INTELLECTUAL PROPERTY SECURITY AGREEMENT

INTELLECTUAL PROPERTY SECURITY AGREEMENT, dated as of August 3, 2010 between ASIA FASTENING (US), INC., a Delaware corporation ("Grantor") and BANK OF AMERICA, N.A., (the "Security Agent", as security agent for the benefit of the Secured Parties).

RECITALS:

- (A) Infastech Company Limited, the original borrowers named therein, the original guarantors named therein, the original lenders named therein, the Facility Agent and the Security Agent are parties to a Facility Agreement dated as of July 22, 2010 (the "Facility Agreement"). The Grantor is a party to a Pledge and Security Agreement, dated as of August 3, 2010 in favor of the Security Agent (as it may from time to time be amended, modified or supplemented, the "Pledge and Security Agreement"), pursuant to which the Grantor is required to execute and deliver this Agreement.
- (B) In consideration of the mutual conditions and agreements set forth in the Facility Agreement, the Pledge and Security Agreement and this Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

Section 1 Defined Terms

Unless otherwise defined herein, terms defined in the Pledge and Security Agreement and used herein have the meaning given to them in the Pledge and Security Agreement.

Section 2 Grant of Security Interest in Intellectual Property Collateral

As security for the prompt and complete payment and performance in full when due (whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code) of all Secured Liabilities, the Grantor hereby pledges, assigns, transfers and grants to the Security Agent, for its benefit and for the benefit of the Secured Parties, a continuing security interest in and Lien on all of its right, title and interest in, to and under all Intellectual Property Collateral, whether now owned or existing or hereafter acquired or arising and wherever located.

"Intellectual Property Collateral" means the Grantor's right, title and interest in, to and under:

- (a) all Copyrights and Copyright Licenses to which it is a party, including those referred to on Schedule I hereto;
- (b) all Patents and Patent Licenses to which it is a party, including those referred to on Schedule II hereto;
- (c) all Trademarks and Trademark Licenses to which it is a party, including those referred to on Schedule III hereto;
- (d) all goodwill of the business connected with the use of, and symbolized by, each trademark and each trademark license;
- (e) all reissues, continuations or extensions of the foregoing; and
- (f) all Proceeds of the foregoing, including any claim by Grantor against third parties for past, present, future (i) infringement or dilution of any (A) Copyright or Copyright licensed under any Copyright License, (B) Trademark or Trademark licensed under any Trademark License

or (C) Patent or Patent licensed under any Patent License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

Section 3 Separate and Distinct Grants of Security

Notwithstanding anything to the contrary contained in this Agreement, the Grantor and the Security Agent (on behalf of the Secured Parties) acknowledge and agree that the Security Interest granted pursuant to this Agreement to the Security Agent for the benefit of the Secured Parties and securing the Secured Liabilities, will be a "first" priority security interest in the Collateral, junior to no other security interest.

Section 4 Certain Exclusions

Notwithstanding anything herein to the contrary, in no event will the Collateral include and the Grantor will not be deemed to have granted a Security Interest in any of its right, title or interest in any Intellectual Property if the grant of such Security Interest constitutes or results in the abandonment of, invalidation of or rendering unenforceable any of its right, title or interest therein.

Section 5 Pledge and Security Agreement

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Security Agent pursuant to the Pledge and Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest granted by them in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 6 Governing Law

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER ARE GOVERNED BY, AND WILL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK).

[Remainder of page intentionally left blank]

In witness whereof, the Grantor has caused this Intellectual Property Security Agreement to be duly executed and delivered by their respective officers or representatives thereunto duly authorized as of the date first written above.
