## GRANT OF SECURITY INTEREST IN TRADEMARKS AND PATENTS

WHEREAS, Vita Food Products, Inc., a Nevada corporation ("**VFP**"), Virginia Honey Company, Inc., a Virginia corporation and an indirect subsidiary of VFP ("**Virginia Honey**"), and The Halifax Group, Inc., a Georgia corporation and an indirect subsidiary of VFP ("**Halifax Group**"; together with VFP and Virginia Honey, "**Grantors**"), owns the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith, and the patents and patent applications, in each case set forth on Schedule A and Schedule B attached hereto; and

WHEREAS, Cole Taylor Bank, an Illinois banking corporation (the "**Grantee**"), desires to acquire a security interest in, and lien on, all of each Grantor's right, title and interest in and to that Grantor's trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith and patents and patent applications; and

WHEREAS, each Grantor is willing to grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith and patents and patent applications described above.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the terms and conditions of the Credit and Security Agreement dated as of March 5, 2010, between the Grantee, as lender, and VFP, among others, as a borrower (as amended from time to time, the "**Credit Agreement**"), each Grantor hereby grants to the Grantee a security interest in, and a lien upon, all of that Grantor's right, title and interest in and to (1) the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith (the "**Marks**") set forth on Schedule A attached hereto; (2) the patents and patent applications (the "**Patents**") set forth on Schedule B attached hereto; (3) all Proceeds (as such term is defined in the Credit Agreement) of the Marks; (4) all of the goodwill of the businesses with which the Marks are associated; and (5) all causes of action, past, present and future, for infringement, misappropriation, or dilution of any of the Marks or Patents or unfair competition regarding the same.

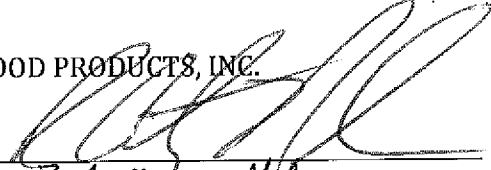

This Grant of Security Interest is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Credit Agreement) of VFP, among others, as a borrower, and shall be effective as of the date of the Credit Agreement.

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Credit Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest are deemed to conflict with the Credit Agreement, the provisions of the Credit Agreement shall govern.
