GRANT OF SECURITY INTEREST  
IN UNITED STATES TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, Integra Telecom Holdings, Inc. (the “Grantor”) with principal offices at 1201 NE Lloyd Blvd, Suite 500, Portland, OR 97232, does hereby assign and transfer unto U.S. Bank National Association, as Collateral Trustee, with principal offices at 633 West Fifth Street, 24th Floor, Los Angeles, CA 90071, (the “Grantee”), and does hereby pledge and grant to the Grantee, for the benefit of the Secured Parties, a continuing security interest in all of the right, title and interest, powers, remedies, privileges and other benefits of such Grantor in, to and under all trademarks, service marks, trade dress, corporate names, company names, business names, fictitious business names, certification marks, collective marks, logos, trade names and other source or business identifiers, designs and general intangibles of a like nature, including all registrations and applications listed on Schedule A hereto, (but excluding any “intent-to-use” application for registration of a trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law) as well as all of the goodwill of the business connected with the use of and symbolized by the foregoing (the “Trademarks”), in each case together with the right to sue for past, present and future infringements, dilutions and other violations thereof, all Proceeds of the foregoing, including, without limitation, license fees, royalties, income, payments, claims, damages and proceeds of suit now or hereafter due and/or payable with respect thereto, and all other rights accruing thereunder or pertaining thereto throughout the world.

THIS GRANT is made to secure the satisfactory performance and payment of all of the Grantor’s Priority Lien Obligations, as such term is defined in (or incorporated by

reference in) the Security Agreement among the Grantor, the other assignors from time to time party thereto and the Grantee, dated as of April 23, 2010 (as the same may be amended, modified, restated, and/or supplemented from time to time, the "Security Agreement"). Upon the occurrence of the Termination Date (as defined in the Security Agreement), the Grantee shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Trademarks acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement and is not intended to increase the rights of the Grantee pursuant to the Security Agreement or the obligations of the Grantee beyond the rights and obligations contained in the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble, have the meanings provided or provided by reference in the Security Agreement.

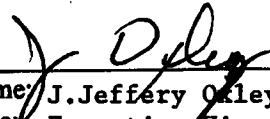

This Grant may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

This Grant shall be construed in accordance with and be governed by the law of the State of New York without regard to conflict of law principles that would result in the application of any law other than the law of the State of New York.
