TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT ("Agreement"), effective as of September 30, 2010 is made by the Credit Parties on the signature pages hereto (the "Grantors"), in favor of GOLDMAN SACHS LENDING PARTNERS LLC, located at 200 West Street, New York, NY 10282, as Collateral Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Credit Agreement, dated September 30, 2010 (as amended, supplemented or otherwise modified from time to time, the Credit Agreement), among Clopay Ames True Temper Holding Corp. (the "Borrower"), Clopay Ames True Temper LLC and certain subsidiaries of Borrower, the Lenders party thereto from time to time, and Goldman Sachs Lending Partners LLC, as Agent and Collateral Agent.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Borrower and certain other subsidiaries of the Borrower have executed and delivered a Pledge and Security Agreement, dated as of September 30, 2010, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Pledge Agreement");

WHEREAS, pursuant to the Pledge Agreement, the Grantors pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing security interest in all Intellectual Property, including the Trademarks;

WHEREAS, the Grantors have duly authorized the execution, delivery and performance of this Agreement; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Grantors agree, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Pledge Agreement.

SECTION 2. Grant of Security Interest. Each Grantor hereby pledges and grants a continuing security interest in all of such Grantor's right, title and interest in, to and under the Trademarks that such Grantor now owns or at any time in the future acquires any right, title or interest (including, without limitation, those items listed on Schedule A hereto) together with all goodwill associated therewith or symbolized thereby (collectively, the "Collateral"), to the Agent, its successors and assigns, for the benefit of the Agent and the Lenders to secure payment, performance and observance of the Obligations. Notwithstanding the foregoing, the Collateral shall not include any trademark or service mark applications filed in the U.S. Patent and Trademark Office ("USPTO") on the basis of such Grantor's intent to use such trademark or

service mark, unless and until evidence of use of the mark acceptable to the USPTO has been filed with the USPTO pursuant to Section 1(c) or 1(d) of the Lanham Act (15 U.S.C., et. seq.).

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Pledge Agreement and is expressly subject to the terms and conditions thereof. The Pledge Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

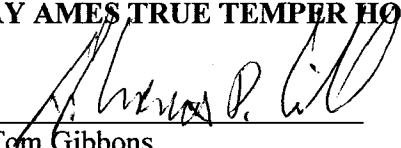

SECTION 4. Acknowledgment. The Grantors do hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Pledge Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Pledge Agreement, the terms of the Pledge Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

[Remainder of page left intentionally blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
