C. The Borrower has entered into an Amended and Restated Private Shelf Agreement dated as of September 24, 2010 (as amended, restated, replaced, modified and supplemented from time to time, the "Note Agreement") pursuant to which the Borrower is issuing and selling to each of the 2010 Noteholders (as defined in the Intercreditor Agreement (as defined below)) the Borrower's 5.60% Senior Series A Secured Notes due September 24, 2018 in the original aggregate principal amount of \$75,000,000 (such notes, as amended, restated, replaced, modified and supplemented from time to time, the "Series A Notes") and pursuant to which the Borrower may from time to time hereafter issue and sell one or more additional series of Shelf Notes (as

D. The Bank Obligations (as defined in the Intercreditor Agreement) under the Domestic Credit Agreement, the Mexican Credit Agreement and the other Bank Loan Documents (as defined in the Intercreditor Agreement) have been absolutely, unconditionally and irrevocably guaranteed by certain Subsidiaries and Affiliates (each as defined in the Intercreditor Agreement) of the Borrower (each a "Bank Guarantor" and collectively, the "Bank Guarantors") pursuant to one or more guaranties (as may be amended, restated, replaced, modified, and supplemented from time to time and including all joinders thereto, collectively, the "Lender Guaranty Agreements").

F. The Pledgors, the Administrative Agent, the Mexican Facility Agent, the Collateral Agent, and the Noteholders are entering into that certain Intercreditor and Collateral Agency Agreement of even date herewith (as may be amended, restated, supplemented or modified from time to time, the "Intercreditor Agreement") which among other things, appoints PNC Bank, National Association as the Collateral Agent thereunder and sets forth certain responsibilities and obligations of the Collateral Agent and establishes among the Secured Parties their respective rights with respect to certain payments that may be received by the Collateral Agent in respect of the Collateral (as defined therein), including without limitation, the Patents, Trademarks and Copyrights (as defined below).

G. To induce Administrative Agent and the Domestic Facility Lenders to enter into the Domestic Credit Agreement, to induce Mexican Facility Agent and the Mexican Facility Lenders to enter into the Mexican Credit Agreement, and to induce Noteholders to enter into the Note Agreement, each Pledgor has agreed to pledge and grant a security interest in the Patents, Trademarks, Copyrights and other property as security for the Senior Secured Obligations (as defined in the Intercreditor Agreement).

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound hereby, the parties hereto agree as follows:

1. Recitals: Defined Terms.

(a) The Recitals set forth above are hereby incorporated in this Agreement as if fully set forth herein.

(b) Except as otherwise expressly provided herein, (i) capitalized terms used in this Agreement shall have the respective meanings assigned to them in the Intercreditor Agreement, and (ii) the rules of construction set forth in Section 1.2 of the Intercreditor Agreement shall apply to this Agreement. Where applicable and except as otherwise expressly provided herein, terms used herein (whether or not capitalized) shall have the respective meanings assigned to them in the Uniform Commercial Code as enacted in the State of Ohio, as amended from time to time (the "Code").

"Financing Documents" shall mean (i) the Note Agreement and the Senior Notes, (ii) the Noteholder Guaranty Agreements, (iii) the Domestic Credit Agreement and the Domestic Bank Notes, (iv) the Mexican Credit Agreement and the Mexican Bank Notes, (v) the Lender Guaranty Agreements, (vi) any Lender Provided Interest Rate Hedge, (vii) any Other Lender Provided Financial Service Product, (viii) this Agreement and the other Security Documents, and (ix) any amendments, restatements, supplements or other modifications in respect of the foregoing.

"Patents, Trademarks and Copyrights" shall mean and include all of each Pledgor's present and future right, title and interest in and to the following: all trade names, patent applications, patents, trademark applications, trademarks and copyrights, whether now owned or hereafter acquired by any Pledgor, including those listed on Schedule A hereto, including all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, divisions, continuations, renewals, extensions and continuations-in-part thereof, and the goodwill of the business to which any of the patents, trademarks and copyrights relate.

"Payment In Full" shall have the meaning assigned to such term in Section 2, and "Paid In Full" shall have the correlative meaning.

"Permitted Lien" shall have the meaning set forth in the Financing Documents.

"Secured Party" shall mean any one of the Administrative Agent, the Mexican Facility Agent, the Domestic Lenders, the Mexican Lenders, Noteholders and any other holders of Senior Notes, the Lender Affiliates, the Collateral Agent, and any successors and permitted assigns to the interests in the Senior Secured Obligations owing to any such Persons.

