RELEASE OF FIRST PRIORITY SECURITY INTEREST IN INTELLECTUAL PROPERTY

This RELEASE OF FIRST PRIORITY SECURITY INTEREST IN INTELLECTUAL PROPERTY (the "Agreement"), effective as of June 10, 2009, is made by Wilmington Trust Company, a Delaware corporation, located at 1110 North Market Street, Rodney Square North, Wilmington, Delaware, as collateral trustee (the "Collateral Trustee") on behalf of the First Priority Secured Parties (as defined in that certain Second Amended and Restated Collateral Trust Agreement, dated as of January 2, 2009 (as amended, supplemented or otherwise modified from time to time, the "Collateral Trust Agreement")) in favor of each Grantor (as defined in that certain Security Agreement, dated as of August 3, 2007 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement")). All terms used but not otherwise defined herein shall have the meanings ascribed to those terms in the Security Agreement.

WITNESSETH:

WHEREAS, pursuant to the Security Agreement, the Grantors granted to the Collateral Trustee, for the benefit of the First Priority Secured Parties, a security interest in, among other Collateral, all the Intellectual Property (as defined in the Master Transaction Agreement (defined below)) of each Grantor (the Intellectual Property of all Grantors, collectively, the "Grantor IP"), including the Patents listed on Schedule A, the Trademarks listed on Schedule B and the Copyrights listed on Schedule C hereto (such Patents, Trademarks and Copyrights, collectively, the "Registered IP");

WHEREAS, in accordance with the Security Agreement, the Grantors executed short-form agreements for the purpose of recording the grant of the Collateral Trustee's security interest in the Registered IP with the United States Patent and Trademark Office, the United States Copyright Office and certain other offices and/or agencies in jurisdictions outside of the United States (the "Short Form Agreements");

WHEREAS, in the United States, Short Form Agreements were subsequently recorded (A) with the United States Patent and Trademark Office (1) with respect to Patents, (i) on August 29, 2007 at Reel 019773, Frame 0001; (ii) on February 14, 2008 at Reel 020507, Frame 0166; and (iii) on January 30, 2009 at Reel 022177, Frame 0321, (2) with respect to Trademarks, (i) on August 30, 2007 at Reel 003612, Frame 0377; (ii) on February 14, 2008 at Reel 003719, Frame 0333; (iii) on December 2, 2008 at Reel 003896, Frame 0679; (iv) on January 30, 2009 at Reel 003927, Frame 0421; and (v) on February 5, 2009 at Reel 003930, Frame 0474, and (B) with the United States Copyright Office on December 6, 2007 in Volume 3557, Document No. 400, Pages 1 through 27;

WHEREAS, on April 30, 2009, Chrysler LLC and other Grantors filed voluntary petitions for relief (collectively, the "Bankruptcy Case") under chapter 11 of title 11, United States Code, 11 U.S.C. §§ 101, et seq., as amended (the "Bankruptcy Code"), in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") and in connection therewith entered into an agreement, dated as of April 30, 2009 (as the same may be

amended, modified or otherwise supplemented, the "Master Transaction Agreement"), with New CarCo Acquisition LLC, a Delaware limited liability company ("NewCo"), Fiat and certain other parties named therein, pursuant to which such Grantors agreed to sell substantially all of their assets (including the Grantor IP) (collectively, the "Purchased Assets") to NewCo (the "Sale");

WHEREAS, the parties to Master Transaction Agreement seek to consummate the Sale pursuant to Section 363 of the Bankruptcy Code and, as such, it is a condition of the Sale that the sold assets be transferred free and clear of all liens, claims, encumbrances and other obligations (other than those liens, claims, encumbrances and other obligations expressly assumed pursuant to the Sale);

WHEREAS, on June 1, 2009, the Bankruptcy Court entered an order, entitled "Order (I) Authorizing the Sale of Substantially all of the Debtors' Assets Free and Clear of all Liens, Claims Interests and Encumbrances, (II) Authorizing the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases in Connection therewith and Related Procedures and (III) Granting Related Relief," ordering that the Purchased Assets shall be transferred to NewCo, and that (other than those liens, claims, encumbrances and other obligations expressly assumed pursuant to the Sale) such transfer, including the sale of the Grantor IP, shall be free and clear of all liens, claims, encumbrances and other obligations, including the security interest granted to the Collateral Trustee, for the benefit of the First Priority Secured Parties;

WHEREAS, pursuant to that certain direction letter dated as of June 10, 2009 from JPMorgan Chase Bank, N.A ("JP Morgan") to the Collateral Trustee, JP Morgan, in its capacity as First Priority Agent and as Controlling Party under the Collateral Trust Agreement, directed the Collateral Trustee, upon receipt of a certificate from JP Morgan confirming satisfaction of the terms and conditions set forth in Section 3 of that certain "Consent to Sale and Liquidation of Collateral," dated as of May 25, 2009 (the "Certificate") to release its security interests in that portion of the Collateral subject to the Sale; and

WHEREAS, the Collateral Trustee has received a Certificate from JP Morgan and therefore shall release its security interest in and to the Grantor IP, including the Registered IP;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Collateral Trustee agrees, for the benefit of the Grantors, as follows:

SECTION 1. Release of Security Interest for First Priority Secured Obligations. The Collateral Trustee, on behalf of the First Priority Secured Parties, hereby releases and conveys to each Grantor all of the Collateral Trustee's and the First Priority Secured Parties' security interest in and to (and all other right, title and interest in and to) the Grantor IP, including the Registered IP.

SECTION 2. <u>Further Assurances</u>. The Collateral Trustee shall, at the request and expense of any Grantor, timely take, or cause to be taken, all appropriate action, do or cause to be done all things necessary, proper or advisable under applicable law, execute and deliver any additional documents and other papers, and perform such additional acts that may be necessary

or desirable to carry out the provision of this Agreement and consummate and make effective the transactions contemplated by this Agreement.

SECTION 3. <u>Counterparts</u>. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

SECTION 4. Governing Law. This Agreement and the rights and obligations of the parties under this Agreement shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

SECTION 5. Consent to Jurisdiction. Without limiting any party's right to appeal any order of the Bankruptcy Court, each party hereby irrevocably (i) submits to the exclusive jurisdiction of the Bankruptcy Court, for the purpose of any action or proceeding arising out of or relating to this Agreement, (ii) agrees that all claims in respect to such action or proceeding may be heard and determined exclusively in the Bankruptcy Court and (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from the Bankruptcy Court, including a motion to dismiss on the groups of forum non conveniens. Each of the parties hereto agrees that a final judgment in any action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law; provided, however, that if the Bankruptcy Case has closed, the parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in New York County for the resolution of any such claim or dispute. Each of the parties hereto irrevocably consents to the service of the summons and complaint and any other process in any action or proceeding relating to the transactions contemplated by this Agreement, on behalf of itself or its property, by personal delivery of copies of such process to such party. Such service shall be in lieu of any other potentially applicable requirement of service, including, without limitation, the Hague Convention on the Service Abroad of Judicial and Extra-Judicial Documents in Civil or Commercial Matters. Nothing in this SECTION 5 shall affect the right of any party to serve legal process in any other manner permitted by law.

SECTION 6. <u>Severability</u>. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law, or public policy, then to the maximum extent permitted by law, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect
