TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of February 3, 2010, is entered into by and between J BRAND, INC., a California corporation ("Debtor"), having an office at 1201 East Washington Boulevard, Los Angeles, California 90021, and BANK OF AMERICA, N.A., a national banking association ("Secured Party"), having an office at 333 South Hope Street, Los Angeles, California 90071, with reference to the following facts:

RECITALS

A. Debtor is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Schedule A annexed hereto and made a part hereof.

B. Secured Party has agreed to enter into financing arrangements with Debtor pursuant to a Credit Agreement of even date herewith (as amended, restated, extended, supplemented or otherwise modified from time to time, the "Credit Agreement") and a security agreement (as amended, restated, extended, supplemented or otherwise modified from time to time, the "Security Agreement") of even date herewith (the Credit Agreement and the Security Agreement, together with this Agreement, and all other related documents, agreements, instruments or notes, as the same may now exist or may hereafter be amended or supplemented, are referred to herein collectively as the "Loan Documents"), and Debtor and Secured Party desire to enter into this Agreement, by which Debtor shall secure the payment and performance of its obligations to Secured Party under the Credit Agreement by granting Secured Party a security interest in the Collateral described below.

NOW, THEREFORE, the parties hereby agree as follows:

1. SECURITY INTEREST

Debtor hereby grants to Secured Party a security interest in: (a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: all of Debtor's trademarks, trade names, trade styles and service marks; all prints and labels on which such trademarks, trade names, trade styles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; all applications (provided that "intent-to-use" trademark applications shall constitute part of the Collateral only as set forth in the Security Agreement), registrations and recordings relating to the foregoing in the United States Patent and Trademark Office ("USPTO") or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other countries, and all renewals thereof including those trademarks, terms, design and applications described in Schedule A hereto (the "Trademarks"); (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; and (c) any and all proceeds of any of the foregoing, including, without limitation, any claims by Debtor against

third parties for infringement of the Trademarks or of any licenses with respect thereto (all of the foregoing are collectively referred to herein as the "Collateral").

2. OBLIGATIONS SECURED

The security interests granted to Secured Party in this Agreement shall secure the prompt and indefeasible payment and performance of the "Obligations" as defined in the Credit Agreement (all the foregoing hereinafter referred to as the "Obligations") and are in conjunction with the security interest granted to Secured Party pursuant to the Security Agreement. Debtor hereby acknowledges and affirms the rights and remedies of Secured Party with respect to its security interest in the Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

3. PURPOSE

This Agreement has been executed and delivered by Debtor for the purpose of registering with the USPTO the grant of a security interest in the Collateral. The security interest granted hereby has been granted pursuant to Section 2 (Further Assurances) of the Security Agreement, as a supplement and ancillary to, and not in limitation of, the security interest granted to Secured Party under the Security Agreement with respect to the Collateral. The Security Agreement (and all rights and remedies of Secured Party thereunder) shall remain in full force and effect in accordance with its respective terms. In the event of any conflict between this Agreement and the other Loan Documents, the other Loan Documents shall prevail.

4. POWER OF ATTORNEY

Debtor will, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Power of Attorney in the form of Exhibit 1 annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder. Secured Party agrees it will not exercise the Power of Attorney unless an Event of Default under (and as defined in) the Credit Agreement shall have occurred and be continuing.

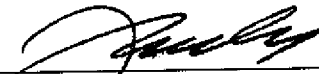

5. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, Debtor and Secured Party have executed this Agreement  
as of the day and year first above written.
