2. GRANT OF SECURITY INTEREST.

2.1. Security Interest; Assignment of Marks. As collateral security for the payment and performance in full of all of the Obligations, each Assignor hereby unconditionally grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in and first priority lien (subject, as to priority, only to Permitted Prior Liens) on all of such Assignor's right, title and interest to the Pledged Trademarks, and pledges and mortgages (but does not transfer title to) such Assignor's right, title and interest to the Pledged Trademarks to the Collateral Agent for the benefit of the Secured Parties. In addition, subject to the Intercreditor Agreement, each Assignor hereby agrees upon the request of the Collateral Agent following and during the continuance of an Event of Default, to execute, and in addition hereby confirms that pursuant to §10 hereof such Assignor has constituted and appointed the Collateral Agent as such Assignor's true and lawful attorney-in-fact to execute on such Assignor's behalf, an assignment of federally registered trademarks and other registered trademarks in substantially the form of Exhibit 1 hereto (the "Assignment of Marks"). Each Assignor hereby authorizes the Collateral Agent to complete as assignee and record with the PTO and any other relevant authority the Assignment of Marks upon the occurrence and during the continuance of an Event of Default and the proper exercise of the Collateral Agent's remedies under this Trademark Agreement and the other Security Documents.

Notwithstanding the foregoing, Excluded Assets (as defined in the Indenture) shall not constitute Pledged Trademarks.

2.2. Conditional Assignment. In addition to, and not by way of limitation of, the grant, pledge and mortgage of the Pledged Trademarks provided in §2.1, and subject to the Intercreditor Agreement, each Assignor grants, assigns, transfers, conveys and sets over to the Collateral Agent, for the benefit of the Secured Parties, such Assignor's entire right, title and interest in and to the Pledged Trademarks; provided that such grant, assignment, transfer and conveyance shall be and become of force and effect only (i) upon or after the occurrence and during the continuance of an Event of Default and (ii) either (A) upon the written demand of the Collateral Agent at any time during such continuance or (B) immediately and automatically (without notice or action of any kind by the Collateral Agent) upon an Event of Default for which acceleration of the Notes is automatic under the Indenture or upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Security Documents, and applicable law (including the transfer or other disposition of the Collateral by any Assignor to the Collateral Agent or its nominee in lieu of foreclosure).

2.3. Supplemental to Security Agreement. Pursuant to the Security Agreement, each Assignor has granted to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in and lien on such Assignor's right, title and interest to the Collateral (including the Pledged Trademarks). The Security Agreement, and all rights and interests of the Collateral Agent in and to the Collateral (including the Pledged Trademarks) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Trademark Agreement, the grant, assignment, transfer and conveyance of

the Pledged Trademarks hereunder, or the recordation of this Trademark Agreement (or any document hereunder) with the PTO or any other relevant authority, adversely affect or impair, in any way or to any extent, the Security Agreement, the security interest of the Collateral Agent in the Collateral (including the Pledged Trademarks) pursuant to the Security Agreement and this Trademark Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code of the State of New York or any other relevant jurisdiction (including the security interest in the Pledged Trademarks), or any present or future rights and interests of the Collateral Agent in and to the Collateral (including the Pledged Trademarks) under or in connection with the Security Agreement, this Trademark Agreement or the Uniform Commercial Code of the State of New York or any other relevant jurisdiction or otherwise. Any and all rights and interests of the Collateral Agent in and to the Pledged Trademarks (and any and all obligations of each Assignor with respect to the Pledged Trademarks) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Collateral Agent or any of the other Secured Parties (and the obligations of each Assignor) in, to or with respect to the Collateral (including the Pledged Trademarks) provided in or arising under or in connection with the Security Agreement or otherwise and shall not be in derogation thereof.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS.

