Notwithstanding anything herein to the contrary, the liens and security interests granted to Administrative Agent pursuant to the Security Agreement (as defined below) and the exercise of any right or remedy by Administrative Agent hereunder, are subject to the provisions of the Intercreditor Agreement dated as of June 30, 2009 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among Administrative Agent, as ABL Agent, U.S. Bank National Association, as Trustee and as Collateral Agent, and as acknowledged by the Grantors (as such term is defined in the Intercreditor Agreement (as such term is defined in the Security Agreement)) from time to time party thereto. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.

TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made as of this 30th day of June, 2009, among Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and SUNTRUST BANK, in its capacity as Administrative Agent for the Lender Group (together with its successors, "Administrative Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Second Amended and Restated Credit Agreement dated as of August 15, 2008 (as amended, restated, supplemented or otherwise modified from time to time, including all schedules thereto, the "Credit Agreement") by and among Oxford Industries, Inc., a Georgia corporation ("Parent"), Tommy Bahama Group, Inc., a Delaware corporation ("TBG"; together with Parent, each referred to individually as a "Borrower" and, collectively, as "Borrowers"), the Persons party thereto from time to time as Guarantors, the financial institutions party thereto from time to time as Issuing Banks, the financial institutions party thereto from time to time as lenders ("Lenders") and SunTrust Bank, as the administrative agent ("Administrative Agent"), Administrative Agent and Lenders are willing to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Lenders are willing to make the financial accommodations to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Administrative Agent, for the benefit of the Lender Group, that certain Second Amended and Restated Pledge and Security Agreement dated as of June 30, 2009 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Administrative Agent, for the benefit of the Lender Group, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to Administrative Agent, for the benefit of the Lender Group, a continuing security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all of such Grantor's U.S. Trademarks and U.S. Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all reissues, continuations or extensions of the foregoing; and

(c) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any U.S. Trademark or any breach of any U.S. Trademark License.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to Administrative Agent, the Lender Group, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Administrative Agent, for the benefit of the Lender Group, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. Grantors hereby authorize Administrative Agent unilaterally to modify this Agreement by amending Schedule I to include any future U.S. Trademarks of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Administrative Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate

counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by other electronic transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Obligations shall mean the repayment in full in cash (or cash collateralization in accordance with the terms hereof) of all Obligations other than unasserted contingent indemnification Obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.

8. INTERCREDITOR AGREEMENT. Notwithstanding anything herein to the contrary, the liens and security interests granted to Administrative Agent pursuant to this Trademark Security Agreement and the exercise of any right or remedy by Administrative Agent hereunder, are subject to the provisions of the Intercreditor Agreement dated as of June 30, 2009 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement"), among SunTrust Bank, as ABL Agent, U.S. Bank National Association, as Trustee and as Collateral Agent, and the Grantors (as defined in the Intercreditor Agreement) from time to time party thereto. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Trademark Security Agreement, the terms of the Intercreditor Agreement shall govern and control.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
