with the United States Copyright Office, Patent and Trademark Office and/or other offices as are necessary to perfect Bank's security interest in subsequent ownership rights and interests of Grantor in the Collateral.

Grantor has advised Bank of the existence of all material contractual restrictions on the use of the Collateral.

4.9 To the best of Grantor's knowledge and belief: (i) there are no obligations to, covenants to or restrictions from third parties affecting Grantor's use, disclosure, enforcement, transfer or licensing of the Collateral (other than (A) Licenses described on Exhibit 4.9 attached hereto, (B) this Security Agreement, (C) the Credit Agreement, and (D) the other Credit Documents (as defined in the Credit Agreement); (ii) all U.S. Collateral that is owned by Grantor is valid and enforceable; (iii) Grantor has the right to use all Collateral that is necessary for the operation of Grantor's business as presently conducted and as intended by Grantor to be conducted in the immediate near future; (iv) the Grantor has taken all actions necessary to maintain and protect all material Collateral and no loss of such material Collateral is pending, reasonably foreseeable or threatened; (v) there has been no claim made or threatened by or against Grantor asserting the invalidity, misuse or unenforceability of any item of Collateral or challenging Grantor's right to use or ownership of any item of Collateral, and there are no grounds for any such claim or challenge; (vi) there is not and has not been any actual or threatened infringement, misappropriation, breach or other violation of any Collateral, and there are no facts raising a likelihood of infringement, misappropriation, breach or other violation; (vii) except for Permitted Liens, the consummation of the transactions contemplated by (or previously undertaken in reliance on) (A) this Security Agreement, (B) the Credit Agreement, and (C) the other Credit Documents, will not alter, impair or extinguish any rights of Grantor in the Collateral; (viii) Grantor has not infringed, misappropriated or otherwise violated, and Grantor does not infringe, misappropriate, or otherwise violate, any intellectual property or proprietary right of any other person or entity; and (ix) there has been no

claim made or threatened against Grantor alleging infringement, misappropriation or other violation of intellectual property.

5. **COVENANTS.** Grantor covenants and agrees with Bank that from and after the date of this Security Agreement and until the Secured Obligations have been performed and paid in full:

5.1 **Disposition of Collateral.** Grantor shall not sell, lease, assign, transfer or otherwise dispose of any of the Collateral other than in the ordinary course of business, or contract to do so. Other than in the ordinary course of business, Grantor shall not, without Bank's prior written consent, enter into any agreement or amend, alter or modify any existing agreement, including, without limitation, any license, related to any or all of the material Collateral. Grantor also agrees to maintain the quality of any and all merchandise and/or services in connection with which the Trademarks are used, substantially consistent with or better than the quality of said merchandise and/or services as of the date hereof.

5.2 **Relocation of Business or Collateral.** Grantor shall not relocate its chief executive office, principal place of business or its records from such address(es) provided to Bank pursuant to Section 4(d) above without prior written notice to Bank.

5.3 **Limitation on Liens on Collateral.** Grantor shall not, directly or indirectly, create, permit or suffer to exist, and shall defend the Collateral against and take such other action as is necessary to remove, any Lien on the Collateral (other than Permitted Liens).

5.4 **Maintenance of Records.** Grantor shall keep and maintain at its own cost and expense records of the Collateral that are complete in all material respects.

