INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of November 16, 2010 by and between COMERICA BANK ("Bank") and JAMBO MEDIA LLC, a Delaware limited liability company ("Grantor").

RECITALS

A. Bank and INTERCEPT INTERACTIVE INC. ("Borrower"), which is an affiliate of Grantor, are entering into that certain Loan and Security Agreement dated as of the date hereof, as may be amended from time to time (the "Loan Agreement"). Grantor expects to derive economic benefit from Bank's doing so and dealing with Borrower in accordance with the Loan Agreement, and has entered into an Unconditional Guaranty of even date herewith with respect to the present and future obligations of Borrower to Bank (as amended from time to time, the "Guaranty"). Grantor wishes to secure performance and payment of all obligations to Bank under the Guaranty and otherwise (the "Guarantor Obligations") with substantially all of its assets. All terms used without definition in this Agreement shall have the meaning assigned to them in the Loan Agreement. All terms used without definition in this Agreement or in the Loan Agreement shall have the meaning assigned to them in the Uniform Commercial Code.

B. Bank is willing to enter into the Loan Agreement with Borrower, but only upon the condition, among others, that Grantor shall grant to Bank a security interest in all of Grantor's right title, and interest in, to and under all of the Collateral whether presently existing or hereafter acquired

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Guaranty, and all other agreements now existing or hereafter arising between Grantor and Bank, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Guaranty and under any other agreement now existing or hereafter arising between Grantor and Bank, Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Bank under the Guaranty. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Guaranty and the other Guaranty Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank provided for herein or in the Guaranty or any of the Guaranty Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Bank of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Guaranty or any of the other Guaranty Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Bank, of any or all other rights, powers or remedies.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
