JURISDICTION, FINAL ORDER AND STATUTORY PREDICATES

A. This Court has jurisdiction over the Sale Motions, the transactions contemplated by the Agreement and any other ancillary documents and agreements related thereto pursuant to 28 U.S.C. §§ 157(b)(1) and 1334(a). This matter is a core proceeding

pursuant to 28 U.S.C. § 157(b)(2)(A), (N) and (O). Venue of these cases and the Sale Motions in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. This Sale Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). **Pursuant to Bankruptcy Rules 6004(h) and 6006(d), effectiveness of this Sale Order is stayed until Wednesday, August 19, 2009, at 1:00 p.m.**

~~Notwithstanding Bankruptcy Rules 6004(h) and 6006(d), the Court expressly finds that there is no just reason for delay in the implementation of this Sale Order and the closing of the Sale Transaction, and expressly directs entry of judgment as set forth herein.²~~

C. The statutory predicates for the relief sought in the Sale Motion are sections 105(a), 363(b), (f) and (m) and 365(a), (b) and (f) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

SOUND BUSINESS PURPOSE

D. The Debtors seek to convey the Assets, consisting of the Powertrain Assets, the Chassis Assets, the BSM Assets and the Tubular Assets, all of which are more fully described in the Agreement.

E. The Debtors have (1) demonstrated good, sufficient, and sound business purposes and justifications for the Sale Transaction, (2) appropriately exercised their business judgment by entering into the Sale Transaction and (3) demonstrated compelling circumstances for entry into the Sale Transaction pursuant to section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization in that, among other things, the value of the Assets would be harmed by any delay of the Sale Transaction. Business justifications for the Sale Transaction

² Underlined language in bold (other than headings) was added by the Court to the proposed order submitted by Debtors' counsel. Language shown with strike-through was deleted by the Court from the proposed order.

include the facts that (i) there is substantial risk of deterioration of the value of the Assets if the Sale Transaction is not consummated quickly; (ii) the Agreement constitutes the highest or best offer for the Assets; (iii) the Agreement presented the best opportunity to realize the value of the Assets on a going concern basis and avoid decline and devaluation of the Debtors' businesses; and (iv) unless the Sale Transaction is concluded expeditiously as provided in the Agreement, creditors' recoveries may be diminished. Time is of the essence in consummating the proposed Sale Transaction.

HIGHEST AND BEST OFFERS

F. The Bidding Procedures provided a full, fair and reasonable opportunity for any entity to make an offer to purchase the Assets. The Debtors conducted an Auction in accordance with the Bidding Procedures Orders and complied with those orders in all respects. The Auction was duly noticed and conducted in a noncollusive, fair and good faith manner. MD Investors participated in the Auction and complied with the Bidding Procedures Orders.

G. As demonstrated by the testimony and other evidence proffered or adduced at the Sale Hearing, (1) the Debtors have adequately marketed the Assets; (2) the purchase price contained in the Agreement constitutes the highest and best offer for the Assets and provides fair and reasonable consideration therefor; (3) the Sale Transaction will provide a greater recovery for the Debtors' creditors than would be provided by any other practical available alternative, including competing bids for the Assets; (4) no other party has offered to purchase the Assets for greater economic value to the Debtors or their estates; and (5) the consideration to be paid by MD Investors under the Agreement constitutes reasonably equivalent value and fair consideration for the Assets under the Bankruptcy Code and under the laws of the United States, any state, territory or possession thereof or the District of Columbia.

H. MD Investors was the Successful Bidder for the Assets in accordance with the Bidding Procedures and Bidding Procedures Orders. The process conducted by the Debtors pursuant to the Bidding Procedures obtained the highest and best value for the Assets for the Debtors and their estates.

I. MD Investors has provided the Debtors with a deposit in an amount equal to \$3.5 million of the initial cash consideration contemplated by the Agreement (such amount, the “Good Faith Deposit”), which Deposit is currently being held by Wells Fargo Bank, National Association (the “Escrow Agent”) in an interest-bearing account.

BEST INTEREST OF CREDITORS

J. Approval of the Agreement and the consummation of the Sale Transaction with MD Investors at this time are in the best interests of the Debtors, their creditors, their estates and all parties in interest.

