## WITNESSETH:

WHEREAS, pursuant to the Second Lien Credit Agreement, dated as of April 13, 2010 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Clover Transportation, LLC, Clover International Holdings LLC, Clover Technologies Group, LLC, GRC Acquisition Company, LLC, Clover Mechanical, LLC, CAU Acquisition Company, LLC, CAU Real Estate Company, LLC, Clover Ithaca Properties, LLC, Dataproducts USA LLC, Clover EU, LLC, Image Warehouse, LLC and Clover Canada Holdings, Inc. (collectively, the "Borrowers"), Clover Technologies Group, LLC, as the Borrower Representative, the other Credit Parties party thereto, the Lenders from time to time party thereto and GGC Finance, as administrative agent (in such capacity, the "Agent") for the Lenders, the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to a Guaranty and Security Agreement of even date herewith in favor of the Agent (as amended, restated, supplemented or otherwise modified from time to time, the "Guaranty and Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of each Borrower; and

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Agent to enter into the Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to the Agent for the benefit of

the Secured Parties, and grants to the Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral (to the extent not constituting Excluded Property) of such Grantor (the "Trademark Collateral"):

1. all of its Trademarks (to the extent not constituting Excluded Property), including, without limitation, those referred to on Schedule 1 hereto;
2. all renewals and extensions of the foregoing;
3. all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
4. all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Second Lien Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the Guaranty and Security Agreement and this Second Lien Trademark Security Agreement, the terms of the Guaranty and Security Agreement shall control.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Second Lien Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Delivery of an executed signature page of this Agreement by facsimile transmission or Electronic Transmission shall be as effective as delivery of a manually executed counterpart hereof.

Section 7. Intercreditor Agreement Controls. This Agreement and the Lien on and security interest in the Trademark Collateral pledged and granted hereunder are subordinated in the manner and to the extent set forth in the Intercreditor Agreement, as more particularly described therein. Prior to the Payment in Full of all First Lien Obligations (as defined in the Intercreditor Agreement) the Grantor shall not be obligated (and the First Lien Agent and the Agent shall not be entitled) to take, or fail to take, any action to the extent that such action, or failure to take such action, would be prohibited by, or would in any way conflict with, the Intercreditor Agreement.