Each Assignor represents, warrants and covenants to the Secured Parties that: (i) Schedule A sets forth a true and complete list of all material Trademarks and all Trademark Registrations now owned, licensed, controlled or used by any Assignor; (ii) the Trademarks and Trademark Registrations are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the Trademarks or Trademark Registrations that could be reasonably expected to, either in any case or in the aggregate, have a Materially Adverse Effect; (iii) to the best of each Assignor's knowledge, each of the Trademarks and Trademark Registrations is valid and enforceable; (iv) to the best of each Assignor's knowledge, there is no infringement by others of the Trademarks, Trademark Registrations or Trademark Rights that could be reasonably expected to, either in any case or in the aggregate, have a Materially Adverse Effect; (v) except as set forth on Schedule B attached hereto, no claim has been made that the use of any of the Trademarks does or may violate the rights of any third Person, and to the best of each Assignor's knowledge, there is no infringement by any Assignor of the trademark rights of others; (vi) the Assignors are the sole and exclusive owners of the entire and unencumbered right, title and interest in and to each of the Trademarks (other than ownership and other rights reserved by third party owners with respect to Trademarks that any Assignor is licensed to use), free and clear of any Liens, including pledges, assignments, licenses, registered user agreements and covenants by any Assignor not to sue third Persons, other than (a) the security interest and assignment created by the Security Agreement, this Trademark Agreement and any Trademark License Rights, and (b) other Permitted Liens (subject, as to priority, only to Permitted Prior Liens); (vii) each Assignor has the unqualified right to enter into this Trademark Agreement and to perform its terms and has entered and will enter into written agreements with each of its present and future employees, agents, consultants, licensors and licensees that will enable them to comply with the covenants herein contained; (viii) each Assignor has used, and will continue to use, proper statutory and other appropriate proprietary notices in connection with its use of the Trademarks; (ix) each Assignor has used, and will continue to use for the duration of this Trademark Agreement, consistent standards of quality in its manufacture and provision of products and services sold or provided under the Trademarks; (x) this Trademark Agreement, together with the Security Agreement, will create in favor of the Collateral Agent for the benefit of the Secured Parties a valid and perfected first priority security interest (subject, as to priority, only to Permitted Prior Liens) in the Pledged Trademarks (other than foreign Trademarks) upon making the filings referred to in clause (xi) of this §3; (xi) except for the filing of financing statements with the jurisdictions and filing offices set forth on Schedule C attached hereto under the Uniform Commercial Code and the recording of this Trademark Agreement with the

PTO, no authorization, approval or other action by, and no notice to or filing with, any governmental or regulatory authority, agency or office is required either (A) for the grant by each Assignor or the effectiveness of the security interest and assignment granted hereby or for the execution, delivery and performance of this Trademark Agreement by each Assignor, or (B) for the perfection of or the exercise by the Collateral Agent of any of its rights and remedies hereunder, provided that the representation, warranty and covenant in this clause (xi) shall not apply to foreign Trademarks; and (xii) all obligations secured by any and all security interests granted by Acapulco Restaurants, Inc., Acapulco Mark Corp., Chevys Restaurants, LLC and El Torito Restaurants, Inc. in favor of Union Bank of California NA, National Westminster Bank PLC, and Foothill Capital Corporation in and to the Pledged Trademarks have been repaid in full and the commitments of the lenders in respect thereof have been terminated.

4. INSPECTION RIGHTS.

Each Assignor hereby grants to the Collateral Agent and its employees and agents the right to visit such Assignor's Stores and other facilities that prepare, manufacture, inspect or store products sold under any of the Trademarks, and to inspect the products and quality control records relating thereto on reasonable advance notice to such Assignor and at reasonable times during regular business hours.

5. NO TRANSFER OR INCONSISTENT AGREEMENTS.

Without the Collateral Agent's prior written consent, no Assignor will enter into any agreement (for example, a license agreement) that is inconsistent with any Assignor's obligations under this Trademark Agreement or the Security Agreement. Notwithstanding anything herein to the contrary, however, each Assignor shall have the right to enter into licenses of the Pledged Trademarks in the ordinary course of business in connection with franchise agreements permitted under §28 of the Security Agreement and upon prior written notice to the Collateral Agent.

