## ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment"), effective the 5<sup>th</sup> day of November, 2010, is made and entered into by and among Ronald L. Smith, Michael J. Tabor, Henry Turchin, Mark A. Williams and Alan L. Shaffer (collectively, the "Stockholders" and each a "Stockholder"), Empty Holdings, Inc., an Ohio corporation formerly known as Starchem, Inc., ("Seller"; the Stockholders and Seller collectively "Assignors" and each an "Assignor") and Milacron Holdings Inc., a Delaware corporation ("Purchaser"), Cimcool Industrial Products LLC, a Delaware limited liability company ("Purchaser"), and Milacron Marketing Company LLC, a Delaware limited liability company ("Purchaser") (each of the foregoing Purchasers an "Assignee" and collectively "Assignees"), (each of Assignors and Assignees a "party," and collectively, the "parties"). Capitalized terms used herein but not otherwise defined herein shall have the meanings set forth in the Asset Purchase Agreement (as defined below).

WHEREAS, Assignors and Assignees entered into that certain Asset Purchase Agreement, dated as of October 30, 2010, as amended (the "Asset Purchase Agreement"), pursuant to which Assignors have agreed to sell and Assignees have agreed to purchase the Assets from Assignors including all right, title and interest in and to those trademarks and service marks, trademark and service mark registrations, and trademark and service mark applications for registration comprising the Assets and set forth on Schedule A hereto (all such trademarks, service marks, registrations and applications for registration (including any and all goodwill symbolized by any of the foregoing and, in accordance with the terms of the Asset Purchase Agreement, that portion of Assignors' business to which the foregoing pertain) referred to collectively as the "Trademarks");

WHEREAS, Assignors are the owners of each of the Trademarks and/or interests therein; and

WHEREAS, the execution and delivery of this Assignment is a condition to Closing.

NOW, THEREFORE, in consideration of the promises and the representations, warranties, agreements and covenants set forth in the Purchase Agreement, and intending to be legally bound, Assignors and Assignee hereby agree as follows:

1. Assignment. Effective upon Closing, Assignors hereby sell, assign and transfer to Assignees, and Assignees hereby accept the sale, assignment and transfer of, all right, title and interest in and to the Trademarks, as further described in the Asset Purchase Agreement.

2. Further Assurances. (a) Assignors shall, at the request and expense of Assignees, timely execute and deliver any additional documents and perform such additional acts that may be necessary or desirable to assist Assignees (or their successors, assigns or legal representatives) in the implementation, recordation or perfection of this Assignment and Assignees' interest in and to the Trademarks and any other marks and registrations and applications for such marks within the Proprietary Rights, including without limitation, in the (i)

preparation and prosecution of any application for registration of the Trademarks, and (ii) prosecution or defense of any interference, opposition, cancellation, infringement or other Action that may arise in connection with any of the Trademarks, including testifying as to any facts relating to the Trademarks and this Assignment.

(b) If Assignees are unable for any reason to secure Assignors' signatures to any document it is entitled to under Section 2 hereof, each Assignor hereby irrevocably designates and appoints Assignees, and Assignees' duly authorized officers, agents and representatives, as its agents and attorneys-in-fact with full power of substitution to act for and on the behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of this Assignment with the same legal force and effect as if executed by Assignor. Assignors shall not enter into any agreement in conflict with this Assignment.

3. Due Authorization. Assignors hereby authorize and request the Commissioner of Trademarks of the United States and any other official of any applicable Governmental Authority to issue any and all registrations from any and all applications for registration included in the Trademarks to and in the name of Assignees.

4. Governing Law. This Assignment shall be governed by, and construed in accordance with, the Laws of the State of Ohio.

5. Counterparts. This Assignment may be executed and delivered (including by facsimile transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original, but all of which taken together shall constitute one and the same agreement.
