AMENDED AND RESTATED TRADEMARK COLLATERAL ASSIGNMENT

MIDDLE ATLANTIC PRODUCTS, INC. (the "Assignor"), having an address at 300 Fairfield Road, Fairfield, New Jersey 07004, does hereby grant to **JPMORGAN CHASE BANK, N.A.** (the "Assignee"), having an address at 695 Route 46, Fairfield, New Jersey 07004, a security interest in and a conditional assignment of the trademarks identified on Schedule A hereto and the goodwill symbolized thereby (the "Trademarks"), together with all the proceeds thereof. The interest in the collateral being assigned hereunder shall not be construed as a current assignment, but as an assignment to secure Assignor's obligations to Assignee under the Credit Agreement (as hereinafter defined) that will take effect only following the occurrence of an Event of Default (as hereinafter defined), and as a present grant of a security interest.

This Assignment amends and restates the Trademark Collateral Assignment dated May 5, 2008 between the Assignor and the Assignee.

This Assignment is given as collateral security for all the Obligations, as such capitalized term is defined in the Amended and Restated Credit Agreement dated September 30, 2010 between the Assignor and the Assignee, as such Agreement may hereafter be amended, supplemented or replaced from time to time (the "Credit Agreement").

As used herein, the term "Event of Default" shall have the meaning ascribed to it in the Credit Agreement.

The Assignor shall not assign any of the Trademarks without the prior written consent of the Assignee; and any such assignment that is attempted without such consent shall be void. As provided in the Credit Agreement, any such assignment or attempted assignment without such consent constitutes an Event of Default.

The assignment effected hereby shall be governed by Article 9 of the Uniform Commercial Code as in effect in New York. Upon the occurrence of an Event of Default, the Assignee shall have the rights and remedies of a secured party as set forth therein, as well as all other rights and remedies provided or allowed by the Credit Agreement, the other Facility Documents (as such term is defined in the Credit Agreement) or other applicable law.

Upon payment in full of all the Obligations, the Assignee shall execute and deliver to the Assignor such instruments of assignment, release and other instruments as may be necessary to terminate Assignee's security interest and conditional interest in the Trademarks (except to the extent that the Assignee shall have disposed of the same in accordance with applicable law following an Event of Default).

The Assignee shall have no duties with respect to the Trademarks, other than the duties expressly set forth herein and the duties of a secured party under the New York Uniform Commercial Code. Without limiting the generality of the foregoing, the Assignee shall have no duty to prosecute any action for trademark infringement against any person or entity.

The Assignor shall indemnify the Assignee and hold the Assignee harmless against and from any and all liabilities, losses, costs and expenses (including attorneys' fees) incurred by or asserted against the Assignee by virtue of this Assignment.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of this 28 day of September, 2010.