2. To secure the indefeasible payment and performance in full of all Senior Secured Obligations when due (whether at stated maturity, by acceleration or otherwise) ("Payment In Full"), each Pledgor hereby grants and conveys a security interest to the Collateral Agent (for the ratable benefit of the Secured Parties to the extent provided in the Intercreditor Agreement) in the entire right, title and interest of such Pledgor in and to all of its Patents, Trademarks and Copyrights.

3. Each Pledgor jointly and severally covenants and warrants that:

(a) the Patents, Trademarks and Copyrights are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(b) to the best of such Pledgor's knowledge, each of the Patents, Trademarks and Copyrights is valid and enforceable;

(c) such Pledgor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of its Patents, Trademarks and Copyrights, free and clear of any liens, charges and encumbrances, including pledges, assignments, licenses, shop rights and covenants by such Pledgor not to sue third persons, other than Permitted Liens;

(d) such Pledgor has the corporate, limited liability company, or partnership, as the case may be, power and authority to enter into this Agreement and perform its terms;

(e) no claim has been made to such Pledgor or, to the knowledge of such Pledgor, any other person that the use of any of the Patents, Trademarks and Copyrights does or may violate the rights of any third party;

(f) such Pledgor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products sold under any of the Patents, Trademarks and Copyrights;

(g) such Pledgor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Copyrights, except for those Patents, Trademarks and Copyrights that are hereafter allowed to lapse in accordance with Paragraph 10 hereof;

(h) such Pledgor will not change its state of incorporation, formation or organization, as applicable without providing fifteen (15) days' prior written notice to the Collateral Agent;

(i) such Pledgor will not change its name without providing fifteen (15) days' prior written notice to the Collateral Agent;

(j) such Pledgor shall permit the Collateral Agent, its officers, employees and agents to inspect all books and records related to the Patents, Trademarks and Copyrights; and

(k) except as expressly permitted by the Financing Documents, such Pledgor shall preserve its corporate, limited liability or partnership existence, as the case may be, and shall not: (i) in one or a series of related transactions merge into or consolidate with any other entity, the survivor of which is not such Pledgor, or (ii) sell all or substantially all of its assets.

4. Each Pledgor agrees that, until all of the Senior Secured Obligations shall have been Paid In Full, it will not enter into any agreement (for example, a license agreement) which is inconsistent with such Pledgor's obligations under this Agreement, without the Collateral Agent's prior written consent which shall not be unreasonably withheld, except such Pledgor may license technology in the ordinary course of business without the Collateral Agent's consent to suppliers and customers to facilitate the manufacture and use of such Pledgor's products and the provision of such Pledgor's services.

5. If, before the Senior Secured Obligations shall have been Paid In Full, any Pledgor shall own any new trademarks or any new copyrightable or patentable inventions, or any patent application or patent for any reissue, division, continuation, renewal, extension, or continuation in part of any Patent, Trademark or Copyright or any improvement on any Patent, Trademark or Copyright, the provisions of this Agreement shall automatically apply thereto. Such Pledgor shall give the Collateral Agent prompt notice in writing of any such future patents, patent applications, trademark applications, statements of use or use or other change in the status of any intent-to-use trademark applications, trademark registrations, copyright applications and copyright registrations. The Pledgors and the Collateral Agent agree to modify this Agreement by amending Schedule A to include any future patents, patent applications, trademark applications, statements of use or use or other change in the status of any intent-to-use trademark applications, trademark registrations, copyright registrations or copyright applications and the provisions of this Agreement shall apply thereto.

6. The Collateral Agent shall have, in addition to all other rights and remedies given it by this Agreement and those rights and remedies set forth in the Financing Documents and the Intercreditor Agreement, those allowed by applicable law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Copyrights may be located and, without limiting the generality of the foregoing, if an Event of Default has occurred and is continuing, the Collateral Agent may immediately, without demand of performance and without other notice (except as set forth below) or demand whatsoever to any Pledgor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, in a city that the Collateral Agent shall designate by notice to such Pledgor, in Cleveland, Ohio or elsewhere, the whole or from time to time any part of the Patents, Trademarks and Copyrights, or any interest which such Pledgor may have therein and shall apply such proceeds as provided in the Intercreditor Agreement. Notice of any sale or other disposition of the Patents, Trademarks and Copyrights shall be given to the Pledgors at least ten (10) days (in any manner permitted by the Code) before the time of any intended public or private sale or other disposition of the Patents, Trademarks and Copyrights is to be made, which each Pledgor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Collateral Agent may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks and Copyrights sold, free from any right of redemption on the part of any Pledgor, which right is hereby waived and released.

