WHEREAS, it is in the best interest of the Grantor to execute the Security Agreement and this Agreement inasmuch as the Grantor will derive significant direct and indirect benefits from the issuance of the Notes; and

WHEREAS, pursuant to the Security Agreement, Grantor is granting a security interest to the Collateral Agent in the Collateral, including the Pledged Trademarks (as defined below), and is required to execute this Agreement to record the Collateral Agent's security interest therein.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor and the Collateral Agent hereby agree as follows:

(i) Grant of Security Interest

(a) Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a security interest in and continuing lien on all of Grantor's right, title and interest in, to and under all Trademarks, in each case whether now owned or existing or hereafter acquired or arising and wherever located (collectively, the "Pledged Trademarks").

(b) For purposes of this Agreement, "Trademarks" means all United States, state and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, internet domain names, trade styles, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing including, but not limited to the registrations and applications referred to in Schedule A attached hereto, all renewals of any of the foregoing, all of the goodwill of the business connected with the use of and symbolized by the foregoing, the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and all proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit.

(c) Notwithstanding anything herein to the contrary, in no event shall the security interest granted under Section (i)(a) above attach to nor shall the term "Pledged Trademarks" include any Excluded Assets, including any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would result in the unenforceability or invalidation of such intent-to-use trademark application under applicable federal law.

(d) The security interest granted hereby is granted in conjunction with the security interest granted to the Collateral Agent under the Security Agreement.

(ii) Modification of Agreement

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Security Agreement pursuant to which the Collateral Agent may modify this Agreement, after obtaining Grantor's approval of or signature to such modification, by amending Schedule A to include reference to any right, title or interest in any existing Trademarks or any Trademarks acquired or developed by Grantor after the execution hereof or to delete any reference to any right, title or interest in any Trademarks in which Grantor no longer has or claims any right, title or interest.

(iii) Termination

Upon the payment in full of all Secured Obligations, the security interest granted hereby shall automatically terminate hereunder and of record and all rights to the Secured Trademarks shall revert to Grantor. Upon any such termination the Collateral Agent shall, at Grantors' expense, execute and deliver to Grantor such documents as Grantor shall reasonably request to evidence such termination.

(iv) Governing Law

(vi) Successors and Assigns

This Agreement shall be binding upon and inure to the benefit of the Collateral Agent and Grantor and their respective successors and assigns. (viii) Incorporation by Reference

In acting under this Agreement, the Collateral Agent shall have the rights, protections and immunities given to it under the Security Agreement, and such are incorporated by reference herein, mutatis mutandis. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.