5.5 **Registration and Maintenance of Intellectual Property Rights.** Except in the ordinary course of business or as would have an adverse effect on the value or enforceability of, or any rights of Grantor or Bank in, any material Collateral, Grantor shall (i) use commercially reasonable efforts to prosecute any Patent, Trademark or Copyright pending as of the date hereof or thereafter, (ii) promptly make applications for, register or cause to be registered (to the extent not already registered and consistent with good faith business judgment) any Copyright, Copyright License, any Patent, Patent License, any Trademark or Trademark License, which is (a) set forth in Schedule A or Schedule B or (b) is individually or in the aggregate, material to the conduct of Grantor's business, with the United States Copyright Office or Patent and Trademark Office, as applicable, including, without limitation, in all such cases the filing and payment of maintenance, registration and/or renewal fees, the filing of applications for renewal, affidavits of use, affidavits of noncontestability, the filing and diligent prosecution of opposition, interference and cancellation proceedings, and promptly responding to all United States Copyright Office or Patent and Trademark Office requests and inquiries, (iii) maintain and protect all Domain Names registered to it, (iv) preserve and maintain all rights in the Collateral, and (v) not, without Bank's prior written consent, abandon any rights in or fail to pay any maintenance or renewal fee for any Patent, Trademark or Copyright listed in Schedule A, or fail to maintain any Domain Name listed in Schedule A, or breach, terminate, fail to renew or extend, or fail to perform any duties or obligations for any License listed in Schedule B. Any expenses incurred in connection with prosecution, registration, maintenance and protection of Collateral shall be borne by the Grantor. Grantor further agrees to retain experienced intellectual property attorneys for the filing and prosecution of all such applications and other proceedings when and if applicable. Grantor further agrees that it will not

If Grantor fails to comply with any of the foregoing provisions of this Section 5.5 within thirty (30) days of written notice from Bank if no Event of Default exists (or such shorter period as Bank determines necessary to protect any Collateral), or at any time while an Event of Default exists, Bank shall have the right (but shall not be obligated) to do so on behalf of Grantor to the extent permitted by law, but at Grantor' expense, and Grantor hereby agrees, jointly and severally, to reimburse Bank in full for all expenses, including the fees and disbursements of counsel incurred by Bank in procuring, protecting, defending and maintaining the Collateral. In the event that Grantor shall fail to pay when due any fees required to be paid by it hereunder, or shall fail to comply with any other duty under this Security Agreement, Bank may, but shall not be required to, pay, satisfy, discharge or bond the same for the account of Grantor, and all monies so paid out shall be Secured Obligations of Grantor repayable on demand, together with interest at the rate applicable to the Loan.

Grantor hereby authorizes Bank to modify this Security Agreement by amending Schedules A and B to include any future Copyrights, Patents, Trademarks or Licenses that are Collateral under Section 2 above. Bank will make good faith efforts to provide copies of such amended Schedules A and B to Grantor, provided that, Bank's failure to provide such copies shall not constitute a breach of this Agreement nor render such amendments ineffective. In addition to any requirements in this Security Agreement for notification, Grantor shall also provide Bank with quarterly reports that identify the status of the Collateral, any new Copyrights, Patents, Trademarks and/or Licenses, any newly filed applications, the status of any pending applications, the payment of any maintenance or renewal fees, the status of Litigation and licensing, any threats of Litigation, the identification of any known or suspected infringers and the discovery of any prior art or any other information that may affect the validity or enforceability of the Collateral.

**5.7 Defense of Intellectual Property.** Grantor shall (i) protect, defend and maintain the validity and enforceability of all material current and future Copyrights, Patents, Trademarks and Domain Names, (ii) use its commercially reasonable efforts to detect material infringements of such Copyrights, Patents, Trademarks and Domain Names, and promptly advise Bank in writing of material infringements detected and (iii) not allow any material Copyrights, Patents, Trademarks or Domain Names to be abandoned, forfeited or dedicated to the public. Grantor shall not commence, or cause to be commenced, any legal action, proceeding, lawsuit, mediation or arbitration relating to the Collateral without the prior written consent of Bank, such consent not to be unreasonably withheld, nor shall Grantor engage in any activity or conduct that could reasonably be expected to give rise to declaratory judgment jurisdiction. At Grantor' sole expense, Bank shall have the right (but shall not be obligated) to select counsel and/or participate in any action, proceeding, lawsuit, mediation or arbitration that could affect the rights in, validity or enforceability of the Collateral. In

addition, any proposed settlement or compromise of any action, proceeding, lawsuit, mediation or arbitration that could affect value, validity or enforceability of, or any rights of Grantor or Bank in, the Collateral must be approved, in writing, by Bank.

