## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as amended or otherwise modified from time to time, the "Agreement") is made as of this 17th day of December, 2009 by NICHOLS MOTORCYCLE SUPPLY, INC., an Illinois corporation ("Grantor"), in favor of BANK OF MONTREAL, in its capacity as Agent for the Lenders party to the Credit Agreement (defined below) ("Grantee").

### WITNESSETH

**WHEREAS** pursuant to the terms of a credit agreement dated as of or on December 17, 2009 among Motovan corporation, as borrower, and 4295862 Canada Inc., the Grantor and Williams Holding Company, Inc., as guarantors, all of the banks and other financial institutions named as Lenders on the signature page therein and other Lenders party from time to time thereto, as Lenders, and Bank of Montreal, as Agent (the said credit agreement, as it may hereafter be amended, supplemented, replaced, restated or otherwise modified from time to time, the "Credit Agreement"), the Agent and Lenders have agreed to consent to certain credit facilities to the Borrower on the terms and conditions set forth therein;

WHEREAS, pursuant to the terms of that certain Security Agreement of even date herewith by and between Grantor and Grantee (as amended or otherwise modified from time to time, the "Security Agreement"), Grantor has granted to Grantee a security interest in substantially all of the assets of Grantor, including, without limitation, all right, title and interest of Grantor in, to and under all now owned and hereafter acquired or arising trademark applications and trademarks, trade names and trademark licenses (other than "intent to use" applications until a verified statement of use or an amendment to alleged use is filed with respect to such applications) (collectively, "Trademarks") to secure the payment of all amounts owing by Grantor to Grantee and Lenders under the Credit Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Credit Agreement and Security Agreement. The Credit Agreement and Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Credit Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Obligations, Grantor hereby grants to Grantee, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created or acquired:

(i) each Trademark listed on Schedule 1 annexed hereto, together with any renewals thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the forgoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

3. Warranties and Representations. Grantor warrants and represents to Grantee that:

(i) Except to the extent expressly provided otherwise in the Credit Agreement, Grantor is the sole and exclusive owner of the entire right, title and interest in and to each Trademark, free and clear of any liens, charges and encumbrances (other than Permitted Liens as defined in the Credit Agreement), including without limitation licenses (except any licenses to which Grantee has consented in writing pursuant to Section 4 below) and covenants by Grantor not to sue third persons;

(ii) Except to the extent expressly provided otherwise in the Credit Agreement, Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iii) Grantor has the unqualified right to execute and deliver this Agreement and perform its terms.

4. Restrictions on Future Agreements. Grantor agrees that until the Obligations shall have been satisfied in full and the Credit Agreement and the Security Agreement have been terminated, except as otherwise expressly permitted by the Credit Agreement, Grantor shall not, without the prior written consent of Grantee, sell or assign its interest in, or grant any license under, any Trademark or enter into any other agreement which imposes any restrictions on any Trademark, and Grantor further agrees, except as otherwise expressly permitted by the Credit Agreement, that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Grantee under this Agreement.

5. Product Quality. Grantor agrees (i) not to reduce the quality of the products for which the Trademarks are used in any material respect, and (ii) to provide Grantee, upon Grantee's request from time to time, with a certificate of an officer of Grantor certifying Grantor's compliance with the foregoing.

6. New Trademarks. If, before the Obligations shall have been satisfied in full or before the Credit Agreement and the Security Agreement have been terminated, Grantor shall (i) become aware of any existing Trademarks of which Grantor has not previously informed Grantee, (ii) adopt any new Trademarks of which Grantor has not previously informed Grantee

or (iii) file any "intent to use" application or statement of use or amendment to allege use with respect to any Trademark that is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Grantor shall give to Grantee prompt written notice thereof. Grantor hereby authorizes Grantee to modify this Agreement by amending Schedule 1 to include any such Trademarks.

7. Litigation. Except as otherwise expressly permitted by the Credit Agreement, if, before the Obligations shall have been satisfied in full or before the Credit Agreement and the Security Agreement have been terminated, Grantor shall become aware of any suits or actions commenced or threatened with reference to any Trademark, Grantor shall give to Grantee prompt written notice thereof.

8. Duties of Grantor. Except as otherwise expressly permitted by the Credit Agreement, Grantor shall (i) file and prosecute diligently any trademark applications pending as of the date hereof or hereafter unless the Grantor determines in its reasonable business judgment not to take such actions in order to protect its own business interests and Grantee consents thereto, (ii) take reasonable steps to preserve and maintain all rights in the Trademarks and (iii) take reasonable steps to ensure that the Trademarks are and remain enforceable.

9. Grantee's Right to Sue. Upon the occurrence and during the continuance of an Event of Default, Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Grantee shall commence any such suit, Grantor shall, at the request of Grantee, do any and all lawful acts and execute any and all proper documents required by Grantee in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify Grantee for all costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) incurred by Grantee in the exercise of its rights under this Section 9.

10. Cumulative Remedies; Power of Attorney. Grantee hereby acknowledges and affirms that the rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Grantee upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of Grantee as Grantee may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Grantee in the use of the Trademarks, (ii) take any other actions with respect to the Trademarks as Grantee deems to be in the best interest of Grantee, (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and the Credit Agreement and the Security Agreement have been terminated. Grantor hereby further acknowledges and agrees that the use by Grantee of the Trademarks shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Grantee to Grantor.

IN WITNESS WHEREOF, Grantor has duly executed this Trademark Security Agreement as of the date first written above.
