GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of May 5, 2010 is made by Cleaver-Brooks, Inc., a Delaware corporation (the "Grantor"), in favor of U.S. Bank National Association (the "Agent") for the parties to the Indenture, dated as of May 5, 2010 (as amended, supplemented or otherwise modified from time to time, the "Indenture"), among Cleaver-Brooks, Inc., (the "Issuer"), Cleaver-Holdings, Inc., the other Guarantor (as defined therein) and U.S. Bank National Association, as Trustee and Collateral Agent.

W I T N E S S E T H:

WHEREAS, in connection with the Indenture, the Issuer and certain other subsidiaries of the Issuer have executed and delivered a Security Agreement, dated as of May 5, 2010, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Senior Secured Notes Security Agreement, the Grantor pledged, assigned and granted to the Agent, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of the Grantor's right, title and interest in the Collateral, including the Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Holders to purchase the Notes, the Grantor agrees, on behalf of and for the ratable benefit of the Secured Parties, as follows:

Section 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Indenture and the Security Agreement.

Section 2. Grant of Security Interest. The Grantor hereby pledges and grants a security interest in all of the Grantor's right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto), to the Agent on behalf of and for the ratable benefit of the Secured Parties to secure payment, performance and observance of the Obligations.

Section 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office and the Canadian Intellectual Property Office. The security interest granted hereby has been granted to the Agent in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Collateral Agent thereunder) shall remain in full force and effect in accordance with its terms.

Section 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Trustee and the Collateral Agent with respect to the security interest in the Collateral granted hereby are more fully set forth in the Indenture and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
