## TERMINATION OF SECURITY INTERESTS IN TRADEMARKS

This Termination of Security Interests in Trademarks (this "**Termination**") is made and entered into to be effective as of September 16, 2010 (the "**Effective Date**"), by Silicon Valley Bank, a California corporation, ("**SVB**"), for the benefit of Merlin International, Inc., a Colorado corporation (formerly known as Merlin Technical Solutions, Inc.) ("**Merlin**").

### Background:

1. On or about March 10, 2008, SVB and Merlin entered into an Amended and Restated Loan and Security Agreement (the "**Loan Agreement**") and certain other documents, including an Amended and Restated Intellectual Property Security Agreement (the "**IP Security Agreement**"). The IP Security Agreement evidenced SVB's security interest in the United States issued Trademarks (the "**Trademark Collateral**") listed on **Schedule I**, attached hereto and made a part hereof. The IP Security Agreement was subsequently recorded with the United States Patent and Trademark Office.

2. SVB now desires to terminate its security interests in the Trademark Collateral.

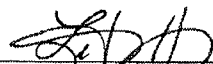

NOW, THEREFORE, for good and valuable consideration, in consideration of the foregoing and in consideration of the mutual covenants contained herein, SVB makes the following termination:

### Termination

SVB hereby terminates its security interests in the Trademark Collateral and authorizes the United States Patent and Trademark office to cancel the Notice of Grant of Security Interest in Trademarks (or any such similar document) recorded in connection with the IP Security Agreement.

IN WITNESS WHEREOF, SVB has caused this Termination to be executed in its respective name by a duly authorized officer, to be effective as of the Effective Date.