7. Each Pledgor hereby authorizes and empowers the Collateral Agent to make, constitute and appoint any officer or agent of the Collateral Agent, as the Collateral Agent may select in its exclusive discretion, as such Pledgor's true and lawful attorney-in-fact, with the power to endorse such Pledgor's name on all applications, documents, papers and instruments necessary for the Collateral Agent to use the Patents, Trademarks and Copyrights, or to grant or issue, on commercially reasonable terms, any exclusive or nonexclusive license under the Patents, Trademarks and Copyrights to any third person, or necessary for the Collateral Agent to assign, pledge, convey or otherwise transfer title in or dispose, on commercially reasonable terms, of the Patents, Trademarks and Copyrights to any third Person. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable for the term of this Agreement.

8. It is contemplated by the parties hereto that there may be times when no Senior Secured Obligation is outstanding, but notwithstanding such occurrences, this Agreement shall remain valid and shall be in full force and effect as to subsequent outstanding Senior Secured Obligations. At such time as the Pledgors shall have Paid In Full all of the Senior Secured Obligations, this Agreement shall terminate and the Collateral Agent shall thereafter, upon any Pledgor's request and at such Pledgor's expense, execute and deliver to the applicable Pledgor all deeds, assignments and other instruments as may be necessary or proper to remove the Collateral Agent's security interest in the Patents, Trademarks and Copyrights, subject to any disposition thereof which may have been made by the Collateral Agent pursuant to this Agreement.

9. Any and all fees, costs and expenses, of whatever kind or nature, including attorneys' fees and expenses incurred by the Collateral Agent in connection with the preparation of this Agreement (including the allocated costs of staff counsel) and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, attorneys' fees, maintenance fees or encumbrances, the protection, maintenance or preservation of the Patents, Trademarks and Copyrights, or the defense or prosecution of any actions or proceedings arising out of or related to the Patents, Trademarks and Copyrights, shall be borne and paid by the Pledgors on demand by the Collateral Agent, unless and to the extent the Financing Documents and the Intercreditor Agreement expressly otherwise provide.

10. Each Pledgor shall have the duty, through counsel reasonably acceptable to the Collateral Agent, to prosecute diligently any patent applications of the Patents, Trademarks and Copyrights pending as of the date of this Agreement if commercially reasonable in the reasonable judgment of such Pledgor to do or thereafter until the Senior Secured Obligations shall have been Paid In Full, to make application on unpatented but patentable inventions (whenever it is commercially reasonable in the reasonable judgment of such Pledgor to do so) and to preserve and maintain all rights in patent applications and patents included in the Patents, Trademarks and Copyrights (whenever, in any of the foregoing cases, it is commercially reasonable in the reasonable judgment of such Pledgor to do so), including the payment of all maintenance fees. Any expenses incurred in connection with such an application shall be borne by the Pledgors. No Pledgor shall abandon any of the material Patents, Trademarks and Copyrights without the consent of the Collateral Agent, which shall not be unreasonably withheld.

11. Each Pledgor shall have the right, with the consent of the Collateral Agent, which shall not be unreasonably withheld, to bring suit, action or other proceeding in its own name, and to join the Collateral Agent, if necessary, as a party to such suit so long as the Collateral Agent is satisfied that such joinder will not subject it to any risk of liability, to enforce the Patents, Trademarks and Copyrights and any licenses thereunder. Each Pledgor shall promptly, upon demand, reimburse and indemnify the Collateral Agent for all damages, costs and expenses, including reasonable legal fees, incurred by the Collateral Agent as a result of such suit or joinder by such Pledgor.

