TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of March 31, 2010, is made by LaSalle Steel Company, a Delaware corporation (the "Grantor"), in favor of Wilmington Trust FSB ("Wilmington Trust"), as Collateral Agent (in such capacity, together with its successors and permitted assigns, the "Agent") for the Lenders (as defined in the Credit Agreement referred to below) and the other Secured Parties.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of March 31, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrowers, the Lenders from time to time party thereto, and Wilmington Trust, as Administrative Agent and Collateral Agent for the Lenders, the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor has agreed, pursuant to a Guaranty and Security Agreement of even date herewith in favor of the Agent (the "Guaranty and Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of the Borrowers; and

WHEREAS, the Grantor is party to the Guaranty and Security Agreement pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, the Grantor hereby agrees with the Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. The Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of the Grantor, hereby mortgages, pledges and hypothecates to the Agent for the benefit of the Secured Parties, and grants to the Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of the Grantor (the "Trademark Collateral"):

(a) all of its Trademarks and all IP Licenses providing for the grant by or to the Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule I hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Guaranty and Security Agreement, and the Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. The Grantor hereby agrees that, anything herein to the contrary notwithstanding, the Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with its Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the lien and security interest granted to the Agent pursuant to this Trademark Security Agreement and the exercise of any right or remedy by the Agent hereunder are subject to the provisions of the Amended and Restated Intercreditor Agreement, dated as of March 31, 2010 (as amended, restated, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), among NIAGARA CORPORATION, a Delaware corporation, NIAGARA LASALLE CORPORATION, a Delaware corporation, LASALLE STEEL COMPANY, a Delaware corporation, RABBIT STEEL CORPORATION, a Delaware corporation, KNIA HOLDINGS, INC., a Delaware corporation, GENERAL ELECTRIC CAPITAL CORPORATION, a Delaware corporation in its capacity as revolving credit collateral agent (including its successors and assigns from time to time, the “Revolving Credit Collateral Agent”), WILMINGTON TRUST FSB, in its capacity as collateral agent for the New Term Loan Lenders (as defined in the Intercreditor Agreement)(including its successors and assigns from time to time, the “New Term Loan Collateral Agent”), and WILMINGTON TRUST FSB, as successor to JPMorgan Chase Bank, NA., in its capacity as the collateral agent for the Existing Term Loan Lenders (as defined in the Intercreditor Agreement)(including its successors and assigns from time to time, the “Existing Term Loan Collateral Agent”), and certain other persons which may be or become parties thereto or become bound thereto from time to time.
