**TRADEMARK SECURITY AGREEMENT**

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") dated as of October 16, 2009 is made by METALDYNE, LLC, METALDYNE CHASSIS PRODUCTS, LLC, METALDYNE TUBULAR COMPONENTS, LLC, and METALDYNE BSM, LLC (individually, "Grantor," and collectively, "Grantors"), in favor of WILMINGTON TRUST FSB, in its capacity as Collateral Agent (in such capacity, "Grantee") for the Secured Parties to the Security Agreement (as defined below).

Reference is made to the Security Agreement (the "Security Agreement") dated as of October 16, 2009, among MD Investors Corporation, Metaldyne, LLC, the Subsidiary Loan Parties, and Grantee, as Collateral Agent for the Secured Parties.

Pursuant to the Security Agreement, Grantors have granted to Grantee, for the benefit of Secured Parties, a security interest in the Collateral, including all right, title and interest of Grantors in, to and under the Trademarks (except for Excluded Assets), whether now owned or hereafter acquired, together with all goodwill associated therewith or symbolized thereby.

Accordingly, each Grantor and Grantee hereby agree as follows:

SECTION 1. Defined Terms. Unless the context otherwise requires, all capitalized terms used but not defined herein shall have the meanings set forth in the Security Agreement.

SECTION 2. Incorporation of the Security Agreement. The Security Agreement and the terms and conditions thereof are hereby incorporated hereby in their entirety by this reference.

SECTION 3. Security Interest in Trademarks. As security for the payment and performance in full when due, of such Grantor's Obligations, each Grantor hereby grants to Grantee, its permitted successors and assigns, for the ratable benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in, to and under the Trademarks (except for Excluded Assets), whether now owned or hereafter acquired, together with all goodwill associated therewith or symbolized thereby, including, without limitation: (i) the trademark registrations and trademark applications for registration set forth on Schedule A attached hereto, together with all goodwill associated therewith or symbolized thereby, and (ii) all income, royalties and payments accrued, due or payable now or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or dilution thereof, with the right to sue for, and collect the same.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. This Trademark Security Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to Grantee and a counterpart hereof shall have been executed on behalf of Grantee. Delivery of an executed signature page to this Trademark Security Agreement by

facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart hereof.

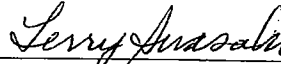

SECTION 5. Governing Law. This Trademark Security Agreement shall be construed in accordance with and governed by the laws of the State of New York.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, each Grantor and Grantee have duly executed this Trademark Security Agreement as of the day and year first above written.