6. AFTER-ACQUIRED TRADEMARKS, ETC.

6.1. After-acquired Trademarks. If, before the Obligations shall have been finally paid and satisfied in full, any Assignor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark Registrations or Trademark Rights, the provisions of this Trademark Agreement shall automatically apply thereto and the Assignors shall provide to the Collateral Agent notice thereof in writing not later than one month after the last day of each fiscal quarter of the Issuer and execute and deliver to the Collateral Agent such documents or instruments as the Collateral Agent may reasonably request further to implement, preserve or evidence the Collateral Agent's interest therein. In addition, on the Collateral Agent's reasonable written request (not to exceed four times per calendar year so long as no Event of Default is continuing), the Assignors shall promptly provide the Collateral Agent with a revised version of Schedule A hereto showing any additions or revisions to the Trademarks and Trademark Registrations then owned by any Assignor.

6.2. Amendment to Schedule. Each Assignor authorizes the Collateral Agent to modify this Trademark Agreement and the Assignment of Marks, without the necessity of any Assignor's further approval or signature, by amending Schedule A hereto and the Annex to the Assignment of Marks to include any future or other Trademarks, Trademark Registrations or Trademark Rights under §2 or this §6.

7. TRADEMARK PROSECUTION.

7.1. Assignors Responsible. Each Assignor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in

connection with the Pledged Trademarks, and shall hold each of the Collateral Agent and the Secured Parties harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Collateral Agent or any other Secured Parties in connection with the Collateral Agent's interest in the Pledged Trademarks or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby. In respect of such responsibility and in the event that trademark counsel is required, the Assignors shall retain trademark counsel reasonably acceptable to the Collateral Agent.

7.2. Assignors' Duties, etc. Each Assignor shall have the right and the duty, subject to the last sentence of §7.1, to prosecute diligently any trademark registration applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter, to preserve and maintain all rights in the Trademarks and Trademark Registrations, including the filing of appropriate renewal applications and other instruments to maintain in effect the Trademarks and Trademark Registrations and the payment when due of all registration renewal fees and other fees, taxes and other expenses that shall be incurred or that shall accrue with respect to any of the Trademarks or Trademark Registrations; provided that no Assignor shall have the duty to take any action with respect to any Trademark which has a minimal value or is otherwise no longer useful in the business of the Issuer and its Subsidiaries. Any expenses incurred in connection with such applications and actions shall be borne jointly and severally by the Assignors. No Assignor shall abandon any filed trademark registration application, or any Trademark Registration or Trademark (other than any Trademark which has a minimal value or is otherwise no longer useful in the business of the Issuer and its Subsidiaries), without the consent of the Collateral Agent, which consent shall not be unreasonably withheld.

7.3. Assignors' Enforcement Rights. Each Assignor shall have the right and the duty, subject to the last sentence of §7.1, to bring suit or other action in such Assignor's own name to maintain and enforce the Trademarks, the Trademark Registrations and the Trademark Rights; provided that no Assignor shall have the duty to take any action with respect to any Trademark which has a minimal value or is otherwise no longer useful in the business of the Issuer and its Subsidiaries. Such Assignor may require the Collateral Agent to join in such suit or action as necessary to assure such Assignor's ability to bring and maintain any such suit or action in any proper forum if (but only if) the Collateral Agent is completely satisfied that such joinder will not subject the Collateral Agent or any Holder to any risk of liability. Each Assignor shall promptly, upon demand, reimburse and indemnify the Collateral Agent for all damages, costs and expenses, including legal fees, incurred by the Collateral Agent pursuant to this §7.3.