12. No course of dealing between the Pledgors and the Collateral Agent, nor any failure to exercise nor any delay in exercising, on the part of the Collateral Agent, nor any right, power or privilege hereunder, under any of the Financing Documents or under the Intercreditor

Agreement, shall operate as a waiver of such right, power or privilege, nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

13. All of the Collateral Agent's rights and remedies with respect to the Patents, Trademarks and Copyrights, whether established hereby, by any of the Financing Document, by the Intercreditor Agreement, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

14. Each of the obligations of each Pledgor under this Agreement is joint and several. The Collateral Agent may, acting on behalf of the Secured Parties as provided in the Intercreditor Agreement, in its sole discretion, elect to enforce this Agreement against any Pledgor without any duty or responsibility to pursue the Borrower or any other Pledgor and such an election by the Collateral Agent shall not be a defense to any action the Collateral Agent may elect to take against any Pledgor. The Collateral Agent, on behalf of each of the Secured Parties as provided in the Intercreditor Agreement, hereby reserves all right against each Pledgor.

15. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any clause or provision of this Agreement in any jurisdiction.

16. This Agreement is subject to modification only by a writing signed by the parties, except as provided in Paragraph 5.

17. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties, provided, however, that no Pledgor may assign or transfer any of its rights or obligations hereunder or any interest herein and any such purported assignment or transfer shall be null and void.

18. This Agreement shall be deemed to be a contract under the laws of the State of Ohio and shall for all purposes be governed by and construed and enforced in accordance with the laws of the State of Ohio without regard to its conflicts of laws principles.

19. EACH PLEDGOR IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE NONEXCLUSIVE JURISDICTION OF ANY U.S. FEDERAL OR OHIO STATE COURT SITTING IN FRANKLIN COUNTY, OHIO, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH OHIO STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER

JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT, IN ANY OF THE FINANCING DOCUMENTS OR IN THE INTERCREDITOR AGREEMENT SHALL AFFECT ANY RIGHT THAT THE COLLATERAL AGENT OR ANY OF THE SECURED PARTIES MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT, ANY OF THE FINANCING DOCUMENTS OR THE INTERCREDITOR AGREEMENT AGAINST ANY PLEDGOR OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION. EACH PLEDGOR IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OF THE FINANCING DOCUMENTS OR THE INTERCREDITOR AGREEMENT IN ANY COURT REFERRED TO IN THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT AND AGREES NOT ASSERT ANY SUCH DEFENSE.

20. This Agreement may be executed in any number of counterparts, and by different parties hereto in separate counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same instrument. Each Pledgor acknowledges and agrees that a telecopy transmission to the Collateral Agent or any Secured Party of the signature pages hereof purporting to be signed on behalf of any Pledgor shall constitute effective and binding execution and delivery hereof by such Pledgor.

21. EXCEPT AS PROHIBITED BY LAW, EACH PLEDGOR HEREBY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY A JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER, OR IN CONNECTION WITH THIS AGREEMENT, ANY OF THE FINANCING DOCUMENTS, THE INTERCREDITOR AGREEMENT OR TRANSACTIONS RELATING THERETO.

22. All notices, requests, demands, directions and other communications (collectively, "notices") given to or made upon any party hereto under the provisions of this Agreement shall be as set forth in Section 11.5 of the Domestic Credit Agreement in the case of the Pledgors and as set forth in Section 7.9 of the Intercreditor Agreement in the case of the Collateral Agent.

23. Each Pledgor acknowledges and agrees that, in addition to the other rights of the Collateral Agent hereunder, under the other Financing Documents and under the Intercreditor Agreement, because the Collateral Agent's remedies at law for failure of such Pledgor to comply with the provisions hereof relating to the Collateral Agent's rights (i) to inspect the books and records related to the Patents, Trademarks and Copyrights, (ii) to receive the various notifications such Pledgor is required to deliver hereunder, (iii) to obtain copies of agreements and documents as provided herein with respect to the Patents, Trademarks and Copyrights, (iv) to enforce the provisions hereof pursuant to which the such Pledgor has appointed the Collateral Agent its attorney-in-fact, and (v) to enforce the Collateral Agent's remedies hereunder, would be

inadequate and that any such failure would not be adequately compensable in damages, such Pledgor agrees that each such provision hereof may be specifically enforced.

24. Any Person who was not a "Pledgor" under this Agreement at the time of initial execution hereof shall become a "Pledgor" hereunder if required pursuant to the terms of any of the Financing Document by executing and delivering to the Collateral Agent one or more joinders hereto as set forth in the Recitals to this Agreement, as applicable. Any such Person shall thereafter be deemed a "Pledgor" for all purposes under this Agreement. The execution and delivery of any such joinder shall not require the consent of any other Pledgor hereunder, and the rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Pledgor as a party to this Agreement.