GOOD FAITH

K. The Agreement and each of the transactions contemplated therein were negotiated, proposed and entered into by the Sellers and MD Investors in good faith, without collusion and from arm’s-length bargaining positions. MD Investors is a “good faith purchaser” within the meaning of section 363(m) of the Bankruptcy Code and, as such, is entitled to all the protections afforded thereby. Neither the Sellers nor MD Investors has engaged in any conduct that would cause or permit the Agreement to be avoided or costs and damages to be imposed under section 363(n) of the Bankruptcy Code.

NOTICE OF THE SALE MOTION, THE AUCTION AND THE CURE AMOUNTS

L. As evidenced by the certificates of service filed with the Court, (1) proper, timely, adequate and sufficient notice of the Sale Motions and the Sale Hearing was provided by the Debtors; (2) such notice was good, sufficient and appropriate under the particular

circumstances; and (3) no other or further notice of the Sale Motions, the proposed Sale Transaction, the Bidding Procedures, the Auction or the Sale Hearing is or shall be required. A reasonable opportunity to object or be heard with respect to the Sale Motions and the relief requested therein was afforded to all interested persons and entities, including, but not limited to:

- (i) counsel to the Creditors' Committee;
- (ii) counsel to the Debtors' postpetition lenders and customers;
- (iii) counsel to JPMorgan Chase, N.A., as agent for the Debtors' Prepetition Term Loan Facility;
- (iv) counsel to Deutsche Bank, A.G., New York, as agent for the Debtors' prepetition asset-backed secured revolving credit facility and as agent and lender under the Debtors' postpetition financing facility;
- (v) counsel to The Bank of New York Trust Company, N.A., in its capacity as the indenture trustee for the remaining outstanding Notes;
- (vi) any party who, in the past year, expressed in writing to the Debtors an interest in the Assets;
- (vii) nondebtor parties to the Debtor Contracts;
- (viii) all parties who are known or reasonably believed to have asserted a lien, encumbrance, claim or other interest in the Assets;
- (ix) the Securities and Exchange Commission;
- (x) the Internal Revenue Service;
- (xi) all applicable state attorneys general and local environmental enforcement agencies;
- (xii) all applicable state and local taxing authorities;
- (xiii) the Office of the United States Trustee for the Southern District of New York;
- (xiv) the Federal Trade Commission;
- (xv) the United States Attorney General/Antitrust Division of the Department of Justice;
- (xvi) the Environmental Protection Agency;

(xvii) the United States Attorney; and

(xviii) all entities that have requested notice in these chapter 11 cases under Bankruptcy Rule 2002.

M. Additionally, the Debtors published notice of the Sale Motions in the national edition of the *Wall Street Journal* and in the *Detroit Free Press*. With regard to parties who have claims against the Debtors, but whose identities are not reasonably ascertainable by the Debtors, the Court finds that such publication notice was sufficient and reasonably calculated under the circumstances to reach such parties.

N. In accordance with the provisions of the Bidding Procedures Orders, the Debtors have served notice of their intent to assume and assign the Debtor Contracts and of the related proposed Cure Costs (the “Contract and Cure Schedule”) upon each nondebtor counterparty to the Debtor Contracts identified on Exhibit 2 attached hereto prior to the Sale Hearing and in accordance with the Bidding Procedures Orders. The service of such notice was good, sufficient and appropriate under the circumstances and no further notice need be given with respect to the Cure Costs for the Debtor Contracts listed in the Contract and Cure Schedule and the assumption and assignment of the Debtor Contracts identified on Exhibit 2. All nondebtor parties to the Debtor Contracts identified on Exhibit 2 have had a reasonable opportunity to object to both the Cure Costs listed in the Contract and Cure Schedule and the assumption and assignment of the Debtor Contracts.

SECTION 363(F) REQUIREMENTS MET FOR FREE AND CLEAR SALES

O. The Debtors may sell the Assets free and clear of all liens, claims (as defined in section 101(5) of the Bankruptcy Code), rights, liabilities, interests and encumbrances of any kind or nature whatsoever, including, specifically and without limitation, those liens identified on Exhibit 3 attached hereto and any products liability claims, environmental

liabilities, employee pension or benefit plan claims, retiree benefit or medical claims and any successor liability claims (collectively, "Claims") (except for any Assumed Liabilities), because, in each case, one or more of the standards set forth in section 363(f)(1)-(5) of the Bankruptcy Code have been satisfied. Those holders of Claims who did not object, or who withdrew their objections, to the Sale Transaction or the Sale Motion are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Those holders of Claims who did object fall within one or more of the other subsections of section 363(f) of the Bankruptcy Code and are adequately protected by having their Claims, if any, attach solely to the proceeds of the Sale Transaction ultimately attributable to the property against which they have a Claim, in the same order of priority and with the same validity, force and effect that such creditor had prior to the Sale Transaction, subject to any defenses of the Debtors. All persons having Claims of any kind or nature whatsoever against any of the Debtors or the Assets shall be forever barred, estopped and permanently enjoined from pursuing or asserting such Claims against MD Investors or any of its assets, property, successors, assigns, or the Assets (other than Assumed Liabilities).