7.4. Protection of Trademarks, etc. In general, each Assignor shall take any and all such actions (including institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Pledged Trademarks; provided that no Assignor shall have the duty to take any action with respect to any Trademark which has a minimal value or is otherwise no longer useful in the business of the Issuer and its Subsidiaries. No Assignor shall take or fail to take any action, nor permit any action to be taken or not taken by others under its control, that would adversely affect the validity, grant or enforcement of the Pledged Trademarks; provided that no Assignor shall have the duty to take any action with respect to any Trademark which has a minimal value or is otherwise no longer useful in the business of the Issuer and its Subsidiaries.

7.5. Notification by Assignors. Promptly upon obtaining knowledge thereof, the Assignors will notify the Collateral Agent in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the Trademarks, Trademark Registrations or Trademark Rights or any Assignor's rights, title or interests in and to the Pledged Trademarks, and of any

event that does or reasonably could materially adversely affect the value of any of the Pledged Trademarks, the ability of any Assignor or the Collateral Agent to dispose of any of the Pledged Trademarks or the rights and remedies of the Collateral Agent in relation thereto (including but not limited to the levy of any legal process against any of the Pledged Trademarks).

8. REMEDIES.

Upon the occurrence and during the continuance of an Event of Default, subject to the Intercreditor Agreement, the Collateral Agent shall have, in addition to all other rights and remedies given it by this Trademark Agreement, the Security Agreement or otherwise, those rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of New York or any other relevant jurisdiction, and, without limiting the generality of the foregoing, the Collateral Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to any Assignor, all of which are hereby expressly waived, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Pledged Trademarks, or any interest that any Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Pledged Trademarks all expenses incurred by the Collateral Agent in attempting to enforce this Trademark Agreement (including all reasonable expenses for broker's fees and legal services), shall transfer the residue of such proceeds to the Trustee, which shall apply the residue of such proceeds toward the payment of the Obligations in accordance with the terms of the Indenture and the Intercreditor Agreement. Notice of any sale, license or other disposition of the Pledged Trademarks shall be given to the Assignors at least six (6) Business Days before the time that any intended public sale or other public disposition of the Pledged Trademarks is to be made or after which any private sale or other private disposition of the Pledged Trademarks may be made, which each Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Collateral Agent may, to the extent permitted under applicable law, purchase or license the whole or any part of the Pledged Trademarks or interests therein sold, licensed or otherwise disposed of, subject to the terms of the Intercreditor Agreement.

9. COLLATERAL PROTECTION.

If any Assignor shall fail to do any act that it has covenanted to do hereunder, or if any representation or warranty of any Assignor shall be breached, the Collateral Agent, in its own name or that of any Assignor (in the sole discretion of the Collateral Agent), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and the Assignors agree jointly and severally promptly to reimburse the Collateral Agent for any cost or expense incurred by the Collateral Agent in so doing.

10. POWER OF ATTORNEY.

If any Event of Default shall have occurred and be continuing, each Assignor does hereby make, constitute and appoint the Collateral Agent (and any officer or agent of the Collateral Agent as the Collateral Agent may select in its exclusive discretion) as such Assignor's true and lawful attorney-in-fact, with full power of substitution and with the power to endorse such Assignor's name on all applications, documents, papers and instruments necessary for the Collateral Agent to use the Pledged Trademarks, or to grant or issue any exclusive or nonexclusive license of any of the Pledged Trademarks to any third Person, or to take any and all actions necessary for the Collateral Agent to assign, pledge, convey or otherwise transfer title in or dispose of any of the Pledged Trademarks or any interest of such Assignor therein to any third Person, and, in general, to execute and deliver any instruments or documents and do all other acts that such Assignor is obligated to execute and do hereunder, in each case such actions taken by the Collateral Agent to be subject to the Intercreditor Agreement. Such Assignor hereby

ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof and releases each of the Collateral Agent and the Secured Parties from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Collateral Agent under this power of attorney (except for the Collateral Agent's gross negligence or willful misconduct). This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Trademark Agreement.

