INTELLECTUAL PROPERTY SECURITY AGREEMENT

INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement"), dated as of November 3, 2010, made by each of the Persons listed on the signature pages hereto (collectively, the "Grantors"), in favor of GENERAL ELECTRIC CAPITAL CORPORATION, as collateral agent (the "Collateral Agent") for the Lenders (in such capacity, together with its successors in such capacity, the "Collateral Agent").

W I T N E S S E T H:

WHEREAS, capitalized terms used herein and not otherwise defined herein (including terms used in the preamble and the recitals) shall have the meanings assigned to such terms in the Guarantee and Collateral Agreement, dated as of November 3, 2010 (the "Guarantee and Collateral Agreement"), among PG Holdco, LLC, a Delaware limited liability company ("Holdings"), PGA Holdings, Inc., a Delaware corporation (the "Borrower"), the Subsidiary Guarantors party thereto, and the Collateral Agent.

WHEREAS, the rules of construction and other interpretive provisions specified in Section 1.2 of the Credit Agreement shall apply to this Agreement, including terms defined in the preamble and recitals hereto.

Accordingly, the Grantors and the Collateral Agent agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the United States Trademark registrations and applications set forth in Schedule A hereto, together with the goodwill of the business connected with the use thereof and symbolized thereby, and the United States Copyright registrations and applications set forth in Schedule B hereto, and all rights to sue or otherwise recover for any past, present or future infringement or other violation or impairment of any of the foregoing (collectively, the "Collateral").

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this Agreement secures the payment and performance of all Obligations of such Grantor now or hereafter existing.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Register of Copyrights, the Commissioner for Trademarks and any other applicable governmental officer located in the United States record this Agreement.

SECTION 4. Grants, Rights and Remedies. This Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Guarantee and Collateral Agreement, the terms and provisions of which are

incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

SECTION 6. GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 7. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 8. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 10.2 of the Credit Agreement.

SECTION 9. Expenses. Subject to Section 10.5 of the Credit Agreement, each Grantor agrees to reimburse the Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this Agreement, including the reasonable and documented fees, other charges and disbursements of counsel for the Collateral Agent.

[Remainder of the page intentionally left blank]

IN WITNESS WHEREOF, each Grantor and the Collateral Agent have duly executed this Intellectual Property Security Agreement as of the day and year first above written.