P. MD Investors would not have entered into the Agreement and would not consummate the transactions contemplated thereby, thus adversely affecting the Debtors and their estates and their creditors, if the sale of the Assets were not free and clear of all Claims relating to the Assets, the operation of the Assets prior to Closing or the transfer of the Assets, other than Assumed Liabilities, or if MD Investors would, or in the future could, be liable for any such Claims, including, as applicable, certain liabilities (collectively, the "Excluded Liabilities") related to the Debtors' businesses that will not be assumed by MD Investors, as described in the Agreement.

ASSUMPTION AND ASSIGNMENT OF THE DEBTOR CONTRACTS

Q. The assumption and assignment of the Debtor Contracts are integral to the Agreement, are in the best interests of the Debtors and their estates, and represent the reasonable exercise of the Debtors' sound business judgment.

R. With respect to each of the Debtor Contracts, except those subject to an objection that has been adjourned to a later hearing before the Court (the "Objection Contracts") and the Additional Contracts, the Debtors have met all requirements of section 365(b) of the Bankruptcy Code. Further, other than with respect to adjourned objections that raised adequate assurance of future performance arguments, MD Investors has provided all necessary adequate assurance of future performance under the Debtor Contracts in satisfaction of sections 365(b) and 365(f) of the Bankruptcy Code. Accordingly, the Debtor Contracts (other than the Objection Contracts) may be assumed by the Debtors and assigned to MD Investors, as provided for in and, in the case of the Additional Contracts, subject to compliance with, the Bidding Procedures Orders, the Sale Motions and the Agreement.

VALIDITY OF THE TRANSFER

S. As of the closing of the Sale Transaction (the "Closing"), the transfer of the Assets to MD Investors will be a legal, valid and effective transfer of the Assets, and will vest MD Investors with all right, title and interest of the Debtors in and to the Assets, free and clear of (1) all Claims relating to the Assets, the operation of the Assets prior to Closing, or the transfer of the Assets, other than Assumed Liabilities, and (2) all debts arising under or out of, in connection with, or in any way relating to, any acts of the Debtors, claims (as defined in section 101(5) of the Bankruptcy Code), rights or causes of action (whether in law or in equity, including any rights or causes of action based on theories of transferee or successor liability under any law, statute, rule or regulation of the United States, any state, territory, or possession

thereof or the District of Columbia), obligations, demands, guaranties, rights, contractual commitments, restrictions, interests and matters of any kind or nature whatsoever, whether arising prior to or subsequent to the commencement of these cases, and whether imposed by agreement, understanding, law, equity or otherwise.

T. The Debtors (1) have full corporate power and authority to execute the Agreement and all other documents contemplated thereby, and the Sale Transaction has been duly and validly authorized by all necessary corporate action of the Debtors, (2) have all of the corporate power and authority necessary to consummate the transactions contemplated by the Agreement, (3) have taken all actions necessary to authorize and approve the Agreement and the consummation by the Debtors of the transactions contemplated thereby and (4) have all consents and approvals, other than those expressly provided for in the Agreement, that are required for the Debtors to consummate such transactions. The Assets constitute property of the Debtors' estates and title thereto is vested in the Debtors' estates within the meaning of section 541(a) of the Bankruptcy Code.

CREDIT BID

U. As set forth in the Agreement, pursuant to the Direction Letter, the Prepetition Term Loan Agent has been instructed by the Required Lenders to submit the Bid, including without limitation the credit bid of all claims and Obligations (under and as defined in the Credit Agreement) of Secured Parties (as defined in the Credit Agreement), which (i) shall be in the aggregate equal no less than \$425,000,000 as of the date of the Agreement, as adjusted upwards to reflect all funded Obligations prior to, or subsequent to, the Closing Date, and (ii) for the avoidance of doubt, shall not include in any respect any rights, of the Term Lenders party to the Credit Agreement, to funds currently held in the Deposit Account (as defined in the Credit Agreement), except to the extent such amounts become funded Obligations (the "Credit Bid").