**5.8 Further Assurances; Pledge of Instruments.** At any time and from time to time, upon the written reasonable request of Bank, and at the sole expense of Grantor, Grantor shall promptly and duly execute and deliver any and all such further instruments and documents (including, without limitation, control agreements) and take such further action as Bank may reasonably deem necessary or desirable to obtain the full benefits of this Security Agreement, including, without limitation, facilitating the filing of UCC-1 Financing Statements in all applicable jurisdictions and this Security Agreement (and any amendment hereto) or any other document that Bank may reasonably deem necessary, including, without limitation, any filing described in Schedule D or any other collateral assignment, (and any amendments thereto) with the United States Copyright Office, Patent and Trademark Office, and, as determined in the reasonable discretion of the Bank, foreign equivalents of these offices.

**5.9 Intentionally Omitted.**

**5.10 Continuous Perfection.** Grantor shall not change its name, identity, corporate structure, jurisdiction of organization or corporation identification number in any manner which might make any financing or continuation statement filed in connection herewith seriously misleading within the meaning of Section 9-506 of the UCC (or any other then applicable provision of the UCC) unless Grantor gives Bank thirty (30) days prior written notice thereof and takes all action necessary or reasonably requested by Bank to amend such financing statement or continuation statement so that it is not seriously misleading.

**5.11 Power of Attorney.** Effective only upon the occurrence and during the continuation of an Event of Default, Grantor hereby irrevocably appoints Bank (and any of Bank's designated officers or employees) as Grantor's true and lawful attorney to in accordance with the terms hereof: (a) send requests for verification of Accounts and Licenses or notify account debtors or licensees of Bank's security interest in the Accounts and Licenses; (b) endorse Grantor's name on any checks or other forms of payment or security that may come into Bank's possession in connection with the Collateral; (c) sign Grantor's name on any invoice or bill of lading relating to any Account, drafts against account debtors, schedules and assignments of Accounts and Licenses, verifications of Accounts and Licenses, and notices to account debtors and licensees, (d) make, settle and adjust all claims under and decisions with respect to Grantor's policies of insurance relating to the Collateral; (e) settle and adjust disputes and claims respecting the Accounts and Licenses directly with account debtors and licensees, for amounts and upon terms which Bank determines to be reasonable; (f) modify, in its sole discretion, any intellectual property security agreement entered into between Grantor and Bank without first obtaining Grantor's approval of or signature to such modification by amending reference to any right, title or interest in any Copyright, Patent, Trademark, Domain Name or License, to the extent acquired by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Copyright, Patent, Trademark, Domain Name or License, in which Grantor no longer has or claims any right, title or interest; (g) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Bank in the use of the Collateral, (h) take any other actions with respect to the Collateral as Bank deems in the best interest of Bank (consistent with any enforceable restrictions in Licenses to Grantor); (i) grant or issue any exclusive or non-exclusive license under the Collateral to anyone (consistent with any

enforceable restrictions in Licenses to Grantor) or (j) assign, pledge, convey or transfer title in or dispose of the Collateral to anyone, including Bank or a third party to the extent permitted under the UCC, free and clear of any encumbrance upon title thereof (other than any encumbrance created by this Security Agreement and consistent with any enforceable restrictions in Licenses to Grantor). Grantor hereby irrevocably appoints Bank (and any of Bank's designated officers or employees) as Grantor's true and lawful attorney to and in accordance with the terms hereof: (x) file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral without the signature of Grantor where permitted by law; and (y) with respect to the Trademarks, file a copy of this Security Agreement with the U.S. Patent and Trademark Office. The appointment of Bank as Grantor's attorney in fact, and each and every one of Bank's rights and powers, being coupled with an interest, is irrevocable until all of the Secured Obligations have been fully repaid and performed and Bank's obligation to provide advances under the Loan Documents is terminated. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue of this Security Agreement.

## 6. EVENTS OF DEFAULT; RIGHTS AND REMEDIES UPON DEFAULT.

6.1 **Event of Default.** Grantor shall be in default under this Agreement upon the happening of any of the following events or conditions (each an "Event of Default"):

(a) An Event of Default under the Credit Agreement, as from time to time amended;
