is not otherwise herein provided for, shall be applied as follows:

First, to the payment of the reasonable costs and expenses of such collection, sale or other realization, and all expenses, and advances made or incurred by Agent in connection therewith;

Second, to the payment in full of the Obligations in the manner set forth in the Credit Agreement; and

Third, to the payment to the Grantor, or its successors or assigns, or as a court of competent jurisdiction may direct, of any surplus then remaining from such proceeds which relate to the General Intangibles.

As used in this Section 14, "proceeds" shall mean cash, securities and other property realized in respect of, and distributions in kind of, General Intangibles, including any thereof received under any reorganization, liquidation or adjustment of debt of the Grantor.

15. Course of Dealing. No course of dealing between the Grantor and Agent shall operate as a waiver of any rights under this Agreement or in respect of the General Intangibles or the Obligations. No delay or omission on the part of Agent in exercising any right under this Agreement in respect of the General Intangibles or any Obligations shall operate as a waiver of such right or any other right hereunder. A waiver on any one occasion shall not be construed as a bar to waiver of any right and/or remedy on any future occasion. No waiver, amendment to, or other modification of this Agreement shall be effective unless it is in writing and signed by Agent.

16. Discharge. If the Borrowers shall absolutely, completely and irrevocably pay in full and satisfy the Obligations, the Lenders' commitments to lend shall have been terminated, all Permitted Swap Agreements and Letters of Credit shall have been terminated or expired and if all other financial arrangements between or among the Borrowers and the Benefited Parties shall have been terminated, then this Agreement and the rights hereby granted shall cease and be void, and at the request of the Grantor, and at the Borrowers' expense, Agent shall release and discharge all of the General Intangibles without recourse against Agent and, to that end, shall execute and deliver to the Grantor, at the Borrowers' expense, such releases, reassignments, and other documents (or cause the same to be done) as the Grantor shall reasonably request, and Agent shall pay over to the Grantor any money and deliver to it any other property then held by it as General Intangibles (or cause the same to be done). The receipt of the Grantor of the General Intangibles so delivered shall be a complete and full acquittance therefor, and Agent shall thereafter be discharged from any liability or responsibility therefor.

17. Choice of Law and Forum/Beneficiaries. THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS AGREEMENT SHALL BE GOVERNED BY THE INTERNAL LAWS OF THE STATE OF WISCONSIN (IRRESPECTIVE OF SUCH STATE'S RULES ON CONFLICTS OF LAWS) EXCEPT TO THE EXTENT EXPRESSLY SUPERSEDED BY FEDERAL LAWS. GRANTOR AND AGENT CONSENT TO THE PERSONAL JURISDICTION OF ANY STATE OR FEDERAL COURT IN MILWAUKEE COUNTY, WISCONSIN, REGARDING ANY CLAIMS ARISING, DIRECTLY OR INDIRECTLY, UNDER THIS AGREEMENT, AND WAIVE ANY OBJECTION BASED ON FORUM NON CONVENIENS AND TRIAL BY JURY. THIS AGREEMENT SHALL BE BINDING UPON THE

REINHART\2571225_3LFS:LFS 12/23/08

GRANTOR, AND ITS SUCCESSORS AND ASSIGNS; AND SHALL INURE TO THE BENEFIT OF AGENT, AND ITS SUCCESSORS AND ASSIGNS.

18. Miscellaneous. (a) This Agreement shall be deemed to have been made in the State of Wisconsin. The headings in this instrument are for convenience of reference only and shall not limit or otherwise affect the meaning of any provision hereof.

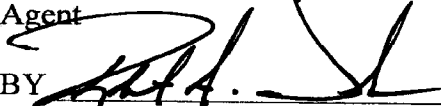

(b) All communications or notices required or permitted by this Agreement shall be in writing and shall be deemed to have been given or made when delivered in hand, or when deposited in the mail. Communications or notices shall be delivered personally or by certified or registered mail, postage prepaid, and addressed as follows, unless and until either of such parties notifies the other in accordance with this section of a change of address, to the parties and at the addresses set forth in the Credit Agreement.

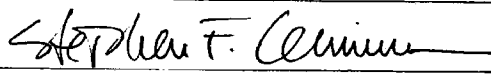

(c) In the event that any provision hereof shall be deemed to be invalid by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall be construed as not containing such provision, but only as to such locations where such law or interpretation is operative, and the invalidity of such provision shall not affect the validity of any remaining provision hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.