V. All funded Obligations under the Credit Agreement, which in the aggregate equal no less than \$425,000,000 as of the date of the Agreement, as adjusted upwards to reflect all funded Obligations prior to, or subsequent to, the Closing Date, constitute, solely for purposes of section 363(k) of the Bankruptcy Code, an allowed secured claim pursuant to section 506(a) of the Bankruptcy Code (the “Allowed Secured Claim”). The Prepetition Term Loan Agent was authorized to submit the Credit Bid at the Auction.

W. The Credit Bid was a valid and proper offer pursuant to sections 363(b) and 363(k) of the Bankruptcy Code. Upon closing of the Sale Transaction, the effect of the Credit Bid will be that the Term Lenders shall have no further Claims against the Debtors’ estates or the Assets.

X. **Notwithstanding any other provision contained in the Agreement or Sale Order, the Sale Transaction shall be free and clear of all liens, claims, encumbrances, and other interests of any kind or nature, including rights or claims based on any successor or transferee liability, to the fullest extent permitted by law, and all such liens, claims, encumbrances, and other interests, including rights or claims based on any successor or transferee liability (except for liens or interests of the Prepetition Term Lenders), shall attach to the net proceeds of the Sale Transaction in the order of their priority, with the same validity, force, and effect that they now have as against Assets, subject to any claims and defenses a Seller or any other party in interest may possess with respect thereto.** ~~On~~ account of the Credit Bid, each Term Lender will receive the same treatment relating to the purchase of the Assets.

**NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED
THAT:**

GENERAL PROVISIONS

1. The Sale Motions are granted as set forth herein, and the Sale Transaction is approved as set forth in this Sale Order.

2. The findings of fact set forth above and conclusions of law stated herein shall constitute this Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. 3. All objections, if any, to the Sale Motions or the relief requested therein that have not been withdrawn, waived, settled or adjourned as announced to the Court at the Sale Hearing or by stipulation filed with the Court, and all reservations of rights included therein, are hereby overruled on the merits, except as expressly provided herein. **The Objections of BDC Finance, L.L.C. to Findings of Fact and Rulings of Law Embedded in Proposed Sale Order, dated August 11, 2009 (ECF Doc. #670); and the Request of BDC Finance L.L.C. Pursuant to Bankruptcy Rule 7052 for Findings of Fact and Rulings of Law (ECF Doc. #668), to the extent not reflected in this Sale Order or in the Memorandum Opinion Granting Debtors' Motion to Approve Sale of Substantially All of the Debtors' Assets to MD Investors Corp., are expressly overruled.**

4. Notice of the Sale Hearing was fair and equitable under the circumstances and complied in all respects with section 102(1) of the Bankruptcy Code and Bankruptcy Rules 2002, 6004 and 6006.

5. The sale of the Assets and the consideration provided by MD Investors under the Agreement is fair and reasonable and shall be deemed for all purposes to constitute a transfer for reasonably equivalent value and fair consideration under the Bankruptcy Code and any other applicable law.

APPROVAL OF THE AGREEMENT

7. Pursuant to sections 105, 363 and 365 of the Bankruptcy Code, the Debtors are authorized to perform their obligations under and comply with the terms of the Agreement and consummate the Sale Transaction, pursuant to and in accordance with the terms and conditions of the Agreement and this Sale Order.

8. The Debtors, as well as their affiliates, officers, employees and agents, are authorized to execute and deliver, and authorized to perform under, consummate and implement, the Agreement, in substantially the same form as the Agreement attached hereto as Exhibit 1, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Agreement and to take all further actions as may be (a) reasonably requested by MD Investors for the purpose of assigning, transferring, granting, conveying and conferring to MD Investors, or reducing to possession, the Assets or (b) necessary or appropriate to the performance of the obligations contemplated by the Agreement, all without further order of the Court.

10. At the Closing, the proceeds from the sale of the Assets attributable to the DIP Collateral shall be used first to indefeasibly pay (and shall be paid directly to) the Prepetition ABL Agent for application to the Prepetition ABL Obligations and the DIP Obligations in accordance with the terms of the Final DIP Order (as defined below) and the Prepetition ABL Loan Documents. Capitalized terms used in this paragraph but not defined in this Sale Order are defined in the Final DIP Order.
