Ladies and Gentlemen:

Please be advised that pursuant to an Amended and Restated Security Agreement, dated as of April 8, 2010, (as such Amended and Restated Security Agreement may be amended, modified, supplemented or restated, the "*Security Agreement*"), by and between Chargers Football Company, LLC, a California limited liability company (the "*Borrower*") and Bank of America, N.A., acting as collateral agent for the Secured Parties (as defined in the Security Agreement) (in its capacity as collateral agent hereunder and any successor in such capacity being hereinafter referred to as the "*Collateral Agent*") the Borrower has granted to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in, and right of setoff against and has acknowledged and agreed that the Collateral Agent (and with respect to rights of setoff, each of the Secured Parties) has and shall continue to have, for the ratable benefit of the Secured Parties, a continuing security interest in and right of setoff against any and all right, title and interest of the Borrower, whether now existing or hereafter acquired or arising, in and to the Trademarks and Trade Names and Copyrights (each as defined in the Security Agreement), including, without limitation, the trademark, service mark and copyright registrations and applications shown on the attached Schedule A hereto.

The security interest in and to and right of setoff against the Trademarks and Trade Names and Copyrights, including, without limitation, the trademark, service mark and copyright registrations and applications set forth on Schedule A, is granted in accordance with the terms and conditions of the Security Agreement and can be terminated only in accordance with the terms of the Security Agreement.

Notwithstanding the foregoing, no security interest shall be granted or attach hereunder with respect to any Trademark or Trade Name applications filed in the United States Patent and Trademark Office on the basis of the Borrower's intent to use any such Trademark or Trade Name pursuant to U.S.C. § 1051 Section 1(b), unless and until such Trademark or Trade Name is used in interstate commerce, at which point the security interest granted hereunder shall attach to such application; *provided*, that, the foregoing exclusion shall apply only to the extent that granting a lien in such application prior to such use would adversely affect the enforceability or validity of such application.
