GRANT OF SECURITY INTEREST
IN UNITED STATES TRADEMARKS AND PATENTS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, Nexstar Broadcasting Group, Inc., a Delaware Corporation (the "Grantor") with principal offices at 909 Lake Carolyn Pkwy. Irving Texas 75039, hereby assigns and grants to The Bank of New York Mellon, as Collateral Agent (the "Grantee"), a security interest in (i) all of the Grantor's right, title and interest in and to the United States trademarks, trademark registrations and trademark applications (the "Marks") set forth on Schedule A attached hereto, (ii) all of the Grantor's right, title and interest in and to the United States patents (the "Patents") set forth on Schedule B attached hereto, in each case together with (iii) all Proceeds (as such term is defined in the Security Agreement referred to below) and products of the Marks and Patents, (iv) the goodwill of the businesses with which the Marks are associated and (v) all causes of action arising prior to or after the date hereof for infringement of any of the Marks and Patents or unfair competition regarding the same.

THIS GRANT OF SECURITY INTEREST is made to secure the satisfactory performance and payment of all the Obligations, as such term is defined in the Security Agreement (Nexstar) among the Grantor, the Grantee and the other parties thereto, dated as of April 19, 2010 (as amended, supplemented, restated or otherwise modified from time to time, the "Security Agreement"). Upon the termination of the lien in favor of the Grantee with respect to the Marks set forth on Schedule A hereto, the Grantee shall, upon such satisfaction, execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Marks acquired under this Grant of Security Interest. Upon the occurrence of the lien in favor of the Grantee with respect to the Patents set forth on Schedule B hereto, the Grantee shall, upon such satisfaction, execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Patents acquired under this Grant of Security Interest.

This Grant of Security Interest has been executed and delivered in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

IN WITNESS WHEREOF, the undersigned have executed this Grant of Security Interest as of the 27 day of August, 2010.
