**RECITALS:**

E. F. The Lender proposes to make certain loans to the Company pursuant to the Credit Agreement; and

G. Pursuant to the Credit Agreement, the Company has assigned, conveyed, mortgaged, pledged, hypothecated and transferred to the Lender all of its right, title and interest in and to, and granted to the Lender a security interest in, the property described therein, including, without limitation, all of the Company's Trademarks (as hereinafter defined), whether presently existing or hereafter acquired or arising, or in which the Company now has or hereafter acquires rights and wherever located, and all products and proceeds any of the foregoing, as security for all of the Obligations; and

H. I. This Agreement amends and restates, in its entirety, and supersedes and replaces, without loss in continuity of the security interests granted thereby, and re-granted and continued hereby, the Trademark Security Agreement, dated March 29, 2005, made between the Company and Lender;

NOW, THEREFORE, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. For purposes of this Agreement and in addition to terms defined elsewhere in this Agreement, the following terms shall have the meanings herein specified (such meaning to be equally applicable to both the singular and plural forms of the terms defined):

"Trademarks" means all of the following: (i) all trademarks and service marks, all registrations and recordings thereof, and all applications for trademarks and service marks, including, without limitation registrations, recordings and applications in the office or agency of the United States, any State thereof or any other country or any political subdivision thereof, including, without limitation, those referred to in Schedule I attached hereto, and (ii) all reissues, continuations, continuations-in-part or extensions thereof.

2. As security for the payment and performance of all of the Obligations, the Company hereby grants and conveys a security interest to the Lender, in, and collaterally assigns to the Lender, all of the Company's right, title and interest in, to and under the following (collectively, the "Property"): (a) each Trademark now or hereafter owned by the Company or in which the Company now has or hereafter acquires rights and wherever located, including, without limitation, each Trademark referred to in Schedule I hereto and any renewals of registrations thereof; (b) the goodwill of the Company symbolized by the Trademarks; and (c) all products and proceeds of the foregoing, including, without limitation, any claim by the Company against third parties for past, present or future infringement of any Trademark including, without limitation, any Trademark referred to in Schedule I hereto.

Upon the exercise by the Lender of the rights and remedies accorded to it under the Credit Agreement and by law with respect to the realization upon its security interest in and collateral assignment of the Property, the license granted under this paragraph to the Company shall terminate.

3.