11. FURTHER ASSURANCES.

11.1. General. Each Assignor shall, at any time and from time to time, and at its expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Collateral Agent may reasonably request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Collateral Agent the grant, perfection and priority of the Collateral Agent's security interest in the Pledged Trademarks as a first priority perfected security interest (subject, as to priority, only to Permitted Prior Liens). Each Assignor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any filing office in any Uniform Commercial Code jurisdiction and any trademark office (including, without limitation, the PTO) any initial financing statements and any other like documents noticing a security interest, and amendments thereto, that (a) indicate the collateral as the Pledged Trademarks or as being of an equal or lesser scope or with greater detail, and (b) provide any other information required by any trademark office or part 5 of Article 9 of the Uniform Commercial Code of the State of New York or such other jurisdiction for the sufficiency or filing office acceptance of any financing statement, any other like documents noticing a security interest, or amendment, including whether such Assignor is an organization, the type of organization and any organizational identification number issued to such Assignor. Each Assignor agrees to furnish any such information to the Collateral Agent promptly upon request. Each Assignor also ratifies its authorization for the Collateral Agent to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof.

11.2. Duties of the Assignors. Without limiting the provisions of §11.1 above, each Assignor hereby covenants and agrees that such Assignor shall maintain the security interest created by this Trademark Agreement as a perfected security interest having priority over all other Liens other than Permitted Prior Liens and, in furtherance of, but without limiting, the foregoing, except as otherwise expressly permitted by this Trademark Agreement, shall (i) no later than the later of the date hereof and within one (1) Business Day of the date on which any Pledged Trademarks that would not be covered by previously filed Uniform Commercial Code financing statements is acquired, file, or cause to be filed, Uniform Commercial Code financing statements (or amendments to existing Uniform Commercial Code financing statements) (or such other statements as may be required under applicable law) in such manner and in such places as may be required under applicable law to fully preserve, maintain, and protect the security interest of the Collateral Agent and the priority thereof in the Pledged Trademarks granted hereunder, including the filing of Uniform Commercial Code financing statements in the jurisdiction of organization of such Assignor, naming such Assignor as the debtor, naming the Collateral Agent as the secured party and describing the collateral as the Pledged Trademarks and (ii) to the extent that the security interest granted hereunder with respect to the applicable assets remains in effect at such time, file Uniform Commercial Code continuation statements (or such other statements as may be required under applicable law to continue the priority of the security interests described in clause (i)) in the jurisdiction of organization of such Assignor and in any other location as necessary or appropriate under applicable law to continue such security interest and the priority thereof, no earlier than six (6) months and no later

than thirty (30) days prior to the date on which the financing statements described in clause (i) would otherwise lapse or become ineffective under applicable law. Each Assignor agrees to deliver to each of the Trustee and the Collateral Agent copies of all Uniform Commercial Code financing statements (including continuation statements) and other statements filed pursuant to this § 11.2 within ten (10) days after the filing thereof.

12. RELEASE OF SECURITY INTEREST; TERMINATION.

At such time as all of the Obligations have been finally paid and satisfied in full, this Trademark Agreement shall terminate and, subject to Article 10 of the Indenture (including Section 10.06 thereof) and the Intercreditor Agreement, the Liens granted hereunder shall be released and the Collateral Agent shall, subject to the satisfaction of the conditions described in Article 10 of the Indenture (including Section 10.06 thereof), following the written request and at the expense of the Assignors (the Assignors being jointly and severally liable for such expense), without any recourse or representation, warranty or liability of any kind, execute and deliver to the Assignors such deeds, assignments and other instruments, prepared by the applicable Assignors and delivered to the Collateral Agent for its execution, as may be necessary or proper to release the Liens granted hereunder and to reassign and reconvey to and re-vest in the Assignors the entire right, title and interest to the Pledged Trademarks previously granted, assigned, transferred and conveyed to the Collateral Agent by the Assignors pursuant to this Trademark Agreement, as fully as if this Trademark Agreement had not been made, subject to any disposition of all or any part thereof that may have been made pursuant to or in accordance with any Note Document or the Intercreditor Agreement.

