**LIMITED RELEASE OF  
SECURITY INTEREST IN INTELLECTUAL PROPERTY**

WHEREAS, pursuant to (i) the Collateral Security Agreement dated as of August 16, 2005 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") by and among Huntsman International, LLC, a Delaware limited liability company having a principal place of business at 500 Huntsman Way, Salt Lake City, Utah 84108 ("Huntsman International"), Huntsman Polymers Corporation, a Delaware corporation having a principal place of business at 500 Huntsman Way, Salt Lake City, Utah 84108 ("Huntsman Polymers"), Deutsche Bank AG New York Branch, having a principal place of business at 31 West 52nd Street, New York, New York 10022 ("Deutsche Bank"), and the other parties thereto and (ii) the Grant of Security Interest in United States Trademarks and Patents dated as of August 16, 2005 (as amended, restated, supplemented or otherwise modified from time to time, the "IP Security Agreement") between Huntsman Polymers and Deutsche Bank, Huntsman Polymers granted to Deutsche Bank (in Deutsche Bank's capacity as the Collateral Agent (as defined in the Security Agreement)) a continuing security interest in all of Huntsman Polymers' right, title and interest in and to the Collateral (as defined in the Security Agreement), including, without limitation, the patents and patent applications set forth in Exhibit A hereto and the trademarks, trademark registrations and trademark applications set forth in Exhibit B hereto (collectively, the "Released Patents and Trademarks");

WHEREAS, the IP Security Agreement was recorded in favor of Deutsche Bank (in its capacity as the Collateral Agent) with the United States Patent and Trademark Office on November 21, 2005, at Reel 017045, Frame 0309, et seq., in the index of patent assignments, and at Reel 3231, Frame 0692, et seq., in the index of trademark assignments, with respect to the Released Patents and Trademarks; and

WHEREAS, in connection with the transactions contemplated under the Asset Purchase Agreement dated as of June 30, 2009 by and between Huntsman Advanced Materials LLC, as seller, and the other parties thereto, pursuant to a letter agreement dated July 2, 2009 (the "Letter Agreement") Huntsman International has requested that Deutsche Bank, acting in its capacity as the Administrative Agent (as defined in the Security Agreement)) and the Collateral Agent, release its security interest in and to (among other things) the Released Patents and Trademarks, and Deutsche Bank desires to evidence such release with respect to the Released Patents and Trademarks by way of this Limited Release of Security Interest in Intellectual Property (this "Limited Release");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Deutsche Bank, acting in its capacity as the Administrative Agent and the Collateral Agent, hereby releases and forever discharges all of the security interest, Liens (as defined in the Security Agreement) and other rights and interests in and to solely the Released Patents and Trademarks that it or any Lender (as defined in the Security Agreement) has or may have pursuant to the Security Agreement, the IP Security

Agreement or any other Loan Document (as defined in the Security Agreement). The schedules to the Security Agreement and the IP Security Agreement are hereby deemed to be amended and modified to remove the Released Patents and Trademarks from such schedules.

2. Deutsche Bank acknowledges and affirms that all of the obligations of Huntsman Polymers, its affiliates, successors and assigns under the Security Agreement, the IP Security Agreement and each other Loan Document concerning solely the Released Patents and Trademarks are hereby discharged.

3. Nothing in this Limited Release releases the security interest, Liens or other rights or interests of Deutsche Bank (in its capacity as the Administrative Agent and the Collateral Agent) or any Lender in and to the Collateral other than the Released Patents and Trademarks and nothing in this Limited Release discharges any obligations under the Security Agreement, the IP Security Agreement or any other Loan Document with respect to the Collateral other than the Released Patents and Trademarks. This Limited Release is executed in connection with the Letter Agreement and nothing in this Limited Release shall limit the releases or other provisions set forth in the Letter Agreement.

4. This Limited Release shall be governed by and construed in accordance with the laws of the State of New York, except to the extent that the release of security interests hereunder is governed by the laws of a jurisdiction other than the State of New York.

*Signature and notarization page follows.*

IN WITNESS WHEREOF, the undersigned, acting in its capacity as the Administrative Agent and as the Collateral Agent, has executed this Limited Release as of the date set forth below its signature, to become effective as of the 31st day of July, 2009.
