This Amendment to Patent, Trademark and License Security Agreement made as of this ^{29th} day of May, 2009 by and between BAXA CORPORATION, a Colorado corporation ("Borrower") and U.S. BANK NATIONAL ASSOCIATION, a national banking association ("Secured Party").

WITNESSETH:

WHEREAS, Borrower has requested and Secured Party has agreed to amend and restate the Loan Agreement dated as of June 23, 2006 made by and between Borrower and Secured Party with a new Loan Agreement dated of even date herewith (as so restated, and as amended or further restated hereafter from time to time, the "Loan Agreement") to increase the amount of the Loans thereunder and to make the other revisions as more fully set forth therein; and

WHEREAS, in connection with such amendments, Borrower shall also execute and deliver to Secured Party an amended and restated Revolving Credit Note as more fully described in the amended and restated Loan Agreement; and

WHEREAS, in consideration of such amendments, Borrower has agreed to amend its existing Patent, Trademark and License Security Agreement dated as of June 23, 2006 made by Borrower in favor of and for the benefit of Secured Party (the "Patent, Trademark and License Security Agreement"), which amendments to the Patent, Trademark and License Security Agreement shall be on the terms and conditions hereinafter set forth;

NOW, THEREFORE, in consideration of the above stated premises and for other valuable considerations, the receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

1. All references in the Patent, Trademark and License Security Agreement to the "Loan Agreement" and any other references of similar import shall henceforth mean the Loan Agreement, as amended and restated on the date hereof, and as the same may from time to time be further amended, modified, extended, renewed or restated. All capitalized terms used and not otherwise defined in the Patent, Trademark and License Security Agreement shall have the respective meanings ascribed to them in the Loan Agreement, as amended and restated on the date hereof, and as the same may from time to time be further amended, modified, extended, renewed or restated.

2. Schedules A and B to the Patent, Trademark and License Security Agreement are hereby respectively amended and restated in the forms of Schedules A and B attached to this Amendment to Patent, Trademark and License Security Agreement. Borrower hereby grants Secured Party a security interest in and lien on all of Borrower's right, title and interest in, to and under the Patents and in the applications for Patents listed in Schedules A and B attached hereto to the same extent of the grant of the security interest and lien in all Patents and applications for Patents as defined in and described in paragraph 1(a) of the Patent, Trademark and License Security Agreement.

3. described in paragraph 1(b) of the Patent, Trademark and License Security Agreement and in all goodwill relating thereto.

4. Schedule E to the Patent, Trademark and License Security Agreement is hereby amended and restated in the form of Schedule E attached to this Amendment to Patent, Trademark and License Security Agreement. Borrower hereby grants Secured Party a security interest in and lien on all of Borrower's right, title and interest in, to and under the Licenses listed in Schedule E attached hereto to the same extent of the grant of the security interest and lien in all Licenses as defined in and described in paragraph 1(c) of the Patent, Trademark and License Security Agreement.

5. The Patent, Trademark and License Security Agreement, as hereby amended, shall continue to secure the Secured Obligations (as defined therein and as amended herein), including, without limitation all of Borrower's Obligations as defined in the Loan Agreement, as amended and restated on the date hereof. Upon the occurrence of an Event of Default, as defined in the Loan Agreement, Secured Party shall be entitled to and may exercise all rights and remedies under the Patent, Trademark and License Security Agreement and as otherwise provided by law, including without limitation, acceleration of all principal and interest outstanding under any of the Secured Obligations and foreclosure of the Collateral described therein.

6. Borrower hereby irrevocably authorizes Secured Party at any time and from time to time to file in any Uniform Commercial Code jurisdiction initial financing statements and/or any amendments thereto which (i) indicate the Collateral (A) as "all assets", "all personal property" or "all personal property and fixtures" of Borrower or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the Uniform Commercial Code of the State of Colorado (the "Colorado UCC") or such other jurisdiction or (B) as being of an equal or lesser scope or with greater detail and (ii) contain any other information required by part 5 of Article 9 of the Uniform Commercial Code of the applicable jurisdiction for the sufficiency or filing office acceptance of any financing statement or amendment. Borrower also ratifies its authorization for Secured Party to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date of this Agreement.

7. Borrower hereby represents and warrants to Secured Party that:

(a) the execution, delivery and performance by Borrower of this Amendment to Patent, Trademark and License Security Agreement are within the corporate powers of Borrower, have been duly authorized by all necessary corporate action and require no action by or in respect of, filing with or consent of any governmental or regulatory body, instrumentality, authority, agency or official or any other person or entity. The execution, delivery and performance by Borrower of this Amendment to Patent, Trademark and License Security Agreement do not conflict with, or result in a breach of the terms, conditions or provisions of, or constitute a default under or result in any violation of, and Borrower is not now in default under or in violation of, the terms of the Articles of Incorporation or Bylaws of Borrower, as amended, any applicable law, rule, regulation, order, writ, judgment or decree of any court or governmental or regulatory body, instrumentality, authority, agency or official or any agreement, document or instrument to which Borrower is a party or by which Borrower or any of its property or assets is bound or to which Borrower or any of its property or assets is subject;

(b) this Amendment to Patent, Trademark and License Security Agreement has been duly executed and delivered by Borrower and constitutes the legal, valid and binding obligation of Borrower enforceable in accordance with its terms; and