13. COURSE OF DEALING.

No course of dealing between any Assignor and the Collateral Agent, nor any failure to exercise, nor any delay in exercising, on the part of the Collateral Agent, any right, power or privilege hereunder or under the Security Agreement or any other agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. EXPENSES.

Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and expenses incurred by the Collateral Agent in connection with the preparation of this Trademark Agreement and all other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance or renewal fees, encumbrances, or otherwise protecting, maintaining or preserving the Pledged Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Pledged Trademarks, shall be borne and paid by the Assignors, such liability to be borne jointly and severally.

15. OVERDUE AMOUNTS.

Until paid, all amounts due and payable by the Assignors hereunder shall be a debt secured by the Pledged Trademarks and the other Collateral and shall bear, whether before or after judgment, interest set forth in the Indenture at the rate of interest for payment on the Notes during the continuation of an Event of Default.

16. NO ASSUMPTION OF LIABILITY; INDEMNIFICATION.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, NEITHER THE COLLATERAL AGENT NOR ANY OTHER SECURED PARTY ASSUMES ANY LIABILITIES OF ANY ASSIGNOR WITH RESPECT TO ANY CLAIM OR CLAIMS REGARDING SUCH ASSIGNOR'S OWNERSHIP OR PURPORTED OWNERSHIP OF, OR RIGHTS OR PURPORTED RIGHTS ARISING FROM, ANY OF THE PLEDGED TRADEMARKS OR ANY USE, LICENSE OR SUBLICENSE THEREOF, WHETHER ARISING OUT OF ANY PAST, CURRENT OR FUTURE EVENT, CIRCUMSTANCE, ACT OR OMISSION OR OTHERWISE. ALL OF SUCH LIABILITIES SHALL BE EXCLUSIVELY THE RESPONSIBILITY OF SUCH ASSIGNOR, AND THE ASSIGNORS SHALL INDEMNIFY THE COLLATERAL AGENT AND THE OTHER SECURED PARTIES FOR ANY AND ALL COSTS, EXPENSES, DAMAGES AND CLAIMS, INCLUDING LEGAL FEES, INCURRED BY COLLATERAL AGENT OR ANY OTHER SECURED PARTY WITH RESPECT TO SUCH LIABILITIES, SUCH LIABILITY TO INDEMNIFY TO BE BORNE JOINTLY AND SEVERALLY BY THE ASSIGNORS.

17. NOTICES.

All notices, requests and demands hereunder shall be in writing and (a) made to (i) the Collateral Agent at Wells Fargo Bank, National Association, Corporate Trust Services, 707 Wilshire Boulevard, 17th Floor, Los Angeles, California 90017, Attn: Maddy Hall, and (ii) each Assignor care of the address for notices for the Issuer under the Indenture, or to such other address as either party may designate by written notice to the other in accordance with this provision, and (b) deemed to have been given or made: if delivered in person, immediately upon delivery; if by telex, telegram or facsimile transmission, immediately upon sending and upon confirmation of receipt; if by nationally recognized overnight courier service with instructions to deliver the next business day, one (1) business day after sending; and if by registered or certified mail, return receipt requested, five (5) days after mailing.

18. [RESERVED].

19. INTERCREDITOR AGREEMENT.

The provisions of this Trademark Agreement are subject in all respects to the provisions of the Intercreditor Agreement and, in the event of any discrepancy or inconsistency between this Trademark Agreement and the Intercreditor Agreement, the terms of the Intercreditor Agreement shall control.

20. COLLATERAL AGENT'S EXONERATION.

Under no circumstances shall the Collateral Agent be deemed to assume any responsibility for or obligation or duty with respect to any part or all of the Collateral of any nature or kind or any matter or proceedings arising out of or relating thereto, other than after an Event of Default shall have occurred and be continuing to act in a commercially reasonable manner with respect to the Collateral. Neither the Collateral Agent nor any other Secured Party shall be required to take any action of any kind to collect, preserve or protect its or any Assignor's rights in the Collateral or against other parties thereto. The Collateral Agent's prior recourse to any part or all of the Collateral shall not constitute a condition of any demand, suit or proceeding for payment or collection of any of the Obligations. In acting as Collateral Agent, the Collateral Agent may rely upon and enforce each and all of the rights, powers, protections, immunities, indemnities and benefits of the Trustee under Article 7 of the Indenture, mutatis mutandis, as if the Collateral Agent was the "Trustee," each reference therein to the Indenture was a reference to this Agreement and the other Security Documents and each reference therein to the "Company" or any

"Guarantor" was a reference to the Assignors. Each Assignor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Pledged Trademarks made and granted hereby, including with respect to limitation of liability and indemnification, are more fully set forth in Article 10 of the Indenture, the terms and provisions of which are incorporated by reference herein.

21. AMENDMENT AND WAIVER.

Neither this Trademark Agreement nor any provision hereof shall be amended, modified, waived or discharged orally or by course of conduct. Subject to the last sentence of this §21, the Collateral Agent shall not, by any act, delay, omission or otherwise be deemed to have expressly or impliedly waived any of its rights, powers and/or remedies unless such waiver shall be in writing and signed by an authorized officer of the Collateral Agent. Any such waiver shall be enforceable only to the extent specifically set forth therein. A waiver by the Collateral Agent of any right, power and/or remedy on any one occasion shall not be construed as a bar to or waiver of any such right, power and/or remedy which the Collateral Agent would otherwise have on any future occasion, whether similar in kind or otherwise. No amendment or modification to, or any waiver of, any provision of this Trademark Agreement shall be effective unless such amendment, modification or waiver is permitted under and effected in accordance with Article 9 of the Indenture.

22. GOVERNING LAW; CONSENT TO JURISDICTION.

THIS TRADEMARK AGREEMENT IS INTENDED TO TAKE EFFECT AS A SEALED INSTRUMENT AND SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. Each Assignor agrees that any suit for the enforcement of this Trademark Agreement may be brought in the courts of the State of New York sitting in New York County or in the United States District Court of the Southern District of New York, or any appellate court from any thereof, and consents to the non-exclusive jurisdiction of such courts and to service of process in any such suit being made upon the Assignors by mail at the address specified in §17. Each Assignor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

23. WAIVER OF JURY TRIAL.

EACH ASSIGNOR WAIVES ITS RIGHTS TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS TRADEMARK AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER OR THE PERFORMANCE OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, each Assignor waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive or consequential damages or any damages other than, or in addition to, actual damages. The Assignors (i) certify that neither the Collateral Agent nor any other Secured Party nor any representative, agent or attorney of the Collateral Agent or any other Secured Party has represented, expressly or otherwise, that the Collateral Agent or any other Secured Party would not, in the event of litigation, seek to enforce the foregoing waivers and (ii) acknowledge that, in entering into the Indenture and the other Note Documents to which the Collateral Agent or any other Secured Party is a party, the Collateral Agent and the other Secured Parties are relying upon, among other things, the waivers and certifications contained in this §23.

24. **MISCELLANEOUS.**

The headings of each section of this Trademark Agreement are for convenience only and shall not define or limit the provisions thereof. This Trademark Agreement and all rights and obligations hereunder shall be binding upon each Assignor and its respective successors and assigns, and shall inure to the benefit of the Collateral Agent, the Secured Parties and their respective successors and assigns; provided that neither this Trademark Agreement nor any rights or obligations hereunder may be assigned by any Assignor, without the prior written consent of the Collateral Agent acting at the direction of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding, and any purported assignment in breach of this proviso shall be of no force and effect. This Trademark Agreement may be executed in one or more duplicate counterparts and when signed by all of the parties listed below shall constitute a single binding agreement. In the event of any irreconcilable conflict between the provisions of this Trademark Agreement and the Security Agreement, the provisions of the Security Agreement shall control. If any term of this Trademark Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Trademark Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. Each Assignor acknowledges receipt of a copy of this Trademark Agreement.
